SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549-0213.

Extension:

Rule 31; SEC File No. 270-537; OMB Control No. 3235-0597.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget a request for extension of the previously approved collection of information discussed below.

Section 31 of the Securities Exchange Act of 1934 (15 U.S.C. 78ee.) ("Exchange

Act") requires the Commission to collect fees and assessments from national securities exchanges and national securities associations (collectively, "self-regulatory organizations" or "SROs") based on the volume of their securities transactions. To collect the proper amounts, the Commission adopted Rule 31 (17 CFR 240.31) and Form R31 (17 CFR 249.11) under the Exchange Act whereby the SROs must report to the Commission the volume of their securities transaction and the Commission, based on that data, calculates the amount of fees and assessments that the SROs owe pursuant to Section 31. Rule 31 and Form R31 require the SROs to provide this data on a monthly basis.

The Commission estimates that each respondent makes 12 such filings on an annual basis at an average hourly burden of approximately 1.47 hours per response. Currently, there are 16 respondents. However, based on past experience, the Commission is estimating an increase to 18 respondents, including 13 national securities exchanges, two security futures exchanges, and one national securities association subject to the collection of information requirements of Rule 31 and two registered clearing agencies are required to provide certain data in their possession needed by the SROs to complete Form R31. The Commission estimates that the total burden for all 18 respondents is 318 hours (12 filings/respondent per year \times 1.47 hours/filing \times 18 respondents = 317.52, rounded to 318 hours) per year.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549-0213.

Extension: Rule 248.30; SEC File No. 270-549; OMB Control No. 3235-0610.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (the "Commission") has submitted to the Office of Management and Budget a request for extension of the previously approved collection of information discussed below.

Rule 248.30 (17 CFR 248.30) under Regulation S-P, is titled "Procedures to Safeguard Customer Records and Information; Disposal of Consumer Report Information." Rule 248.30 (the "safeguard rule") requires brokers, dealers, investment companies, and investment advisers registered with the Commission ("registered investment advisers") (collectively "covered institutions") to adopt written policies and procedures for administrative, technical, and physical safeguards to protect customer records and information. The safeguards must be reasonably designed to "insure the security and confidentiality of customer records and information," "protect against any anticipated threats or hazards to the security and integrity" of those records, and protect against unauthorized access to or use of those records or information, which "could result in substantial harm or inconvenience to any customer." The safeguard rule's requirement that covered institutions' policies and procedures be documented in writing constitutes a collection of information and must be maintained on an ongoing basis. This requirement eliminates uncertainty as to required employee actions to protect customer records and information and promotes more systematic and organized reviews of safeguard policies and procedures by institutions. The information collection also assists the Commission's examination staff in assessing the

existence and adequacy of covered institutions' safeguard policies and procedures.

We estimate that as of the end of 2009, there are 5253 broker-dealers, 4522 investment companies, and 11,450 investment advisers currently registered with the Commission, for a total of 21,225 covered institutions. We expect that all of these covered institutions have already documented their safeguard policies and procedures in writing and therefore will incur no hourly burdens related to the initial documentation of policies and procedures.

However, we expect that approximately 10 percent of the 21,225 covered institutions currently registered with the Commission will review and update their policies and procedures each year, for a total of 2123 covered institutions that will spend time to update their policies and procedures. The amount of time spent reviewing and updating safeguard policies and procedures is likely to vary widely, based on the size of the entity, the complexity of its operations, and any significant changes in the security environment. We estimate that it will take a typical covered institution that reviews and updates its safeguard policies and procedures approximately 20 hours to complete such a review and document the results, for a total hourly burden for all institutions of 42,460 hours.

Although existing covered institutions would not incur any initial hourly burden in complying with the safeguards rule, we expect that newly registered institutions would incur some hourly burdens associated with documenting their safeguard policies and procedures. We estimate that approximately 1500 broker-dealers, investment companies, or investment advisers register with the Commission annually. However, we also expect that approximately 70% of these newly registered covered institutions (1050) are affiliated with an existing covered institution, and will rely on an organization-wide set of previously documented safeguard policies and procedures created by their affiliates. We estimate that these affiliated newly registered covered institutions will incur a significantly reduced hourly burden in complying with the safeguards rule, as they will need only to review their affiliate's existing policies and procedures, and identify and adopt the relevant policies for their business. Therefore, we expect that newly registered covered institutions with existing affiliates will incur an hourly burden of approximately 15

hours in identifying and adopting safeguard policies and procedures for their business, for a total hourly burden for all affiliated new institutions of 15,750 hours.

Finally, we expect that the 450 newly registered entities that are not affiliated with an existing institution will incur a significantly higher hourly burden in reviewing and documenting their safeguard policies and procedures. We expect that virtually all of the newly registered covered entities that do not have an affiliate are likely to be small entities and are likely to have smaller and less complex operations, with a correspondingly smaller set of safeguard policies and procedures to document, compared to other larger existing institutions with multiple affiliates. We estimate that it will take a typical newly registered unaffiliated institution approximately 65 hours to review, identify, and document their safeguard policies and procedures, for a total of 29,250 hours for all newly registered unaffiliated entities.

Therefore, we estimate that the total annual hourly burden associated with the safeguards rule is 87,460 hours. We also estimate that all covered institutions will be respondents each year, for a total of 21,225 respondents.

These estimates of average burden hours are made solely for the purposes of the Paperwork Reduction Act. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid control number. The safeguard rule does not require the reporting of any information or the filing of any documents with the Commission. The collection of information required by the safeguard rule is mandatory.

Please direct general comments regarding the above information to the following persons: (i) Desk Officer for the Securities and Exchange Commission, Office of Management and Budget, Room 10102, New Executive Office Building, Washington, DC 20503 or send an e-mail to Shagufta Ahmed at Shagufta_Ahmed@omb.eop.gov; and (ii) Charles Boucher, Director/CIO, Securities and Exchange Commission, C/O Shirley Martinson, 6432 General Green Way, Alexandria, VA 22312; or send an e-mail to: PRA_Mailbox@sec.gov. Comments must be submitted to OMB within 30 days of this notice.

Deputy Secretary.

SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon Written Request, Copies Available

From: Securities and Exchange Commission, Office of Investors Education and Advocacy, Washington, DC 20549-0213.

Extension:

Rule 605 of Regulation NMS; SEC File No. 270-488; OMB Control No. 3235-0542

Rule 606 of Regulation NMS; SEC File No. 270-489; OMB Control No. 3235-0541.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget requests for approval of extension of the existing collections of information for the following rules: Rule 605 and Rule 606 (17 CFR 242.605 and 17 CFR 242.606) (formerly Rule 11Ac1-5 and Rule 11Ac1-6) under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*) ("Exchange Act").

Rule 605 of Regulation NMS,¹ formerly known as Rule 11Ac1-5, requires market centers to make available to the public monthly order execution reports in electronic form. The Commission believes that many market centers retain most, if not all, the underlying raw data necessary to generate these reports in electronic format. Once the necessary data is collected, market centers could either program their systems to generate the statistics and reports, or transfer the data to a service provider (such as an independent company in the business of preparing such reports or a self-regulatory organization ("SRO") that would generate the statistics and reports.

The collection of information obligations of Rule 605 apply to all market centers that receive covered orders in national market system securities. The Commission estimates that approximately 408 market centers are subject to the collection of

¹ Regulation NMS, adopted by the Commission in June 2005, redesignated the national market system rules previously adopted under Section 11A of the Exchange Act. Rule 11Ac1-5 under the Exchange Act was redesignated Rule 605 of Regulation NMS, and Rule 11Ac1-6 under the Exchange Act was redesignated Rule 606 of Regulation NMS. No substantive amendments were made to Rule 605 and Rule 606 of Regulation NMS. See Securities Exchange Act Release No. 51808 (June 9, 2005), 70 FR 37496 (June 29, 2005).
