SUPPLEMENTARY INFORMATION:

Background

On February 18, 1986, President Reagan issued Executive Order 12549, (3 CFR, 1986 Comp., 189 51 FR 6370), to establish a governmentwide debarment and suspension system covering the full range of Federal procurement and nonprocurement activities, and to establish procedures for debarment and suspension from participation in Federal nonprocurement programs. Section 6 of the Executive Order authorized OMB to issue guidelines to Executive departments and agencies that govern which program and activities are covered by the Executive Order, prescribe Governmentwide criteria and Governmentwide minimum due process procedures, and set forth other related details for the effective administration of the guidelines. Section 3 directed agencies to issue implementing

regulations that are consistent with OMB guidelines. Pursuant to the Executive Order, on February 21, 1986 OMB published initial guidelines for nonprocurement debarment and suspension that applies to grants, cooperative agreements and similar transactions. Under this system, a person who is debarred or suspended is excluded from federal financial and nonfinancial assistance and benefits under federal programs and activities. Debarment or suspension of a participant in a program by one agency is registered with the GSA-maintained Excluded Parties List System and has government-wide, reciprocal effect on that participant's ability to obtain procurement and nonprocurement contracts.

After notice and comment by the public, EAC will adopt the OMB regulations found in 2 CFR part 180. To adopt these regulations, 2 CFR 180.25 requires federal agencies to address certain agency specific elements. The following regulations fulfill this requirement EAC's proposed regulations state what contracts are covered under this policy, identify the official authorized to grant exceptions to an excluded persons list, and state the person responsible for communicating requirements to both first and second tier program participants.

In general, the proposed regulation gives the authority over debarment and suspension to the Contracting Officer. In the event of a vacancy or conflict of interest by the contracting officer, the debarment and suspension official will be the Chief Financial Officer. Covered transactions include all agency nonprocurement transactions, first-tier contracts and subcontracted funded by the EAC in excess of \$25,000 or 30 percent of the value of the first-tier transaction, whichever is lesser. EAC is also providing covered individuals a right to request a reconsideration of a debarment action. In this process, an individual having received a disposition of the debarment action may submit to the Contracting Officer any newly discovered material evidence; proof of a reversal of the conviction or civil judgment upon which the debarment was based; a bona fide change in ownership or management; elimination of other causes for which the debarment or suspension was imposed; or other reasons the debarring official finds

appropriate. By default, elements not addressed in the agency specific regulations will be covered by the government-wide sections in the Common Rule.

Regulatory Analysis

A. Executive Order 12866

EAC is an independent agency and is not subject to Executive Order 12866.

This regulatory action will not have a significant adverse impact on a substantial number of small entities.

Unfunded Mandates Act of 1995

§ 5800.20 Does this part apply to me?

This part and, through this part, pertinent portions of the OMB guidance in Subparts A through I of 2 CFR part (see table at 2 CFR 180.100(b)) apply to you if you are a—

For any section of OMB guidance in Subparts A through I of 2 CFR 180 that has no corresponding section in this part, Commission policies and procedures are those in the OMB guidance.

The Commission's Contracting Officer has the authority to grant an exception to let an excluded person participate in a covered transaction, as provided in the OMB guidance at 2 CFR 180.135.

Subpart B—Covered Transactions**§ 5800.220 What contracts and subcontracts, in addition to those listed in 2 CFR 180.220, are covered transactions?**

Pursuant to 2 CFR 180.220(c), the Commission extends coverage of nonprocurement suspension and debarment requirements beyond first-tier procurement contracts to include any subcontract to be funded by the Commission, the value of which is expected to equal to or exceed \$25,000 or 30% of the value of first-tier transaction, whichever is lesser.

§ 5800.765 May I ask the suspending official to reconsider a decision to suspend me?

Yes. Within 30 days of receiving a final notice of suspension, you may make a written request for the suspending official to reconsider your suspension.

§ 5800.875 May I ask the debarring official to reconsider a decision to debar me?

Yes. Within 30 days of receiving a final notice of debarment, you may make a written request for the debarring official to reconsider your debarment pursuant to § 5800.880. The disposition of your request for reconsideration; or the result of your appeal; shall be considered a final agency action.

§ 5800.880 What factors may influence the debarring official during reconsideration?

The debarring official may reduce or terminate your debarment based on:

- (a) Newly discovered material evidence;
- (b) A reversal of the conviction or civil judgment upon which your debarment was based;
- (c) A bona fide change in ownership or management;

§ 5800.890 How may I appeal my debarment?

(a) If the Commission debarring official issues a decision under 2 CFR 180.870 to debar you after you present information in opposition to a proposed debarment under § 180.815, you may ask for review of the debarring official's decision in two ways:

(1) You may ask the debarring official under § 875 to reconsider the decision for material errors of fact or law that you believe will change the outcome of the matter; or

(2) You may request a review by the EAC's debarment appeals body (DAP), which is composed of the Executive Director, Chief Financial Officer, and Chief Operating Officer. The DAP will review your appeal and make a determination on whether to sustain or reverse the decision of the debarring official. The DAP will then make a recommendation to the EAC Commissioners who will vote by circulation on whether to accept or reject the recommendation of the DAP. A request to review the debarring official's decision to debar you must be made within 30 days of your receipt of the debarring official's decision under § 180.870 or paragraph (a)(1) of this section. However, the DAP may recommend to the EAC Commissioners that the debarring official's decision be reversed, based on a majority vote of the DAP, only where the DAP finds that the decision is based on a clear error of material fact or law, or where DAP finds that the debarring official's decision was arbitrary, capricious, or an abuse of discretion. You may appeal the

debarment official's decision without requesting reconsideration, or you may appeal the decision of the debarring official on reconsideration.

(b) A request for review under this section must be in writing; prominently state on the envelope or other cover and at the top of the first page "Debarment Appeal;" state the specific findings you believe to be in error; and include the reasons or legal bases for your position. The appeal request should be delivered or addressed to the U.S. Election Assistance Commission, 1201 New York Avenue, NW., Suite 300, Washington, DC 20005.

(c) After the circulation vote of the EAC Commissioners has been certified, either the Commission debarring official or the DAP must notify you of their decision under this section, in writing, using the notice procedures set forth at §§ 180.615 and 180.975.

(e) Nothing in this part prohibits the EAC from delegating the appeal review process to another Federal agency through a memorandum of understanding or interagency agreement.

Subparts E through H—[Reserved]**Subpart I—Definitions****§ 5800.930 Debarring official.**

For the Commission, the debarring official for all nonprocurement transactions is the Commission's Contracting Officer. In the case of a vacancy in the position of the Contracting Officer, the alternate debarring official is the Chief Financial Officer.

While the Commission treats all payments made to states under 42 U.S.C. 15301, 15302 and 15401 as grants, this part does not apply to grants made to states and political subdivisions therein.
