

modern methodology alternative for counting fee-liable units. In addition, the Exchange believes that the proposed fee would allow entities that are most likely to take advantage of the proposed service to make an appropriate contribution towards meeting the overall costs of the Exchange's operations.

The Exchange notes that Nasdaq, NYSE and NYSE Amex already impose charges for services that are similar to the NYSE Arca Trades service and Nasdaq already imposes charges for services that are similar to the NYSE Arca BBO service. NYSE Arca anticipates NYSE and NYSE Arca will soon propose to establish fees for best-bid-and-offer services that are substantially similar to the NYSE Arca BBO service. Thus, the Exchange's proposed fees offer any vendor that wishes to provide its customers with a single market's last sale information or best-bid-and-offer information (as opposed to a more expensive consolidated last sale or quotation information service) an alternative to Nasdaq, NYSE and NYSE Amex.

B. Self-Regulatory Organization's Statement on Burden on Competition

The NYSE Arca BBO Service proposes to provide an alternative to existing services that the Participants make available under the CQ Plan. The proposed fees do not alter or rescind any existing fees. In addition, it amounts to a competitive response to the products that Nasdaq, NYSE and NYSE Amex make available or will soon make available. For those reasons, the Exchange does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange has discussed the proposed rules change with those entities that the Exchange believes would be the most likely to take advantage of the proposed NYSE Arca BBO Service by becoming NYSE Arca-Only Vendors. While those entities have not submitted formal, written comments on the proposal, the Exchange has incorporated some of their ideas into the proposal and the proposed rule change reflects their input. The Exchange has not received any unsolicited written comments from members or other interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the Exchange consents, the Commission will:

Self-Regulatory Organizations; NASDAQ OMX PHLX, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to Fees and Rebates for Adding and Removing Liquidity

April 16, 2010.

Pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on April 1, 2010, NASDAQ OMX PHLX, Inc. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The text of the proposed rule change is available on the Exchange's Web site at <http://nasdaqtrader.com/micro.aspx?id=PHLXfilings>, at the principal office of the Exchange, at the Commission's Public Reference Room, and at the Commission's Public

Reference Room, and on the Commission's Web site at <http://www.sec.gov>.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposed rule change is to amend the fees and rebates for adding and removing liquidity to clarify the applicability of these fees to Professionals in an electronic auction.

The Exchange recently amended its rules to give certain non-broker-dealer orders the same priority as broker-dealer orders.³ Also, the Exchange recently filed a proposed rule change to amend its Fee Schedule to adopt a new category of fees, "professional."⁴

The Exchange defines a "professional" as any person or entity that (i) is not a broker or dealer in securities, and (ii) places more than 390 orders in listed options per day on average during a calendar month for its own beneficial account(s) (hereinafter "Professional").⁵

The Exchange proposes to amend its fees and rebates for adding and removing liquidity, known as a "maker/taker" model in order that Professionals will not be assessed a charge for electronic auctions which include, without limitation, the Complex Order Live Auction ("COLA"), and Quote and Market Exhaust auctions. Currently, electronic auctions are free to Customers, Directed Participants, Specialists, ROTs, SQTs and RSQTs.

³ See Securities Exchange Act Release No. 61802 (March 30, 2010) (SR-Phlx-2010-05).

⁴ See SR-Phlx-2010-51 and SR-Phlx-2010-55.

⁵ A Professional will be treated in the same manner as an off-floor broker-dealer for purposes of Rules 1014(g)(except with respect to all-or-none orders, which will be treated like customer orders), 1033(e), 1064.02 (except professional orders will be considered customer orders subject to facilitation), and 1080.08 as well as Options Floor Procedure Advices B-6, B-11 and F-5. Member organizations must indicate whether orders are for professionals.

Firms and broker-dealers are assessed the appropriate charge for removing liquidity.

2. Statutory Basis

The Exchange believes that its proposal to amend its schedule of fees is consistent with Section 6(b) of the Act⁶ in general, and furthers the objectives of Section 6(b)(4) of the Act⁷ in particular, in that it is an equitable allocation of reasonable fees and other charges among Exchange members. The Exchange believes that Professionals should not be assessed the fees and rebates for adding and removing liquidity in electronic auctions as Specialists, ROTs, SQTs and RSQTs are not assessed such fees in electronic auctions.

The impact of the proposal upon the net fees paid by a particular market participant will depend on a number of variables, most important of which will be its propensity to add or remove liquidity in the underlying symbols. The Exchange operates in a highly competitive market in which market participants can readily direct order flow to another exchange if they deem fee levels at a particular exchange to be excessive. The Exchange believes that the proposed fees it charges for options overlying the various symbols remain competitive with fees charged by other exchanges and, therefore, continue to be reasonable and equitably allocated to those members that opt to direct orders to the Exchange rather than to a competing exchange.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act⁸ and paragraph (f)(2) of Rule 19b-4⁹ thereunder. At any time within 60 days of the filing of the

proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
