

The subject matter of the Open Meeting will be:

*Item 1:* The Commission will consider whether to propose a large trader reporting requirement, pursuant to Section 13(h) of the Securities Exchange Act of 1934, which would require large traders to identify themselves to the Commission and require broker-dealers to maintain certain related transaction records.

*Item 2:* The Commission will consider whether to propose rule amendments regarding (a) prohibiting unfairly discriminatory terms that inhibit efficient access to quotations in a listed option on exchanges, and (b) placing limits on fees for the execution of an order against any quotation in an options series that is the best bid or best offer of an exchange.

At times, changes in Commission priorities require alterations in the scheduling of meeting items.

For further information and to ascertain what, if any, matters have been added, deleted or postponed, please contact:

The Office of the Secretary at (202) 551-5400.

Dated: April 7, 2010.

**Elizabeth M. Murphy,**  
Secretary.

## SECURITIES AND EXCHANGE COMMISSION

### Sunshine Act Meeting

Notice is hereby given, pursuant to the provisions of the Government in the Sunshine Act, Public Law 94-409, that the Securities and Exchange Commission will hold a Closed Meeting on Wednesday, April 14, 2010 at 3 p.m.

Commissioners, Counsel to the Commissioners, the Secretary to the Commission, and recording secretaries will attend the Closed Meeting. Certain staff members who have an interest in the matters also may be present.

The General Counsel of the Commission, or his designee, has certified that, in his opinion, one or more of the exemptions set forth in 5 U.S.C. 552b(c)(3), (5), (7), 9(B) and (10) and 17 CFR 200.402(a)(3), (5), (7), 9(ii) and (10), permit consideration of the scheduled matters at the Closed Meeting.

Commissioner Walter, as duty officer, voted to consider the items listed for the Closed Meeting in a closed session.

The subject matter of the Closed Meeting scheduled for Wednesday, April 14, 2010 will be:

Institution and settlement of injunctive actions;  
Institution and settlement of administrative proceedings;  
An adjudicatory matter;  
Litigation matters; and  
Other matters relating to enforcement proceedings.

At times, changes in Commission priorities require alterations in the scheduling of meeting items.

For further information and to ascertain what, if any, matters have been added, deleted or postponed, please contact:

The Office of the Secretary at (202) 551-5400.

Dated: April 6, 2010.

**Elizabeth M. Murphy,**  
Secretary.

## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-61831; File No. SR-NYSEArca-2010-20]

### Self-Regulatory Organizations; Notice of Filing and Immediate Effectiveness of Proposed Rule Change by NYSE Arca, Inc. Amending Commentary .05 to Rule 6.4 Series of Options for Trading

April 2, 2010.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on March 31, 2010 NYSE Arca, Inc. ("NYSE Arca" or the "Exchange") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

#### I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend Rule 6.4-Series of Options for Trading by adopting new provisions governing strike price intervals. The text of the proposed rule change is attached as Exhibit 5 to the 19b-4 form. A copy of this filing is available on the Exchange's

<sup>1</sup> 15 U.S.C. 78s(b)(1).

<sup>2</sup> 17 CFR 240.19b-4.

Web site at <http://www.nyse.com>, at the Exchange's principal office and at the Commission's Public Reference Room.

#### II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

##### A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

###### 1. Purpose

The purpose of the proposed rule change is to (i) add a provision to Rule 6.4 codifying the strike price intervals presently used by NYSE Arca for listed options, and (ii) create a provision that will allow for \$5 strike price intervals of options on Exchange Traded Funds Shares ("ETFs") where the strike price is over \$200.

Options traded on NYSE Arca are listed at strike price intervals of \$2.50 or greater where the strike price is less than \$25.00, \$5.00 or greater where the strike price is greater than \$25.00, and \$10.00 or greater where the strike price is greater than \$200.00. This listing convention for strike price intervals is the same as is presently in place at other U.S. option exchanges.<sup>3</sup> The Exchange now proposes to adopt new Rule 6.4(f) in order to codify these standards that are presently in use at NYSE Arca.

Commentary .05 to Rule 6.4-Series of Options Open for Trading states that strike price intervals of options on Exchanged-Traded Fund Shares will be \$1 or greater where the strike price of the underlying asset is \$200 or less. Most underlying ETF options trade for less than \$200 per share; therefore most series are priced at \$1 strike price intervals. However, some higher priced ETFs do have listed options series with strike prices over \$200.<sup>4</sup> NYSE Arca does not have a provision that allows ETF options to list and trade at \$5 strike

<sup>3</sup> See International Securities Exchange ("ISE") Rule 504(d) and NYSE Amex Rule 903 Commentary .05.

<sup>4</sup> As an example, ETF options trading under the symbols ILF, FXI, MDY and EEM all have listed strike prices greater than \$200.
