CORPORATION FOR NATIONAL AND COMMUNITY SERVICE

2 CFR Part 2245

45 CFR Part 2545

RIN 3045-AA53

Implementation of OMB Guidance on Drug-Free Workplace Requirements

AGENCY: Corporation for National and Community Service.

ACTION: Final rule.

SUMMARY: The Corporation for National and Community Service (CNCS or the Corporation) is removing its regulation implementing the Government-wide common rule on drug-free workplace requirements for financial assistance, currently located within part 2545 of title 45 of the Code of Federal Regulations (CFR), and issuing a new regulation to adopt the Office of Management and Budget (OMB) guidance at 2 CFR part 182. This regulatory action implements the OMB's initiative to streamline and consolidate into one title of the CFR all federal regulations on drug-free workplace requirements for financial assistance. These changes constitute an administrative simplification that would make no substantive change in the Corporation's policy or procedures for drug-free workplace.

DATES: This final rule is effective on June 28, 2010 without further action. Submit comments by May 28, 2010 on any unintended changes this action makes in the Corporation's policies and procedures for drug-free workplace. All comments on unintended changes will be considered and, if warranted, the Corporation will revise the rule.

ADDRESSES: You may submit comments, identified by the title of this rulemaking, by either of the following methods:

(1) Electronically through the Federal government's one-stop rulemaking Web site at <http://www.regulations.gov>.

SUPPLEMENTARY INFORMATION:

Background

The Drug-Free Workplace Act of 1988 [Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701, *et seq.*] was enacted as a part of omnibus drug legislation on November 18, 1988. Federal agencies issued an interim final common rule to implement the act as it applied to grants [54 FR 4946, January 31, 1989]. The rule was a subpart of the Government-wide common rule on nonprocurement suspension and debarment. The agencies issued a final common rule after consideration of public comments [55 FR 21681, May 25, 1990].

The agencies proposed an update to the drug-free workplace common rule in 2002 [67 FR 3266, January 23, 2002] and finalized it in 2003 [68 FR 66534, November 26, 2003]. At that time, the updated common rule was redrafted in plain language and each agency relocated the drug-free workplace coverage to its own CFR part and removed it from the subpart in the suspension and debarment common rule. Based on an amendment to the drug-free workplace requirements in 41 U.S.C. 702 [Pub. L. 105-85, div. A, title VIII, Sec. 809, Nov. 18, 1997, 111 Stat. 1838], the update also allowed multiple enforcement options from which agencies could select, rather than requiring use of a certification in all cases.

When it established Title 2 of the CFR as the new central location for OMB guidance and agency implementing regulations concerning grants and agreements [69 FR 26276, May 11, 2004], OMB announced its intention to replace common rules with OMB

guidance that agencies could adopt in brief regulations. OMB began that process by proposing [70 FR 51863, August 31, 2005] and finalizing [71 FR 66431, November 15, 2006] Government-wide guidance on nonprocurement suspension and debarment in 2 CFR part 180.

As the next step in that process, OMB proposed for comment [73 FR 55776, September 26, 2008] and finalized [74 FR 28149, June 15, 2009] Government-wide guidance with policies and procedures to implement drug-free workplace requirements for financial assistance. The guidance requires each agency to replace the common rule on drug-free workplace requirements that the agency previously issued in its own CFR title with a brief regulation in 2 CFR adopting the Government-wide policies and procedures. One advantage of this approach is that it reduces the total volume of drug-free workplace regulations. A second advantage is that it collocates OMB's guidance and all of the agencies' implementing regulations in 2 CFR.

The Current Regulatory Actions

As the OMB guidance requires, the Corporation is taking two regulatory actions. First, we are removing the drug-free workplace common rule from 45 CFR part 2545. Second, to replace the common rule, we are issuing a brief regulation in 2 CFR part 2245 to adopt the Government-wide policies and procedures in the OMB guidance.

Invitation To Comment

Taken together, these regulatory actions are solely an administrative simplification and are not intended to make any substantive change in policies or procedures. In soliciting comments on these actions, we therefore are not seeking to revisit substantive issues that were resolved during the development of the final common rule in 2003. We are inviting comments specifically on any unintended changes in substantive content that the new part in 2 CFR would make relative to the common rule at 45 CFR part 2545.

Administrative Procedure Act

Under the Administrative Procedure Act (5 U.S.C. 553), agencies generally propose a regulation and offer interested parties the opportunity to comment before it becomes effective. However, as described in the "Background" section

of this preamble, the policies and procedures in this regulation have been proposed for comment two times—one time by federal agencies as a common rule in 2002 and a second time by OMB as guidance in 2008—and adopted each time after resolution of the comments received.

This direct final rule is solely an administrative simplification that would make no substantive change in the Corporation policy or procedures for drug-free workplace. We therefore believe that the rule is noncontroversial and do not expect to receive adverse comments, although we are inviting comments on any unintended substantive change this rule makes.

Accordingly, we find that the solicitation of public comments on this direct final rule is unnecessary and that “good cause” exists under 5 U.S.C. 553(b)(B) and 553(d) to make this rule effective on June 28, 2010 without further action, unless we receive adverse comment by May 28, 2010. If any comment on unintended changes is received, it will be considered and, if warranted, we will publish a timely revision of the rule.

SUPPLEMENTARY INFORMATION:

Background

Under the regulations in “Subpart-Fruits and Vegetables” (7 CFR 319.56 through 319.56-50, referred to below as the regulations), the Animal and Plant Health Inspection Service (APHIS) of the U.S. Department of Agriculture (USDA) prohibits or restricts the importation of fruits and vegetables into the United States from certain parts of the world to prevent plant pests from being introduced into and spread within the United States.

On April 21, 2009, we published in the **Federal Register** (74 FR 18161-18166, Docket No. APHIS-2008-0050) a proposal¹ to amend the regulations in § 319.56-25 to allow the importation of commercial consignments of fresh papayas from Colombia and Ecuador subject to a systems approach. Section 319.56-25 currently sets out conditions for the importation of papayas from Central America and Brazil; we
