[Docket No. APHIS-2008-0017]

RIN 0579-AC77

#### Importation of Tomatoes From Souss-Massa-Draa, Morocco; Technical Amendment

**AGENCY:** Animal and Plant Health Inspection Service, USDA.

**ACTION:** Final rule; technical amendment.

**SUMMARY:** In a final rule published in the *Federal Register* on November 2, 2009, and effective on December 2, 2009, we amended the fruits and vegetables regulations to allow the importation of commercial consignments of tomatoes from the Souss-Massa-Draa region of Morocco into the United States. However, we incorrectly referred to the national plant protection organization of Morocco as the Moroccan Ministry of Agriculture's Division of Plant Protection, Inspection, and Enforcement when it was recently changed to the National Office of Food Safety. The National Office of Food Safety is also responsible for export certification inspection and issuance of phytosanitary certificates rather than the Moroccan Ministry of Agriculture, Fresh Product Export. In order to prevent confusion, we are replacing all references to the Moroccan Ministry of Agriculture's Division of Plant Protection, Inspection, and Enforcement and the Moroccan Ministry of Agriculture, Fresh Product Export with the phrase "national plant protection organization of Morocco."

**EFFECTIVE DATE:** May 20, 2010.

**FOR FURTHER INFORMATION CONTACT:** Ms. Charisse Cleare, Project Coordinator,

Regulations, Permits, and Manuals, PPQ, APHIS, 4700 River Road Unit 156, Riverdale, MD 20737-1231; (301) 734-0773.

**SUPPLEMENTARY INFORMATION:** In a final rule published in the *Federal Register* on November 2, 2009 (74 FR 56523-56526, Docket No. APHIS-2008-0017), and effective on December 2, 2009, we amended the regulations in "Subpart—Fruits and Vegetables" (7 CFR 319.56-1 through 319.56-50) to allow the importation of commercial shipments of tomatoes from the Souss-Massa-Draa region of Morocco subject to a systems approach similar to that which is already in place in that section for tomatoes imported into the United States from other areas within Morocco. These conditions, which we established in § 319.56-28, require, among other things, that the Moroccan Ministry of Agriculture's Division of Plant Protection, Inspection, and Enforcement (DPVCTRF) inspect and monitor production sites, and set and maintain Mediterranean fruit fly traps during the tomato shipping season. In addition, the Moroccan Ministry of Agriculture, Fresh Product Export (EACCE), is responsible for export certification, inspection, and issuance of phytosanitary certificates. However, since publication of the final rule, we have learned that the Moroccan Ministry of Agriculture has undergone a reorganization and that DPVCTRF has been replaced by the National Office of Food Safety. In order to prevent confusion, we are replacing all references to DPVCTRF and EACCE with the phrase "national plant protection organization of Morocco."

## DEPARTMENT OF STATE

### 22 CFR Part 22

[Public Notice: 7018]

RIN 1400-AC57

#### **Schedule of Fees for Consular Services, Department of State and Overseas Embassies and Consulates**

**AGENCY:** Bureau of Consular Affairs, State.

**ACTION:** Interim final rule.

**SUMMARY:** Further to the Department’s proposed rule to amend the Schedule of Fees for Consular Services (Schedule) for nonimmigrant visa and border crossing card application processing fees, this rule raises from \$131 to \$140 the fee charged for the processing of an application for most non-petition-based nonimmigrant visas (Machine-Readable Visas or MRVs) and adult Border Crossing Cards (BCCs). The rule also provides new tiers of the application fee for certain categories of petition-based nonimmigrant visas and treaty trader and investor visas (all of which are also MRVs). Finally, the rule increases the \$13 BCC fee charged to Mexican citizen minors who apply in Mexico, and whose parent or guardian already has a BCC or is applying for one, by raising that fee to \$14 by virtue of a congressionally mandated surcharge that went into effect in 2009. The Department of State is adjusting the fees to ensure that sufficient resources are available to meet the costs of providing consular services in light of an

independent cost of service study’s findings that the U.S. Government is not fully covering its costs for the processing of these visas under the current cost structure. Eighty-one comments were received during the period for public comment, and this rule also addresses a comment received about a prior change to the MRV fee implemented on January 1, 2008. This rule addresses comments received thus far, and reopens the comment period on these fees for an additional 60 days.

**DATES: Effective Date:** This interim final rule becomes effective June 4, 2010.

**Comment date:** Written comments must be received on or before July 19, 2010.

#### **SUPPLEMENTARY INFORMATION:**

##### **Background**

The Department published a proposed rule in the **Federal Register**, 74 FR 66076, on December 14, 2009, proposing to amend 22 CFR 22.1. Specifically, the rule proposed changes to the Schedule of Fees for Consular Services for nonimmigrant visa and border crossing card application processing fees, and provided 60 days for comments from the public. In response to requests by the public for more information and a further opportunity to submit comments, the Department subsequently published a supplementary notice in the **Federal Register**, 75 FR 14111, on March 24, 2010 (Public Notice 6928). The supplementary notice provided a more detailed explanation of the Cost of Survey Study (CoSS), the activity-based costing model that the Department used to determine the proposed fees for consular services, and reopened the comment period for an additional 15 days. During this and the previous 60-
