In order to measure the success of the grantee in meeting this goal, the CAP training grantee is required to conduct an evaluation of the training activities provided. In annual performance reports, the grantee is required to provide specific information on:

- The number of training activities;
- The topics of each training program;
- The number of participants served;
- The target groups represented by participants; and
- Summary data from participant evaluations.

In addition to the required quantitative data that must be collected and submitted each year, the grantee must also provide as part of the grantee's annual report to RSA a qualitative analysis of each year's training activities that assesses the activities in relation to the goal of enhancing the skills and knowledge of personnel currently employed by CAPs.

I. Funding Opportunity Description

Purpose of Program: The Rehabilitation Capacity Building for Traditionally Underserved Populations program provides financial assistance for projects that provide training, research, technical assistance, or related activities to improve services provided under the Rehabilitation Act of 1973, as amended (Act), especially services provided to individuals from minority backgrounds. Section 21 of the Act underscores the importance of increasing the participation of minority entities, as defined under section 21(b)(5) of the Act, in activities funded under the Act and enhancing their capacity to carry out these activities (29 U.S.C. 718).

Priorities: These priorities are from the notice of final priorities for this program, published in the **Federal Register** on May 9, 2002 (67 FR 31700). For the purposes of these priorities, a "minority entity" includes a Hispanic-serving institution whose Hispanic student enrollment is 25 percent or more of the institution's student population.

Absolute Priority: For FY 2010 and any subsequent year in which we make awards from the list of approved but

unfunded applicants from this competition, these priorities are absolute priorities. Under 34 CFR 75.105(c)(3) we consider only applications that meet these priorities.

(1) Provide outreach, capacity building, and technical assistance to minority entities and Indian Tribes to promote their participation in activities funded under the Act, including assistance to carry out those activities;

(2) Provide a variety of training and technical assistance activities, including grant writing workshops that focus on Rehabilitation Services Administration (RSA) and National Institute on Disability and Rehabilitation Research (NIDRR) discretionary grant programs, the peer review process, selection criteria, training on disability legislation (*i.e.*, Americans with Disabilities Act, Rehabilitation Act of 1973, as amended, *etc.*), and technical assistance to minority entities that are first-time recipients of grants funded under the Act in order to increase their ability to carry out their grants;

(3) Include an evaluation component based upon clear, specific performance and outcome measures; and

(4) Report the results of the evaluation in its annual performance report.

6. Other Submission Requirements

Applications for grants under this competition must be submitted electronically unless you qualify for an exception to this requirement in accordance with the instructions in this section.

a. Electronic Submission of Applications

Applications for grants under the Rehabilitation Capacity Building for Traditionally Underserved Populations program, CFDA Number 84.315C and D must be submitted electronically using e-Application, accessible through the Department's e-Grants Web site at: <http://e-grants.ed.gov>.

We will reject your application if you submit it in paper format unless, as described elsewhere in this section, you qualify for one of the exceptions to the electronic submission requirement and submit, no later than two weeks before the application deadline date, a written statement to the Department that you qualify for one of these exceptions. Further information regarding calculation of the date that is two weeks before the application deadline date is provided later in this section under *Exception to Electronic Submission Requirement*.

While completing your electronic application, you will be entering data online that will be saved into a database. You may not e-mail an electronic copy of a grant application to us.

Please note the following:

- You must complete the electronic submission of your grant application by 4:30:00 p.m., Washington, DC time, on the application deadline date. E-Application will not accept an application for this program after 4:30:00 p.m., Washington, DC time, on the application deadline date. Therefore, we strongly recommend that you do not wait until the application deadline date to begin the application process.

- The hours of operation of the e-Grants Web site are 6:00 a.m. Monday until 7:00 p.m. Wednesday; and 6:00 a.m. Thursday until 8:00 p.m. Sunday, Washington, DC time. Please note that, because of maintenance, the system is unavailable between 8:00 p.m. on Sundays and 6:00 a.m. on Mondays, and between 7:00 p.m. on Wednesdays and 6:00 a.m. on Thursdays, Washington, DC time. Any modifications to these hours are posted on the e-Grants Web site.

- You will not receive additional point value because you submit your application in electronic format, nor

will we penalize you if you qualify for an exception to the electronic submission requirement, as described elsewhere in this section, and submit your application in paper format.

- You must submit all documents electronically, including all information you typically provide on the following forms: the Application for Federal Assistance (SF 424), the Department of Education Supplemental Information for SF 424, Budget Information—Non-Construction Programs (ED 524), and all necessary assurances and certifications. You must attach any narrative sections of your application as files in a .DOC (document), .RTF (rich text), or .PDF (Portable Document) format. If you upload a file type other than the three file types specified in this paragraph or submit a password protected file, we will not review that material.

- Your electronic application must comply with any page limit requirements described in this notice.

- Prior to submitting your electronic application, you may wish to print a copy of it for your records.

- After you electronically submit your application, you will receive an automatic acknowledgment that will include a PR/Award number (an identifying number unique to your application).

- Within three working days after submitting your electronic application, fax a signed copy of the SF 424 to the Application Control Center after following these steps:

- Print SF 424 from e-Application.
- The applicant's Authorizing Representative must sign this form.
- Place the PR/Award number in the upper right hand corner of the hard-copy signature page of the SF 424.
- Fax the signed SF 424 to the Application Control Center at (202) 245-6272.

- We may request that you provide us original signatures on other forms at a later date.

Application Deadline Date Extension in Case of e-Application Unavailability:

If you are prevented from electronically submitting your application on the application deadline date because e-Application is unavailable, we will grant you an extension of one business day to enable you to transmit your application electronically, by mail, or by hand delivery. We will grant this extension if—

- You are a registered user of e-Application and you have initiated an electronic application for this competition; and

- (a) E-Application is unavailable for 60 minutes or more between the hours of 8:30 a.m. and 3:30 p.m., Washington,

DC time, on the application deadline date; or

(b) E-Application is unavailable for any period of time between 3:30 p.m. and 4:30:00 p.m., Washington, DC time, on the application deadline date.

We must acknowledge and confirm these periods of unavailability before granting you an extension. To request this extension or to confirm our acknowledgment of any system unavailability, you may contact either (1) the person listed elsewhere in this notice under **FOR FURTHER INFORMATION CONTACT** (see VII. Agency Contact) or (2) the e-Grants help desk at 1-888-336-8930. If e-Application is unavailable due to technical problems with the system and, therefore, the application deadline is extended, an e-mail will be sent to all registered users who have initiated an e-Application. Extensions referred to in this section apply only to the unavailability of e-Application.

Exception to Electronic Submission Requirement: You qualify for an exception to the electronic submission requirement, and may submit your application in paper format, if you are unable to submit an application through e-Application because—

- You do not have access to the Internet; or
- You do not have the capacity to upload large documents to e-Application; and
- No later than two weeks before the application deadline date (14 calendar days or, if the fourteenth calendar day before the application deadline date falls on a Federal holiday, the next business day following the Federal holiday), you mail or fax a written statement to the Department, explaining which of the two grounds for an exception prevents you from using the Internet to submit your application. If you mail your written statement to the Department, it must be postmarked no later than two weeks before the application deadline date. If you fax your written statement to the Department, we must receive the faxed statement no later than two weeks before the application deadline date.

If your application is postmarked after the application deadline date, we will not consider your application.
