

average of the cash deposit rates calculated for the companies selected for individual review pursuant to section 735(c)(5)(B) of the Act.

For those companies for which this review has been preliminarily rescinded, the Department intends to assess antidumping duties at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(2), if the review is rescinded for these companies. The Department intends to issue appropriate assessment instructions directly to CBP 15 days after publication of this notice.

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided for by section 751(a)(2)(C) of the Act: (1) For the exporters listed above, the cash deposit rate will be established in the final results of this review (except, if the rate is zero or *de minimis*, i.e., less than 0.5 percent, no cash deposit will be required for that company); (2) for previously investigated or reviewed PRC and non-PRC exporters not listed above that have separate rates, the cash deposit rate will continue to be the exporter-specific rate published for the most recent period; (3) for all PRC exporters of subject merchandise which have not been found to be entitled to a separate rate, the cash deposit rate will be the PRC-wide rate of 228.11 percent; and (4) for all non-PRC exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the PRC exporters that supplied that non-PRC exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This determination is issued and published in accordance with sections

751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.221(b)(4).

Dated: May 7, 2010.

Ronald K. Lorentzen,

Deputy Assistant Secretary for Import Administration.

SUPPLEMENTARY INFORMATION: The U.S. Secretary of Commerce and the Iraqi Minister of Trade established the Dialogue as a bilateral forum to facilitate private sector business growth in Iraq and to strengthen trade and investment ties between the United States and Iraq. During Former Secretary of Commerce Carlos M. Gutierrez's visit to Iraq in July 2006, he joined Iraq's former Minister of Trade Dr. Abd-al-Falah al-Sudani in signing the Joint Statement on Commercial Cooperation, which formally established the Dialogue.

The U.S. Secretary of Commerce and the Iraqi Minister of Trade co-chair the Dialogue. The Dialogue consists of a U.S. Section and an Iraqi Section. Each Section consists of members from the private sector, representing the views

and interests of the private sector business community. Each Party appoints the members to its respective Section. The Sections provide policy advice and counsel to the U.S. Secretary of Commerce and to Iraq's Minister of Trade that reflect private sector views, needs, and concerns regarding private sector business development in Iraq and enhanced bilateral commercial ties that would form the basis for expanded trade between the United States and Iraq. The Dialogue will exchange information and encourage bilateral discussions that address the following areas:

- Factors that affect the growth of private sector business in Iraq, including disincentives to trade and investment and regulatory obstacles to job creation and investment growth;
- Initiatives that the Government of Iraq might take, such as enacting, amending, enforcing, or repealing laws and regulations, to promote private sector business growth in Iraq;
- Promotion of business opportunities in both Iraq and the United States, and identification of opportunities for U.S. and Iraqi firms to work together; and
- Attracting U.S. businesses to opportunities in Iraq and serving as a catalyst for Iraqi private sector growth.

Applications to represent any sector will be considered. The U.S. section will represent a cross-section of American businesses.

Members serve in a representative capacity representing the views and interests of their particular industries. Members are not special government employees, and receive no compensation for their participation in Dialogue activities. Only appointed members may participate in Dialogue meetings; substitutes and alternates will not be permitted. Section members serve for three-year terms, but may be reappointed. U.S. Section members serve at the discretion of the Secretary of Commerce.

The U.S. Department of Commerce is currently seeking candidates for ten membership positions on the U.S. Section of the Dialogue. Candidates will be evaluated based on: their interest in the Iraqi market; export/investment experience; contribution to diversity based on size of company, geographic location, and sector; and ability to initiate and be responsible for activities in which the Business Dialogue will be active.

In order to be eligible for membership in the U.S. section, potential candidates shall be:

- A U.S. citizen residing in the United States, or able to travel to the United States or other location to attend official Business Dialogue meetings;
- The President or CEO (or comparable level of responsibility) of a private sector company, or, in the case of large companies, a person having substantial responsibility for the company's commercial activities in Iraq, either of which shall possess unique experience with or specialized knowledge about the commercial environment in Iraq; or the head of a non-profit entity, such as a trade or industry association, who possesses unique technical expertise, and the ability to provide counsel with respect to private sector business development in Iraq; and
- Not a registered foreign agent under the Foreign Agents Registration Act of 1938, as amended.

Members will be selected on the basis of who best will carry out the objectives of the Business Dialogue as described above and as stated in the Terms of Reference for the Dialogue. (The Terms of Reference are available from the point of contact listed above.) Recommendations for appointment will be made to the Secretary of Commerce. All candidates will be notified of whether they have been selected.
