NBSAC has 21 members: Seven representatives of State officials responsible for State boating safety programs, seven representatives of recreational boat manufacturers and associated equipment manufacturers,

and seven representatives of national recreational boating organizations and the general public. Members are appointed by the Secretary of the Department of Homeland Security.

The Council meets at least twice each year at a location selected by the Coast Guard. It may also meet for extraordinary purposes. Subcommittees or working groups may also meet to consider specific problems.

We will consider applications for seven positions that expire or become vacant on December 31, 2010:

- Three representatives of recreational boat and associated equipment manufacturers; and
- Two representatives of the general public or national recreational boating organizations.
