

facility in Coralville, Iowa. Paper documents older than 12 months are stored at Iron Mountain secure storage facility. Documents are stored for three years after final contract payment. After the three-year period, documents are subsequently sent to the Federal Records Center for storage.

RETRIEVABILITY:

All individuals affiliated with authorized entities that have been granted access ("users of the SAIG, Participant Management System") to the Department's Title IV Federal Student Aid Systems whose information is included in this system of records have a unique user identification (ID) with a password. Records are retrieved by the names of the individual user and/or their unique system User ID.

SAFEGUARDS:

All users of the SAIG, Participation Management System will have a unique user ID with a password.

All physical access to the data housed at the Pearson location and within the VDC, and the locations of Department contractors where this system of records is maintained, is controlled and monitored by security personnel who check each individual entering the building for his or her employee or visitor badge.

The computer system employed by the Department offers a high degree of resistance to tampering and circumvention. This security system limits data access to Department and contract staff on a "need-to-know" basis, and controls individual users' ability to access and alter records within the system.

All interactions by users of the SAIG, Participation Management System are recorded.

RETENTION AND DISPOSAL:

Documents are stored for 3 years after a user of the SAIG, Participation Management System's individual enrollment account is terminated or closed. Thereafter, documents are sent to the Federal Records Center for storage. These records are covered by the General Records Schedule (GRS) 24, Item 6(a). The retention requirement is to destroy/delete the record 6 years after the user account is terminated or password is altered, or when no longer needed for investigative or security purposes, whichever is later.

SYSTEM MANAGER(S) AND ADDRESS:

Director, Application Processing Division, Program Management Systems, 830 First Street, NE., room 63C4, Union Center Plaza (UCP), Washington, DC 20202-5454.

NOTIFICATION PROCEDURE:

If you wish to determine whether a record exists regarding you in this system of records, you must provide the system manager your name, date of birth, and Social Security number. Requests for notification about whether the system of records contains information about an individual must meet the requirements of the Department's Privacy Act regulations at 34 CFR 5b.5, including proof of identity.

RECORD ACCESS PROCEDURES:

If you wish to gain access to a record in this system, you must contact the system manager and provide information as described in the Notification Procedures. Such requests must meet the requirements of the Department's Privacy Act regulations at 34 CFR 5b.5, including proof of identity.

CONTESTING RECORD PROCEDURES:

If you wish to contest or change the content of a record about you in the system of records, you must contact the system manager with the information described in the notification procedures. Requests to amend a record must meet the requirements of the Department's Privacy Act regulations at 34 CFR 5b.7.

RECORD SOURCE CATEGORIES:

Information in this system is obtained from the following entities: student financial aid administrators, postsecondary institutions, third-party servicers, lenders, guaranty agencies, State scholarship programs, States, LEAs, and secondary schools.

EXEMPTIONS CLAIMED FOR THE SYSTEM:

None.

Announcement of the Board of Trustees for the National Environmental Education Foundation

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: The National Environmental Education Foundation was created by Section 10 of Public Law 101-619, the National Environmental Education Act of 1990. It is a private 501(c)(3) non-profit organization established to promote and support education and training as necessary tools to further environmental protection and

sustainable, environmentally sound development. It provides the common ground upon which leaders from business and industry, all levels of government, public interest groups, and others can work cooperatively to expand the reach of environmental education and training programs beyond the traditional classroom. The Foundation supports a grant program that promotes innovative environmental education and training programs; it also develops partnerships with government and other organizations to administer projects that promote the development of an environmentally literate public. The Administrator of the U.S. Environmental Protection Agency, as required, by the terms of the Act, announces the following appointment to the National Environmental Education Foundation Board of Trustees. The appointee is Manuel Alberto Dim, a partner in the law firm Lydecker Dim, LLP.

FOR FURTHER INFORMATION CONTACT: For information regarding this Notice of Appointment, please contact Mr. Andrew Burnett, Director, Environmental Education Division, Office of Children's Health Protection and Environmental Education (1704A) U.S. EPA, 1200 Pennsylvania Avenue, NW., Washington, DC 20460. General information concerning NEEF can be found on their Web site at: <http://www.neefusa.org>.

SUPPLEMENTARY INFORMATION:

Additional Considerations: Great care has been taken to ensure that this new appointee not only has the highest degree of expertise and commitment, but also brings to the Board diverse points of view relating to environmental education. This appointment is a four-year term, which may be renewed for an additional four years pending successful re-election by the NEEF nominating committee.

This appointee will join the current Board members, which include:

- JL Armstrong (NEEF Vice Chair), National Manger, Toyota Motor Sales, USA, Inc.
- Raymond Ban, Executive Vice President, The Weather Channel.
- Holly Cannon, Principal, Beveridge and Diamond, P.C.
- Phillipe Cousteau, Co-Founder and CEO, EarthEcho International.
- Arthur Gibson (NEEF Chair), Vice President, Environment, Health and Safety, Baxter.
- Healthcare Corporation.
- Kenneth Olden, Chairman, Avon Foundation Scientific Advisory Board.
- Trish Silber, President, Aliniad Consulting Partners, Inc.

- Bradley Smith, Dean, Huxley College of the Environment, Western Washington University.

- Kenneth Strassner (NEEF Treasurer), Vice President, Global Environment, Safety.

- Regulatory and Scientific Affairs, Kimberly-Clark Corporation.

- Diane Wood (NEEF Secretary), President, National Environmental Education Foundation.

Background: Section 10(a) of the National Environmental Education Act of 1990 mandates a National Environmental Education Foundation. The Foundation is established in order to extend the contribution of environmental education and training to meeting critical environmental protection needs, both in this country and internationally; to facilitate the cooperation, coordination, and contribution of public and private resources to create an environmentally advanced educational system; and to foster an open and effective partnership among Federal, State and local government, business, industry, academic institutions, community-based environmental groups and international organizations.

The Foundation is a charitable and nonprofit corporation whose income is exempt from tax and donations to which are tax deductible to the same extent as those organizations listed pursuant to section 501(c) of the Internal Revenue Code of 1986. The Foundation is not an agency or establishment of the United States. The purposes of the Foundation are—

(A) Subject to the limitation contained in the final sentence of subsection (d) herein, to encourage, accept, leverage, and administer private gifts for the benefit of, or in connection with, the environmental education and training activities and services of the United States Environmental Protection Agency;

(B) To conduct such other environmental education activities as will further the development of an environmentally conscious and responsible public, a well-trained and environmentally literate workforce, and an environmentally advanced educational system;

(C) To participate with foreign entities and individuals in the conduct and coordination of activities that will further opportunities for environmental education and training to address environmental issues and problems involving the United States and Canada or Mexico.

The Foundation develops, supports, and/or operates programs and projects to educate and train educational and

environmental professionals, and to assist them in the development and delivery of environmental education and training programs and studies.

The Foundation has a governing Board of Directors (hereafter referred to in this section as 'the Board'), which consists of 13 directors, each of whom shall be knowledgeable or experienced in the environment, education and/or training. The Board oversees the activities of the Foundation and ensures that the activities of the Foundation are consistent with the environmental and education goals and policies of the Environmental Protection Agency and with the intents and purposes of the Act. The membership of the Board, to the extent practicable, represents diverse points of view relating to environmental education and training. Members of the Board are appointed by the Administrator of the Environmental Protection Agency.

Within 90 days of the date of the enactment of the National Environmental Education Act, and as appropriate thereafter, the Administrator will publish in the **Federal Register** an announcement of appointments of Directors of the Board. Such appointments become final and effective 90 days after publication in the **Federal Register**. The directors are appointed for terms of 4 years. The Administrator shall appoint an individual to serve as a director in the event of a vacancy on the Board within 60 days of said vacancy in the manner in which the original appointment was made. No individual may serve more than two consecutive terms as a director.

Dated: March 11, 2010.

Lisa P. Jackson,

Administrator.

Clean Water Act Section 303(d): Availability of One Total Maximum Daily Load (TMDL) in Arkansas

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice of availability.

SUMMARY: This notice announces the availability of the administrative record file for comment on one TMDL and the calculations for this TMDL prepared by EPA Region 6 for waters listed in the State of Arkansas under Section 303(d)

of the Clean Water Act (CWA). This TMDL was completed in response to the lawsuit styled *Sierra Club, et al. v. EPA, et al.*, No. LR-C-99-114.

DATES: Comments must be submitted in writing to EPA on or before May 19, 2010.

ADDRESSES: Comments on the TMDL should be sent to Ms. Diane Smith, Environmental Protection Specialist, Water Quality Protection Division, U.S. Environmental Protection Agency Region 6, 1445 Ross Ave., Dallas, TX 75202-2733, facsimile (214) 665-7373, or e-mail: smith.diane@epa.gov. For further information, contact Diane Smith at (214) 665-2145. Documents from the administrative record file for this TMDL are available for public inspection at this address as well. Documents from the administrative record file may be viewed at <http://www.epa.gov/region6/water/npdes/tmdl/index.htm>, or obtained by calling (214) 665-2145 or writing Ms. Smith at the above address. Please contact Ms. Smith to schedule an inspection.

FOR FURTHER INFORMATION CONTACT: Diane Smith at (214) 665-2145.

SUPPLEMENTARY INFORMATION: In 2000, five Arkansas environmental groups, the Sierra Club, Federation of Fly Fishers, Crooked Creek Coalition, Arkansas Fly Fishers, and Save our Streams (plaintiffs), filed a lawsuit in Federal Court against the EPA, styled *Sierra Club, et al. v. EPA, et al.*, No. LR-C-99-114. Among other claims, plaintiffs alleged that EPA failed to establish Arkansas TMDLs in a timely manner. EPA proposes this TMDL pursuant to a consent decree entered in this lawsuit.

EPA Seeks Comments on One TMDL

By this notice EPA is seeking comment on the following TMDL for waters located within the State of Arkansas:

Segment-reach	Waterbody name	Pollutant
11070208-901	Town Branch	Total Phosphorus

EPA requests that the public provide EPA with any significant water quality related data or information that may be relevant to the calculations for this TMDL. EPA will review all data and information submitted during the public comment period and revise the TMDL where appropriate. EPA will then forward the TMDL to the Arkansas Department of Environmental Quality (ADEQ). The ADEQ will incorporate the TMDL into its current water quality management plan.
