

compliance may only be achieved by submission of the data/information described in Table 2 of Unit II.

V. Status of Products that Become Suspended

Your product will remain suspended, however, until the Agency determines you are in compliance with the requirements which are the bases of this notice and so informs you in writing.

After the suspension becomes final and effective, the registrant(s) subject to this notice, including all supplemental registrants of product(s) listed in Table 1 of Unit II., may not legally distribute, sell, use, offer for sale, hold for sale, ship, deliver for shipment, or receive and (having so received) deliver or offer to deliver, to any person, the product(s) listed in Table 1 of Unit II. Persons other than the registrant(s) subject to this notice, as defined in the preceding sentence, may continue to distribute, sell, use, offer for sale, hold for sale, ship, deliver for shipment, or receive and (having so received) deliver or offer to deliver, to any person, the product(s) listed in Table 1 of Unit II. Nothing in this notice authorizes any person to distribute, sell, use, offer for sale, hold for sale, ship, deliver for shipment, or receive and (having so received) deliver or offer to deliver, to any person, the product(s) listed in Table 1 of Unit II. in any manner which would have been unlawful prior to the suspension.

If the registration(s) for your product(s) listed in Table 1 of Unit II. are currently suspended as a result of failure to comply with another FIFRA section 3(c)(2)(B) Data Call-In notice or Section 4 Data Requirements notice, this notice, when it becomes a final and effective order of suspension, will be in addition to any existing suspension, i.e., all requirements which are the bases of the suspension must be satisfied before the registration will be reinstated.

It is the responsibility of the basic registrant to notify all supplementary registered distributors of a basic registered product that this suspension action also applies to their supplementary registered products. The basic registrant may be held liable for violations committed by their distributors.

Any questions about the requirements and procedures set forth in this notice or in the subject FIFRA section 3(c)(2)(B) Data Call-In notice, should be addressed to the person listed under **FOR FURTHER INFORMATION CONTACT**.

VI. What is the Agency's Authority for Taking this Action?

The Agency's authority for taking this action is contained in sections 3(c)(2)(B) and 6(f)(2) of FIFRA, 7 U.S.C. 136 *et seq.*

List of Subjects

Environmental protection, Pesticides and pests.

Dated: May 7, 2010.

Richard P. Keigwin, Jr.,

*Director, Pesticide Re-evaluation Division,
Office of Pesticides Programs.*

Science Advisory Board Staff Office; Notification To Convene Workgroups of Experts for Rapid Advice on Scientific and Technical Issues Related to the Gulf of Mexico Oil Spill

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: The EPA Science Advisory Board (SAB) Staff Office announces it's intent to convene workgroups of experts drawn from the U.S. EPA SAB to provide rapid advice on scientific and technical issues related to the Gulf of Mexico oil spill.

FOR FURTHER INFORMATION CONTACT: Members of the public who wish to obtain information about the rapid consultative advice process and projects may contact Dr. Anthony F. Maciorowski, Deputy Director, Science Advisory Board Staff Office, by telephone at (202) 343-9983; by e-mail at maciorowski.anthony@epa.gov; or by mail at the U.S. EPA, Science Advisory Board (1400F), 1200 Pennsylvania Avenue, NW., Washington, DC 20460.

SUPPLEMENTARY INFORMATION: The SAB was established by 42 U.S.C. 4365 to provide independent scientific and technical advice, consultation, and recommendations to the EPA Administrator on the technical basis for Agency positions and regulations. The SAB Staff Office anticipates that the EPA will request rapid advice on an array of scientific and technical issues from nationally recognized scientists and engineers under the auspices of the SAB. This advice will assist the Agency in developing and implementing timely and scientifically appropriate responses to oil spill contamination in the Gulf of Mexico and along the Gulf Coast.

Workgroup members will be invited to serve based on: Their scientific and technical expertise, knowledge, and experience; availability and willingness to serve; absence of financial conflicts of interest; and scientific credibility and impartiality. Due to critical mission and schedule requirements, there is insufficient time to provide the full 15 days notice in the **Federal Register** prior to advisory meetings, pursuant to the final rule on Federal Advisory Committee Management codified at 41 CFR 102-3.150. Therefore, information on the workgroup consultations will be posted on the SAB Web site at <http://www.epa.gov/sab> as they are available.

Dated: May 13, 2010.

Vanessa T. Vu,

Director, EPA Science Advisory Board Staff Office.
