

Department's remand results. *See May 5th Order* at 2. The CIT found that the Department's new surrogate value for silica fume was more specific to silica fume, as required by the *Remand Order*, and was supported by substantial evidence.

On July 1, 2009, Respondents filed an appeal with the CAFC. On February 23, 2010, the CAFC dismissed the case, pursuant to Respondents' withdrawal of their appeal.

Amendment to the Final Determination

Because there is now a final and conclusive court decision, effective as of the publication date of this notice, we are amending the *Final Results* and revising the weighted average dumping margins for Jiangxi Gangyuan and Shanghai Jinneng:

SILICON METAL FROM THE PRC

Manufacturer/exporter	Weighted-average margin
Jiangxi Gangyuan	71.57%
Datong Jinneng/Shanghai Jinneng	50.41

We have calculated Jiangxi Gangyuan and Shanghai Jinneng's company-specific antidumping margin as 71.57% and 50.41%, respectively. See Memorandum to the File from Jerry Huang, "Analysis Memorandum for the Final Results of the Redetermination of the Silica Fume By-Product Valuation, Remand for Antidumping Duty New Shipper Review of Silicon Metal From the People's Republic of China for Datong Jinneng Industrial Silicon Co., Inc./Shanghai Jinneng International Trade Co., Ltd.," and Memorandum to the File From Jerry Huang, "Analysis Memorandum for the Final Results of the Redetermination of the Silica Fume By-Product Valuation, Remand for Antidumping Duty New Shipper Review of Silicon Metal From the People's Republic of China for Jiangxi Gangyuan Silicon Industry Co., Ltd.," both dated February 2, 2009. There have been no changes to this analysis for these amended final results. In accordance with the Department's practice of applying importer-specific assessment rates, we will instruct United States Customs and Border Protection ("CBP") to apply the importer-specific assessment rate for Jiangxi Gangyuan and Shanghai Jinneng's exports to the United States. The Department intends to issue appropriate assessment instructions directly to CBP 15 days after the publication of the final results of this review.

This notice is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Tariff Act of 1930, as amended.

Dated: March 23, 2010.

FOR FURTHER INFORMATION CONTACT:

Stephen Boykin, MBDA Office of Legislative, Education and Intergovernmental Affairs, at (202) 482-1712 or by e-mail at: NACMBEnominations@mbda.gov.

SUPPLEMENTARY INFORMATION:

Background: Pursuant to Executive Order 11625, as amended, the Department of Commerce, through the Minority Business Development Agency (MBDA), is charged with promoting the growth and competitiveness of the nation's minority business enterprise. NACMBE is being established in the Department of Commerce as a discretionary advisory committee in accordance with the provisions of the Federal Advisory Committee Act, as amended, 5 U.S.C. App. 2, and with the concurrence of the General Services Administration. The NACMBE will be administered primarily by MBDA.

MBEs make a substantial contribution to the U.S. economy, generating \$661 billion in total gross receipts in 2002 and employing approximately 4.7 million people with an annual payroll totaling \$115 billion. This represented only 7.5 percent of the total gross receipts generated by all U.S. businesses (excluding publicly-held firms), notwithstanding that in 2002 the adult minority population represented 29 percent of the total U.S. adult population. However, if MBEs were to generate total gross receipts in relation to the current minority population, the U.S. economy would benefit from an estimated additional \$1.8 trillion in annual gross receipts and 11.4 million new jobs. MBEs also have the potential to contribute significantly to the balance of trade as they are twice as likely to generate sales through exports compared to non-minority firms.

Obstacles such as access to capital, access to markets and access to business and social networks, all of which are essential for any businesses to increase in size and scale, continue to impede the growth and competitiveness of MBEs. Unless these obstacles are addressed, the MBE community will continue to lag behind their non-minority counterparts undermining the nation's ability to regain its economic footing and to build a sustainable economy.

Objectives and Scope of Activities: NACMBE will advise the Secretary on key issues pertaining to the growth and competitiveness of the nation's MBEs, as defined in Executive Order 11625, as amended, and 15 CFR 1400.1. NACMBE will provide advice and recommendations on a broad range of

policy issues that affect minority businesses and their ability to successfully access the domestic and global marketplace. These policy issues may include, but are not limited to:

- Methods for increasing jobs in the health care, manufacturing, technology, and "green" industries;
- Global and domestic barriers and impediments;
- Global and domestic business opportunities;
- MBE capacity building;
- Institutionalizing global business curriculums at colleges and universities and facilitating the entry of MBEs into such programs;
- Identifying and leveraging pools of capital for MBEs;
- Methods for creating high value loan pools geared toward MBEs with size, scale and capacity;
- Strategies for collaboration amongst minority chambers, trade associations and nongovernmental organizations;
- Accuracy, availability and frequency of economic data concerning minority businesses;
- Methods for increasing global transactions with entities such as but not limited to the Export-Import Bank, OPIC and the IMF; and
- Requirements for a uniform and reciprocal MBE certification program.

The advice and recommendations provided by NACMBE may take the form of one or more written reports. NACMBE will also serve as a vehicle for an ongoing dialogue with the MBE community and with other stakeholders.

The Secretary has determined that the establishment of NACMBE is necessary and in the public interest in connection with MBDA's duties and responsibilities in advancing the growth and competitiveness of MBEs pursuant to Executive Order 11625, as amended.

Membership: NACMBE shall be composed of not more than 25 members. The NACMBE members shall be distinguished individuals from the nonfederal sector appointed by the Secretary. The members shall be recognized leaders in their respective fields of endeavor and shall possess the necessary knowledge and experience to provide advice and recommendations on a broad range of policy issues that impact the ability of MBEs to successfully participate in the domestic and global marketplace. NACMBE shall have a balanced membership reflecting a diversity of industries, ethnic backgrounds and geographical regions, and to the extent practicable, gender and persons with disabilities.

NACMBE members shall be appointed as Special Government Employees for a two-year term and shall serve at the

pleasure of the Secretary. Members may be re-appointed to additional two-year terms, without limitation. The Secretary may designate a member or members to serve as the Chairperson or Vice-Chairperson(s) of NACMBE. The Chairperson or Vice-Chairperson(s) shall serve at the pleasure of the Secretary.

NACMBE members will serve without compensation, but will be allowed reimbursement for reasonable travel expenses, including a per diem in lieu of subsistence, as authorized by 5 U.S.C. 5703, as amended, for persons serving intermittently in Federal government service. NACMBE members will serve in a solely advisory capacity.

Eligibility. In addition to the above criterion, eligibility for NACMBE membership is limited to U.S. citizens who are not full-time employees of the Federal Government, are not registered with the U.S. Department of Justice under the Foreign Agents Registration Act and are not a Federally-registered lobbyist pursuant to the Lobbying Disclosure Act of 1995, as amended, at the time of appointment to the NACMBE.

Nomination Procedures and Selection of Members: The Department of Commerce is accepting nominations for NACMBE membership for the upcoming 2-year charter term beginning in April 2010. Members shall serve until the NACMBE charter expires in April 2012, although members may be re-appointed by the Secretary without limitation. Nominees will be evaluated consistent with the factors specified in this notice and their ability to successfully carry out the goals of the NACMBE.

For consideration, a nominee must submit the following materials: (1) Resume, (2) personal statement of interest, including a summary of how the nominee's experience and expertise would support the NACMBE objectives; (3) an affirmative statement that the nominee is not required to register as a foreign agent under the Foreign Agents Registration Act of 1938, as amended, and (4) an affirmative statement that: (a) The nominee is not currently a Federally-registered lobbyist and will not be a Federally-registered lobbyist at the time of appointment and during his/her tenure as a NACMBE member, or (b) if the nominee is currently a Federally-registered lobbyist, that the nominee will no longer be a Federally-registered lobbyist at the time of appointment to the NACMBE and during his/her tenure as a NACMBE member. All nomination information should be provided in a single, complete package by the deadline specified in this notice. Nominations packages should be

submitted by either mail or electronically, but not by both methods. Self-nominations will be accepted.

NACMBE Members will be selected in accordance with applicable Department of Commerce guidelines and in a manner that ensures that NACMBE has a balanced membership. In this respect, the Secretary seeks to appoint members who represent a diversity of industries, ethnic backgrounds and geographical regions, and to the extent practicable, gender and persons with disabilities.

All appointments shall be made without discrimination on the basis of age, ethnicity, gender, disability, sexual orientation, or cultural, religious, or socioeconomic status. All appointments shall also be made without regard to political affiliations.

Dated: March 23, 2010.

David A. Hinson,

National Director, Minority Business Development Agency.

Certain Crepe Paper Products From the People's Republic of China: Final Results of Expedited Sunset Review of Antidumping Duty Order

AGENCY: Import Administration, International Trade Administration, Department of Commerce

DATES: *Effective Date:* March 29, 2010.

SUMMARY: On December 1, 2009, the Department of Commerce ("Department") initiated a sunset review of the antidumping duty order on certain crepe paper products from the People's Republic of China ("PRC"). On the basis of a timely notice of intent to participate, and an adequate substantive response filed on behalf of the domestic interested party, as well as a lack of response from respondent interested parties, the Department conducted an expedited sunset review. As a result of the sunset review, the Department finds that revocation of the antidumping duty order would be likely to lead to continuation or recurrence of dumping. The dumping margins are identified in the *Final Results of Review* section of this notice.

FOR FURTHER INFORMATION CONTACT: Alexis Polovina, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; *telephone:* (202) 482-3927.

SUPPLEMENTARY INFORMATION:

Background

On December 1, 2009, the Department published the notice of initiation of the sunset review of the antidumping duty order on crepe paper products from the PRC pursuant to section 751(c) of the Tariff Act of 1930, as amended ("the Act"). See *Initiation of Five-Year ("Sunset") Review*, 74 FR 62748 (December 1, 2009). On December 3, 2009, the Department received a notice of intent to participate from a domestic producer, Seaman Paper Company of Massachusetts ("Seaman Paper," "domestic interested party," or "Petitioner"). Submission of the notice of intent to participate filed by Petitioner was within the deadline specified in section 351.218(d)(1)(i) of the Department's regulations. The domestic interested party claimed interested party status under section 771(9)(C) of the Act, as Seaman Paper is a domestic manufacturer of crepe paper products in the United States. On December 31, 2009, the Department received a substantive response from the domestic interested party within the deadline specified in section 351.218(d)(3)(i) of the Department's regulations. We did not receive responses from any respondent interested parties to this proceeding. As a result, pursuant to section 751(c)(3)(B) of the Act and section 351.218(e)(1)(ii)(C)(2) of the Department's regulations, the Department determined to conduct an expedited review of the order.

As explained in the memorandum from the Deputy Assistant Secretary for Import Administration, the Department has exercised its discretion to toll deadlines for the duration of the closure of the Federal Government from February 5, through February 12, 2010. Thus, all deadlines in this segment of the proceeding have been extended by seven days. The revised deadline for the final of this expedited review is now April 7, 2010. See Memorandum to the Record from Ronald Lorentzen, DAS for Import Administration, regarding "Tolling of Administrative Deadlines As a Result of the Government Closure During the Recent Snowstorm," dated February 12, 2010.

Scope of the Order

For purposes of the order, the term "certain crepe paper" includes crepe paper products that have a basis weight not exceeding 29 grams per square meter prior to being creped and, if appropriate, flame-proofed. Crepe paper has a finely wrinkled surface texture and typically but not exclusively is treated to be flame-retardant. Crepe
