

VI. Provisions for Disposition of Existing Stocks

Existing stocks are those stocks of registered pesticide products which are currently in the United States and which were packaged, labeled, and released for shipment prior to the effective date of the cancellation action. The existing stocks provision for the pesticides subject to this order is as follows.

The registrants may continue to sell and distribute existing stocks of products listed in Table 1 until May 11, 2011, which is 1 year after the publication of the Cancellation Order in the **Federal Register**. Thereafter, the registrants are prohibited from selling or distributing products listed in Table 1, except for export in accordance with section 17 of FIFRA, or proper disposal. Persons other than the registrant may sell, distribute, or use existing stocks of products listed in Table 1 until existing stocks are exhausted, provided that such sale, distribution, or use is consistent with the terms of the previously approved labeling on, or that accompanied, the canceled products.
