Outer Continental Shelf (OCS) Mid-Atlantic Proposed Oil and Gas Lease Sale 220 and Geological and Geophysical Exploration (G&G) on the Mid- and South Atlantic OCS

AGENCY: Minerals Management Service (MMS), Interior.

ACTION: Notice of public scoping meetings and extension of scoping period to prepare an Environmental Impact Statement (EIS) for proposed Mid-Atlantic Oil and Gas Lease Sale 220 and notice of new combined scoping meeting for proposed Lease Sale 220 EIS and the Programmatic Environmental Impact Statement (PEIS) for Future Industry G&G Activity on the Mid- and South Atlantic OCS.

SUMMARY: This Notice serves to announce two actions, including: (1) The reopening of the public scoping period for proposed Lease Sale 220 in the Mid-Atlantic Planning Area for an additional 45 days and providing notice of the public scoping meeting dates and locations for this proposed sale; and (2) announcing an additional and separate scoping meeting on May 12, 2010, in Norfolk, Virginia which will solicit public input on both the proposed Lease Sale 220 and the G&G PEIS on the Mid- and South Atlantic OCS. This Notice does not extend the public scoping period for the G&G PEIS on the Mid- and South Atlantic OCS. The scoping period for that PEIS ends on May 17, 2010 (*see* 75 FR 16830).

Pursuant to the regulations implementing the procedural provisions of the National Environmental Policy

Act of 1969, as amended (42 U.S.C. 4321 *et seq.* [1988]) (NEPA), MMS will reopen the comment period on the EIS for proposed Lease Sale 220 for a period of 45 days from the date of this **Federal Register** notice. Proposed Lease Sale 220 is in the Mid-Atlantic Planning Area and is included in the current 5-Year Program for 2007–2012. Public scoping meetings will be held during this 45-day period to solicit useful information that will assist us in preparing an EIS to evaluate potential environmental effects of proposed Lease Sale 220. The MMS has planned three scoping meetings in May 2010 to provide opportunity for public comment and participation as part of the public process for proposed Lease Sale 220.

The public scoping period for the G&G PEIS on the Mid- and South Atlantic OCS ends on May 17, 2010, and scoping meetings for that PEIS were announced in the **Federal Register** on April 2, 2010 (75 FR 16830). Pursuant to the regulations implementing the procedural provisions of NEPA, MMS will hold an additional and separate public scoping meeting on May 12, 2010, in Norfolk, Virginia, which will solicit public input on both the proposed Lease Sale 220 and the G&G PEIS on the Mid- and South Atlantic OCS. All other public meetings announced in the April 2, 2010 **Federal Register** notice for the G&G PEIS on the Mid- and South Atlantic OCS will proceed as planned. Further, the public should follow instructions in 75 FR 16830 for submitting written comments on the G&G PEIS on the Mid- and South Atlantic OCS in lieu of attending the May 12, 2010 public scoping meeting.

DATES: Comments on the proposed Lease Sale 220 should be submitted no later than 45 days from the publication of this notice to the addresses specified below. The MMS estimates completion of the proposed Lease Sale 220 EIS in late 2011. Comments on the G&G PEIS on the Mid- and South Atlantic OCS should be submitted no later than May 17, 2010, according to instructions provided in 75 FR 16830.

Comments: In lieu of participation in the scoping meetings listed below, all interested parties, including Federal, state, and local government agencies and the general public, may submit written comments on the scope of the proposed Lease Sale 220 EIS, significant issues that should be addressed, alternatives that should be considered, and the types of oil and gas activities of interest in the Lease Sale 220 area. These comments must be submitted no later than 45 days from the publication

of this notice to the addresses specified below.

Scoping comments for the proposed Lease Sale 220 may be submitted in one of the following two ways:

1. In written form enclosed in an envelope labeled “Scoping for Proposed Lease Sale 220” and mailed (or hand delivered) to Gary D. Goeke, Chief, Environmental Assessment Section, Leasing and Environment (MS 5410), Minerals Management Service, Gulf of Mexico OCS Region, 1201 Elmwood Park Boulevard, New Orleans, Louisiana 70123–2394; or

2. Electronically to the MMS e-mail address: sale220@mms.gov.

If you submitted comments during the scoping period between November 13, 2008, and January 13, 2009, they will be combined with submittals received during the scoping period announced today. You need not comment again, unless you have additional information to provide. The submission of written comments on the G&G PEIS on the Mid- and South Atlantic OCS should follow the instructions provided in 75 FR 16830 and should be submitted no later than May 17, 2010.

The MMS does not consider anonymous comments; please include your name and address as part of your submittal. Our practice is to make comments, including names and addresses of respondents, available for public review during regular business hours. Individual respondents may request that we withhold their address from the public record, which we will honor to the extent allowable by law. There may also be circumstances in which we would withhold a respondent’s identity, as allowable by law. If you wish us to withhold your name and/or address, you must state your preference prominently at the beginning of your comment. We will make all submissions from organizations or businesses and from individuals identifying themselves as representatives or officials of organizations or businesses available for public inspection in their entirety.
