

rule) that imposes substantial direct requirement costs on State and local governments, preempts State law, or otherwise has federalism implications. The Secretary has reviewed this IFR in accordance with Executive Order 13132 regarding federalism, and has determined that it does not have "federalism implications." This rule would not "have substantial direct effects on the States, or on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government."

F. Unfunded Mandates Reform Act of 1995

Title II of the Unfunded Mandates Reform Act of 1995 (Pub. L. 104-4) requires cost-benefit and other analyses before any rulemaking if the rule includes a "Federal mandate that may result in the expenditure by State, local, and Tribal governments, in the aggregate, or by the private sector, of \$100,000,000 or more (adjusted annually for inflation) in any 1 year." The current inflation adjusted statutory threshold is approximately \$130 million. The Department has determined that this rule would not constitute a significant rule under the Unfunded Mandates Reform Act, because it would impose no mandates.

In accordance with the provisions in Executive Order 12866, this IFR was reviewed by OMB.

FEDERAL MARITIME COMMISSION

46 CFR Part 501, 502, and 535

[Docket No. 10-04]

RIN 3072-AC37

Agency Reorganization and Delegations of Authority

AGENCY: Federal Maritime Commission.

ACTION: Final rule.

SUMMARY: The Federal Maritime Commission (FMC or Commission) amends its regulations relating to agency organization to reflect the reorganization of the agency that took effect January 31, 2010, and to delegate authority to certain FMC bureaus and offices in order to improve the FMC's ability to carry out its statutory responsibilities over the ocean shipping industry in a more responsive manner to the industry's changing needs. This rule also corrects typographical errors in two sections in the Commission's rules.

DATES: Effective May 26, 2010.

FOR FURTHER INFORMATION CONTACT: Rebecca A. Fenneman, Deputy General

Counsel, Federal Maritime Commission, 800 North Capitol Street, NW., Washington, DC 20573, (202) 523-5740, *GeneralCounsel@fmc.gov*.

SUPPLEMENTARY INFORMATION: The FMC amends Part 501 and § 502.604 of Part 502 of Title 46 of the Code of Federal Regulations to reflect the reorganization of the agency that took effect on January 31, 2010. The FMC was reorganized by restoring the position of the Managing Director to serve as the Commission's Chief Operating Officer responsible for the management and coordination of the Commission's major organizational components to ensure all offices are cohesively directed toward achieving fair and efficient ocean transportation that helps improve the nation's economy. The reorganization also gives heightened priority to the role of the Commission's Office of Consumer Affairs and Dispute Resolution Services (CADRS), which assists exporters and other consumers and works with the public and ocean transportation industry to mediate disputes without costly lawsuits. The Director of CADRS will serve as the Commission's Ombudsman and handle inquiries and complaints about industry issues and Commission services. CADRS will continue to provide the public and ocean transportation industry a variety of impartial, speedy, and confidential alternative dispute resolution (ADR) services, such as mediation and arbitration. As an independent office, it will be able to assist parties in a neutral and confidential manner, enabling disputants to discuss matters while knowing that their discussions and any information revealed in a dispute resolution proceeding will not be made available to any other Commission official or staff members. This rule also corrects typographical errors in § 501.41(a) of Part 501 and § 535.401(g) of Part 535.

Because the changes made in this proceeding only address internal agency operating procedure and organization, which do not require notice and public procedure pursuant to the Administrative Procedure Act, 5 U.S.C. 553, this rule is published as final. The Chairman of the Commission certifies, pursuant to section 605(b) of the Regulatory Flexibility Act, 5 U.S.C. 601 *et seq.*, that the rule will not, if promulgated, have a significant economic impact on a substantial number of small entities.

This rule is not a "major rule" under 5 U.S.C. 804(2).
