**SUPPLEMENTARY INFORMATION:**

On July 1, 2009, the CIT remanded to the Department its decision to exclude dusted shrimp from the scope of the investigations, stating that the Department’s decision was unsupported by adequate reasoning and therefore contrary to law. *See Ad Hoc Shrimp Trade Action Committee, Versaggi Shrimp Corporation, and Indian Ridge Shrimp Company v. United States*, Slip Op. 09–69 (CIT 2009) (*Remand Opinion and Order*). Pursuant to the CIT’s remand instructions, the Department re-examined record evidence and considered whether dusted shrimp should be within the scope of the investigations.

The Department released the *Draft Results of Redetermination Pursuant to Court Remand (Draft Redetermination)* to the interested parties for comment on September 22, 2009. After receiving and considering the comments from interested parties, on October 29, 2009, the Department filed its final results of redetermination pursuant to the *Remand Opinion and Order* with the CIT. *See Final Results of Redetermination Pursuant to Court Remand*, Court No. 05–00192, (October 29, 2009) (*Final Redetermination*), found at <http://ia.ita.doc.gov/remands/09-69.pdf>. In the remand redetermination, the Department determined that dusted shrimp should properly be included within the scope of the *Shrimp AD Final Determinations* and *Shrimp AD Amended Finals and Orders*.<sup>3</sup> On April 14, 2010, the CIT affirmed all aspects of the Department’s remand redetermination.

<sup>3</sup> As is often the case, the amended final determinations and antidumping duty orders were written and published as one document. Thus, although the amended final determinations and orders may be referenced together as the *Shrimp AD Amended Finals and Orders*, only the scope of the *Shrimp AD Final Determinations* and subsequent amended final determinations are at issue in this remand determination.

In its decision in *Timken*, 893 F.2d at 341, the Federal Circuit held that, pursuant to section 516A(e) of the Tariff Act of 1930, as amended (“Act”), the Department must publish a notice of a court decision that is not “in harmony” with a Department determination, and must suspend liquidation of entries pending a “conclusive” court decision. As a result of the Department’s finding that dusted shrimp should properly be included within the scope of the *Shrimp AD Final Determinations* and *Shrimp AD Amended Finals and Orders*, the CIT’s decision in this case on April 14, 2010, constitutes a final decision of that court that is not in harmony with the Department’s final and amended final determinations of the original investigations. This notice is published in fulfillment of the publication requirements of *Timken*. Accordingly, the Department will continue the suspension of liquidation of the subject merchandise pending the expiration of the period of appeal or, if appealed, pending a final and conclusive court decision. In the event the CIT’s ruling is not appealed or, if appealed, upheld by the Federal Circuit, the Department will instruct U.S. Customs and Border Protection to collect cash deposits for entries of dusted shrimp.

This notice is issued and published in accordance with section 516A(c)(1) of the Act.

Dated: April 22, 2010.

**SUPPLEMENTARY INFORMATION:****Background**

At the request of interested parties, on September 22, 2009, the Department published in the **Federal Register** a notice of initiation of this antidumping duty administrative review. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 74 FR 48224 (September 22, 2009). The review covers the period August 1, 2007, through July 31, 2008. The preliminary results for this administrative review are currently due no later than May 10, 2010.

**Extension of Time Limits for Preliminary Results**

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department to complete the preliminary results of an administrative review within 245 days after the last day of the anniversary month of an order for which a review is requested. In this case, we note the deadline for completion of this administrative review has been extended by an additional seven days because of hazardous weather. See February 12, 2010 Memorandum, "Tolling of Administrative Deadlines As a Result of the Government Closure During the Recent Snowstorm." However, if it is not practicable to complete the review within this time period, section 751(a)(3)(A) of the Act allows the Department to extend the 245 day time period for the preliminary results up to a maximum of 365 days.

The Department has determined it is not practicable to complete this review within the statutory time limit because we require additional time to gather and analyze information relating to both Foshan Shunde's and Since Hardware's factors of production, and to verify Foshan Shunde's and Since Hardware's questionnaire responses. Accordingly, the Department is extending the time limits for completion of the preliminary results of this administrative review until no later than September 7, 2010, which is 365 days from the last day of the anniversary month of this order, plus the seven-day extension for hazardous weather. We intend to issue the final results in this review no later than 120 days after publication of the preliminary results.

This notice is issued and published in accordance with sections 751(a)(3)(A) and 777(i) of the Act.

Dated: February 21, 2010.
