ACTION: Notice of closed meetings.

SUMMARY: Notice is hereby given that the Agricultural Policy Advisory Committee for Trade (APAC) and the Agricultural Technical Advisory Committees for Trade (ATACs) will hold closed meetings on May 6, 2010.

The advisory committees are administered by the U.S. Department of Agriculture and the Office of the United States Trade Representative (USTR). USTR has determined that public access to the meetings would seriously compromise the development by the U.S. government of trade policy priorities, negotiating objectives, or bargaining positions with respect to the operation of trade agreements and other matters arising in connection with the development, implementation, and administration of the trade policy of the United States. Topics will include Doha Round negotiations in the World Trade Organization (WTO), WTO accession negotiations, and negotiations in bilateral and regional free trade agreements.

The ATACs are comprised of six committees covering the following commodity sectors: Animals and Animal Products; Fruits and Vegetables; Grains, Feed and Oilseeds; Processed Foods; Sweeteners and Sweetener Products and Tobacco; Peanuts and Planting Seeds. These committees address the technical aspects of issues and provide advice to the benefit of the Secretary of Agriculture and the USTR.

The committees meet at the call of the Secretary of Agriculture and the USTR through the respective Designated Federal Officers depending on the level of activity in trade agreement negotiations and/or other matters

concerning the administration of trade policy, the needs of the Secretary of Agriculture and the USTR, and the activity of the technical-level committees.

Anyone wanting further information regarding this request for nominations may contact the designated federal official: Steve Sherwood, Recreation RAC DFO, 740 Simms Street, Golden, CO 80401 or 303-275-5135.

SUPPLEMENTARY INFORMATION:

Background: The Federal Lands Recreation Enhancement Act (REA), signed December 2004, requires that the Forest Service and the BLM provide Recreation RACs with an opportunity to make recommendations to the two agencies on certain types of proposed recreation fee changes. REA allows the agencies to use existing advisory councils, such as BLM Resource Advisory Councils (RACs), or to establish new committees as appropriate. The Forest Service and BLM elected to jointly use existing BLM RACs in the states of Arizona, Idaho, the Dakotas, Montana, Nevada, New Mexico, and Utah. In 2006, the Forest Service chartered new Recreation RACs for the states of California and Colorado, and for the Forest Service Pacific Northwest, Eastern and Southern Regions. The Forest Service is using an existing advisory board for the Black Hills National Forest in South Dakota. In addition, the Governors of three states—Alaska, Nebraska and Wyoming—requested that their State be exempt from the REA-R/RAC requirement, and the two Departments concurred with the exemptions. Members were appointed to the Colorado Recreation RAC in July 2007 for either two-year or three-year terms. The Recreation RACs provide recreation fee recommendations to both the Forest Service and the BLM. These committees make recreation fee program recommendations on implementing or eliminating standard amenity fees; expanded amenity fees; and noncommercial, individual special recreation permit fees; expanding or limiting the recreation fee program; and fee-level changes.

Recreation RAC Composition: Each Recreation RAC consists of 11 members appointed by the Secretary. REA provided flexibility to modify the specified membership of the RAC "as appropriate" to ensure a fair and balanced representation of recreation interests.
