

discussion of the specific procedures, equipment, and conditions required for the commercial manufacture of the pesticide chemical shall not be incorporated into the product chemistry portion of the Registration Eligibility Decision (RED) document; however, this information will be summarized in referenced memoranda, in appendices labeled "Confidential." The data mentioned in this unit will be used to perform tasks 1–4 of the Performance Work Statement.

The OPP has determined that access by Versar, Inc. and its subcontractor, Syracuse Research Corporation, to information on all pesticide chemicals is necessary for the performance of this contract.

Some of this information may be entitled to confidential treatment. The information has been submitted to EPA under sections 3, 4, 6, and 7 of FIFRA and under sections 408 and 409 of FFDCA.

In accordance with the requirements of 40 CFR 2.307(h)(2), the contract with Versar, Inc. and its subcontractor, Syracuse Research Corporation, prohibits use of the information for any purpose not specified in the contract; prohibits disclosure of the information to a third party without prior written approval from the Agency; and requires that each official and employee of the contractor sign an agreement to protect the information from unauthorized release and to handle it in accordance with the *FIFRA Information Security Manual*. In addition, Versar, Inc. and its subcontractor, Syracuse Research Corporation, are required to submit, for EPA approval, a security plan under which any CBI will be secured and protected against unauthorized release or compromise. No information will be provided to Versar, Inc. and its subcontractor, Syracuse Research Corporation, until the requirements in this document have been fully satisfied. Records of information provided to Versar, Inc. and its subcontractor, Syracuse Research Corporation, will be maintained by EPA's Project Officers for this contract. All information supplied to Versar, Inc. and its subcontractor, Syracuse Research Corporation, by EPA for use in connection with this contract will be returned to EPA when Versar, Inc. and its subcontractor, Syracuse Research Corporation, have completed their work.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Designation of a Class of Employees for Addition to the Special Exposure Cohort

AGENCY: National Institute for Occupational Safety and Health (NIOSH), Department of Health and Human Services (HHS).

ACTION: Notice.

SUMMARY: HHS gives notice of a decision to designate a class of employees of Area IV of the Santa Susana Field Laboratory as an addition to the Special Exposure Cohort (SEC) under the Energy Employees Occupational Illness Compensation Program Act of 2000. On April 5, 2010, the Secretary of HHS designated the following class of employees as an addition to the SEC:

All employees of the Department of Energy, its predecessor agencies, and their contractors and subcontractors who worked in any area of Area IV of the Santa Susana Field Laboratory from January 1, 1959 through December 31, 1964, for a number of work days aggregating at least 250 work days, occurring either solely under this employment or in combination with work days within the parameters established for one or more other classes of employees included in the Special Exposure Cohort.

This designation will become effective on May 5, 2010, unless Congress provides otherwise prior to the effective date. After this effective date, HHS will publish a notice in the **Federal Register** reporting the addition of this class to the SEC or the result of

any provision by Congress regarding the decision by HHS to add the class to the SEC.
