D. Working With Other Recovery Act Programs and Federal Partners

The Recovery Act made funds available to a number of other Federal programs that will impact the creation and expansion of healthcare occupations and other high growth and emerging industries, as well as providing training for those occupations. DOL is partnering with other Federal agencies to support the creation of jobs by developing a pipeline of skilled workers in the healthcare industry and other high growth and emerging industries. Where possible, ETA encourages applicants to connect their workforce development strategies to other Recovery Act-funded projects that provide training, create jobs or impact the skill requirements of existing jobs. ETA recommends that applicants review other parts of the Recovery Act. For example, there are specific Recovery Act activities related to healthcare through the Department of Education and Department of Health and Human Services (HHS), Health Resources and Services Administration (HRSA). For other high growth and emerging industries, it may be appropriate to review other Recovery Act programs from the Department of Energy, Department of Transportation, etc. For links to federal agency Recovery Act Web sites, please visit <http://recovery.gov/?q=content/agencies>.

Furthermore, other Federal departments, including Education, Health and Human Services, and Energy, also have or are developing Web-based resources that should be leveraged or linked to through this project. DOL will make the connections between the HVCP grantee and cognizant Federal officials in relevant Federal departments and agencies, during the first 60 days following award.

OFFICE OF PERSONNEL MANAGEMENT

[OMB Control No. 3206–0194; Form RI 92–22]

Submission for OMB Review; Request for Review of a Revised Information Collection

AGENCY: Office of Personnel Management.

ACTION: Notice.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995 (Pub. L. 104–13, May 22, 1995), this notice announces that the Office of Personnel Management (OPM) has submitted to the Office of Management and Budget (OMB) a request for review of a revised information collection. This information collection, “Annuity Supplement Earnings Report” (OMB Control No. 3206–0194; Form RI 92–22), is used each year to obtain the earned income of Federal Employees Retirement System (FERS) annuitants receiving an annuity supplement. The annuity supplement is paid to eligible FERS annuitants who are not retired on disability and are not yet age 62. The supplement approximates the portion of a full career Social Security benefit earned while under FERS and ends at age 62. Like Social Security benefits, the annuity supplement is subject to an earnings limitation.

Approximately 13,000 RI 92–22 forms are completed annually. Each form requires approximately 15 minutes to complete. The annual estimated burden is 3,250 hours.

OFFICE OF PERSONNEL MANAGEMENT

Submission for OMB Review; Request for Comments on a Revised Information Collection: (OMB Control No. 3206–0226; Form RI 38–128)

AGENCY: Office of Personnel Management.

ACTION: Notice.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995 (Pub. L. 104–13, May 22, 1995), this notice announces that the Office of Personnel Management (OPM) has submitted to the Office of Management and Budget (OMB) a request for review of a revised information collection. This information collection, “It’s Time to Sign Up for Direct Deposit” (OMB Control No. 3206–0226; Form RI 38–128), is primarily used by OPM to give recent retirees the opportunity to waive Direct Deposit of their annuity payments. The form is

sent only if the separating agency did not give the retiring employee this election opportunity. This form may also be used to enroll in Direct Deposit, which was its primary use before Public Law 104–134 was passed. This law requires OPM to make all annuity payments by Direct Deposit unless the payee has waived the service in writing.

We estimate 20,000 forms are completed annually. The form takes approximately 30 minutes to complete. The annual estimated burden is 10,000 hours.

For copies of this proposal, contact Cyrus S. Benson on (202) 606–4808, FAX (202) 606–0910 or via e-mail to Cyrus.Benson@opm.gov. Please include a mailing address with your request.
