**FOR FURTHER INFORMATION CONTACT:** For further information contact Joe Incardine, National Project Manager, by telephone at (801) 524-3833; by mail at BLM Utah State Office, P.O. Box 45155, Salt Lake City, Utah 84145-0155; or by e-mail at [Joe\\_Incardine@blm.gov](mailto:Joe_Incardine@blm.gov).

**SUPPLEMENTARY INFORMATION:** The Proposed RMPA/Final EIS was prepared by the BLM in consultation with cooperating agencies, Tribes, and the public. UNEV is proposing to construct and operate a 400-mile long, 12-inch diameter refined liquid petroleum products pipeline that would originate in Woods Cross, Utah, with terminals northwest of Cedar City, Utah, and near Apex, Nevada. The southernmost 150 miles of the pipeline alignment would generally follow the existing Kern River pipeline corridor. Project elements would be located in Davis, Salt Lake, Tooele, Juab, Millard, Beaver, Iron, and Washington Counties in Utah; and Lincoln and Clark Counties in Nevada. The pipeline would also cross the Reservation of the Moapa Band of the Paiute Tribe in southern Nevada. Permanent facilities would include access roads to all above-ground structures (including valves, pipeline surface access points, and receiving equipment). Temporary facilities would include construction and equipment storage yards and extra workspace for pipe assembly.

The document proposes to amend the Pony Express Resource Management Plan so that it would be consistent with the grant of a right-of-way for a major pipeline. The proposed amendment would also establish a new utility corridor to accommodate a portion of the proposed pipeline right-of-way on lands administered by the BLM Salt Lake Field Office. The right-of-way would be 100-foot wide, 50 feet on either side of the centerline of the proposed pipeline. From Milepost 50 through the Tooele County-Juab County boundary, on BLM-administered lands only, the right-of-way would be within a newly established 3,960 feet wide (0.75 miles) corridor administered by the Salt Lake Field Office. The remainder of the right-of-way on BLM-administered lands would be consistent with the RMPs regulating activities on those lands so no other RMP amendments are needed. There are four Action Alternatives to the Proposed Action. These include the Airport,

Tooele County, Rush Lake, and Millard County Alternatives. Each of these alternatives would essentially re-route a portion of the Proposed Action alignment to address various resource concerns or to respond to local issues that were raised during public scoping.

The Preferred Alternative remains the same as identified in the Draft RMPA/Draft EIS published on December 19, 2008. The Preferred Alternative as identified by the BLM incorporates each of the alternative alignments identified for the Airport, Tooele County, Rush Lake, and Millard County Alternatives into the Proposed Action alignment. Comments on the Draft RMPA/Draft EIS received from the public and internal BLM review were considered and incorporated, as appropriate, into the Proposed RMPA/Final EIS. Public comments resulted in the addition of clarifying text, but did not significantly change proposed land use plan decisions.

Instructions for filing a protest with the Director of the BLM regarding the Proposed RMPA/Final EIS may be found in the "Dear Reader Letter" of the UNEV Liquid Petroleum Products Pipeline and Pony Express Proposed RMPA/Final EIS and at 43 CFR 1610.5-2. E-mail and faxed protests will not be accepted as valid protests unless the protesting party also provides the original letter by either regular or overnight mail postmarked by the close of the protest period. Under these conditions, the BLM will consider the e-mail or faxed protest as an advance copy and it will receive full consideration. If you wish to provide the BLM with such advance notification, please direct faxed protests to the attention of the BLM protest coordinator at (202) 912-7212, and e-mails to [Brenda\\_Hudgens-Williams@blm.gov](mailto:Brenda_Hudgens-Williams@blm.gov).

All protests, including the follow-up letter to e-mails or faxes, must be in writing and mailed to the appropriate address, as set forth in the **ADDRESSES** section above.

Before including your phone number, e-mail address, or other personal identifying information in your protest, you should be aware that your entire protest—including your personal identifying information—may be made publicly available at any time. While you can ask us in your protest to withhold your personal identifying information from public review, we

cannot guarantee that we will be able to do so.

**Authority:** 40 CFR 1506.6, 1506.10, 43 CFR 1610.2, and 1610.5-2.

### Bureau of Land Management

[CACA48668, 49501, 49502, 49503, LLCAD09000. L51010000. ER0000, LVRWB09B2400]

#### Notice of Availability of the Supplemental Draft Environmental Impact Statement for the Proposed Ivanpah Solar Electric Generation System Project, San Bernardino County, CA

**AGENCY:** Bureau of Land Management, Interior.

**ACTION:** Notice of availability.

**SUMMARY:** In accordance with the National Environmental Policy Act of 1969, as amended, the Bureau of Land Management (BLM) has prepared a Supplemental Draft Environmental Impact Statement (EIS) for the Proposed Ivanpah Solar Electric Generation System (ISEGS) Project and by this notice is announcing the opening of the comment period.

**DATES:** To ensure that comments will be considered, the BLM must receive written comments on the Supplemental Draft EIS within 45 days following the date the Environmental Protection Agency publishes its Notice of Availability of this Supplemental Draft EIS in the **Federal Register**. The BLM will announce future meetings or hearings and any other public involvement activities at least 15 days in advance through public notices, media releases, and/or mailings.

**ADDRESSES:** You may submit comments on issues related to the ISEGS Supplemental Draft EIS by any of the following methods:

- *E-mail:* [ca690@ca.blm.gov](mailto:ca690@ca.blm.gov) Attn: ISEGS.
- *Fax:* (760) 326-7099 Attn: George Meckfessel, or
- *Mail:* George Meckfessel, Planning and Environmental Coordinator, Bureau of Land Management, Needles Field

Office, 1303 South Highway 95, Needles, California 92363.

Documents pertinent to this proposal may be examined at the Needles Field Office at the above address.

**FOR FURTHER INFORMATION CONTACT:** For further information and/or to have your name added to our mailing list, contact Tom Hurshman, Project Manager, telephone: (970) 240-5345; address: Bureau of Land Management, 2465 South Townsend Avenue, Montrose, Colorado 81401; e-mail: [ca690@ca.blm.gov](mailto:ca690@ca.blm.gov) Attn: Ivanpah SEGS.

**SUPPLEMENTARY INFORMATION:** Bright Source Energy has applied for a right-of-way grant on public land to develop a 400-megawatt solar thermal power plant on approximately 4,073 acres of public land 4.5 miles south of Primm, Nevada in San Bernardino County, California. The BLM published a Notice of Availability of the Draft Ivanpah Solar Electric Generation System EIS and the Draft California Desert Conservation Area Plan Amendment in the **Federal Register** on November 10, 2009 (74 FR 58043). The Draft EIS was available for a 90-day public comment period which closed on February 11, 2010. This Supplemental Draft EIS analyzes two additional alternatives: (1) Reducing the footprint of the ISEGS in order to reduce impacts to sensitive plant and animal species; and (2) relocating a portion of the ISEGS closer to the Interstate 15 corridor. The Supplemental Draft EIS also clarifies the BLM's purpose and need for the project. The Supplemental Draft EIS does not address comments received on the Draft EIS other than those relevant to the above listed elements of the Supplemental Draft EIS. Comments on the Draft EIS that refer to issues other than the two alternatives listed above will be addressed in the ISEGS Final EIS. The Supplemental Draft EIS does not propose any changes to the proposed plan amendment to the California Desert Conservation Area Plan as outlined in the ISEGS Draft EIS.

Before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

**Authority:** 40 CFR 1506.6 and 1506.10 and 43 CFR 1610.2.

#### Notice of Filing of Plats of Survey; Montana

**AGENCY:** Bureau of Land Management, Interior.

**ACTION:** Notice of filing of plats of survey.

**SUMMARY:** The Bureau of Land Management (BLM) will file the plat of survey of the lands described below in the BLM Montana State Office, Billings, Montana, thirty (30) days from the date of publication in the **Federal Register**.

**FOR FURTHER INFORMATION CONTACT:** Randy Thomas, Cadastral Surveyor, Branch of Cadastral Survey, Bureau of Land Management, 5001 Southgate Drive, Billings, Montana 59101-4669, telephone (406) 896-5134 or (406) 896-5009.

**SUPPLEMENTARY INFORMATION:** This survey was executed at the request of the Superintendent, Fort Peck Agency, through the Rocky Mountain Regional Director, Bureau of Indian Affairs, and was necessary to determine boundaries of trust or tribal interest lands.

The lands we surveyed are:

#### Principal Meridian, Montana

T. 27 N., R. 42 E.

The plat, in 1 sheet(s), representing the corrective dependent resurvey of a portion of the south boundary, the dependent resurvey of a portion of the subdivisional lines, a portion of the subdivision of section 35, and the adjusted original meanders of the former left bank of the Missouri River, downstream, through section 35, the subdivision of section 35, and the survey of the meanders of the present left bank of the Missouri River, downstream, through section 35, Township 27 North, Range 42 East, Principal Meridian, Montana, was accepted April 6, 2010.

We will place a copy of the plat, in 1 sheet(s), and related field notes we described in the open files. They will be available to the public as a matter of information. If the BLM receives a protest against this survey, as shown on this plat, in 1 sheet(s), prior to the date of the official filing, we will stay the filing pending our consideration of the protest. We will not officially file this

plat, in 1 sheet(s), until the day after we have accepted or dismissed all protests and they have become final, including decisions or appeals.

**Authority:** 43 U.S.C. Chap. 3.

Dated: April 8, 2010.

**Michael T. Birtles,**

*Chief Cadastral Surveyor, Division of Resources.*
