Stainless Steel Sheet and Strip in Coils from Mexico; Extension of Time Limit for Preliminary Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce

SUMMARY: As the Department of Commerce (the Department) requires additional information from the respondent, ThyssenKrupp Mexinox S.A. de C.V. and Mexinox USA, Inc. (collectively, Mexinox) in order to complete our analysis, the Department finds that it is not practicable to complete the preliminary results of this review within the original time frame. Accordingly, the Department is extending the time limit for completion of the preliminary results of this

administrative review until no later than August 2, 2010.¹

EFFECTIVE DATE: July 1, 2010

FOR FURTHER INFORMATION CONTACT:

Patrick Edwards, Brian Davis, or Angelica Mendoza, AD/CVD Operations, Office 7, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-8029, (202) 482-7924, or (202) 482-3019, respectively.

SUPPLEMENTARY INFORMATION:

Background

On July 31, 2009, the Department received a timely request from both Mexinox and Allegheny Ludlum Corporation, AK Steel Corporation, and North American Stainless (collectively, petitioners), to conduct an administrative review of the antidumping duty order on certain stainless steel sheet and strip in coils

¹ July 31, 2010, which is 365 days from the last day of the anniversary month of this order, falls on a Saturday. Therefore, the deadline for the preliminary results will be the following business day, Monday, August 2, 2010.

(S4 in coils) from Mexico. On August 25, 2009, the Department published a notice of initiation of this administrative review, covering the period of July 1, 2008, to June 30, 2009. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 74 FR 42875 (August 25, 2009). The current deadline for the preliminary results of this review is April 9, 2010.

Extension of Time Limits for Preliminary Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires that the Department complete the preliminary results of an administrative review within 245 days after the last day of the anniversary month of an order for which a review is requested. However, if it is not practicable to complete the review within this time period, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the preliminary results to a maximum of 365 days after the last day of the anniversary month of an order for which a review is requested.

The Department finds that it is not practicable to complete the preliminary results of this review within the original

time frame because additional information from the respondent, Mexinox, is necessary to complete our analysis. The Department will not have sufficient time to obtain and analyze the new information prior to the current deadline for the preliminary results. Accordingly, the Department is extending the time limit for completion of the preliminary results of this administrative review until no later than August 2, 2010. We intend to issue the final results no later than 120 days after publication of the preliminary results notice.

This extension is issued and published in accordance with sections 751(a)(3)(A) and 777(i) of the Act.

Dated: April 1, 2010.

John M. Andersen,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Foreign-Trade Zones Board

[Docket 19-2010]

Foreign-Trade Zone 196 - Fort Worth, Texas, Application for Manufacturing Authority, ATC Logistics & Electronics (Cell Phone Kitting and Distribution), Fort Worth, Texas

An application has been submitted to the Foreign-Trade Zones Board (the Board) by ATC Logistics & Electronics (ATCLE), operator of Site 2, FTZ 196, Fort Worth, Texas, requesting manufacturing authority. The application was submitted pursuant to the provisions of the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR part 400). It was formally filed on March 29, 2010.

The ATCLE facility (152 employees, 186,000 square feet, 2 million unit capacity) is used for the kitting and distribution of cell phones. Components and materials sourced from abroad (representing 96% of the value of the finished product) include: cell phone batteries; cell phone chargers and adaptors; headphones; earphones; microphones; speaker sets; battery doors; cables; holsters; leather carrying cases and pouches; wrist straps; sealing gaskets; key pads; and decals (duty rate ranges from duty free to 8.0%).

Under FTZ procedures, ATCLE would be able to choose the duty rates during customs entry procedures that apply to cell phones (duty free) for the foreign inputs noted above for its shipments to

the U.S. market. ATCLE could also realize logistical benefits through the use of weekly customs entry procedures. The request indicates that the savings from FTZ procedures would help improve the plant's international competitiveness.

In accordance with the Board's regulations, Maureen Hinman of the FTZ Staff is designated examiner to evaluate and analyze the facts and information presented in the application and case record and to report findings and recommendations to the Board.

Public comment is invited from interested parties. Submissions (original and 3 copies) shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is June 7, 2010. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to June 21, 2010.

A copy of the application will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 2111, U.S. Department of Commerce, 1401 Constitution Avenue, NW, Washington, DC 20230-0002, and in the "Reading Room" section of the Board's website, which is accessible via www.trade.gov/ftz.

For further information, contact Maureen Hinman at maureen.hinman@trade.gov or (202) 482-0627.

Dated: March 30, 2010.
