**Proposed Project: The National Health Service Corps Loan Repayment Program (OMB No. 0915-0127)—Extension**

The National Health Service Corps (NHSC) Loan Repayment Program (LRP)

was established to assure an adequate supply of trained primary care health care professionals to provide services in the neediest Health Professional Shortage Areas (HPSAs) of the United States. Under this program, the Department of Health and Human Services agrees to repay the educational loans of the primary care health professionals. In return, the health professionals agree to serve for a specified period of time in a federally designated HPSA approved by the Secretary for LRP participants.
