No warranty of any kind, expressed or implied, is given by the United States as to the title, physical condition, or potential uses of the parcels of land proposed for sale, and the conveyance will not be on a contingency basis. Through publication of this Notice of Realty Action, the BLM gives notice that these assumptions may not be endorsed or approved by units of local government. It is the buyer's responsibility to be aware of: (1) All applicable Federal, State, or local government laws, regulations and policies that may affect the subject parcels or its future uses, and (2) existing or prospective uses of nearby properties. When conveyed out of Federal ownership, the lands will be subject to any applicable laws, regulations, and policies of the applicable local government for proposed future uses. It will be the responsibility of the purchaser to be aware of those laws, regulations, and policies, and to seek any required local approvals for future uses. Buyers should also make themselves aware of any Federal or State law or regulation that

may impact the future use of the property. If any parcel lacks access from a public road or highway, it will be conveyed as such, and future access acquisition will be the responsibility of the buyer.
