

meaning of 23 U.S.C. 139(1)(1). This action relates to an approval of a proposed highway project corridor.

DATES: By this notice, the FHWA is advising the public of final agency actions subject to 23 U.S.C. 139(1)(1). A claim seeking judicial review of the Federal agency actions on the highway Project will be barred unless the claim is filed on or before November 22, 2010. If the Federal law that authorizes judicial review of a claim provides a time period of less than 180 days for filing such claim, then that shorter time period still applies.

FOR FURTHER INFORMATION CONTACT: Gary Sweeten, North Team Leader, Local Agency Programs, Federal Highway Administration, 650 Capitol Mall, #4-100, Sacramento, CA 95814, weekdays between 7 a.m. and 4 p.m., telephone (916) 498-5128, gary.sweeten@dot.gov, or John Webb, Chief, Office of Environmental Services, California Department of Transportation (Caltrans), 703 B Street, Marysville, CA 95901, (530) 741-4393, john.webb@dot.ca.gov, or Celia McAdam, Executive Director, Placer County Transportation Planning Agency (PCTPA), 299 Nevada Street, Auburn, CA 95603, (530) 823-4030, cmcadam@pctpa.net.

SUPPLEMENTARY INFORMATION: Notice is hereby given that the FHWA and other Federal agencies have taken final agency actions by issuing approvals for the Placer Parkway Corridor Preservation Project—Tier 1 in the State of California. The FHWA has selected the Alternative 5 Corridor with a no access buffer zone for the future Placer Parkway project in south Sutter County and southwestern Placer County, California. The selection of a corridor will allow for the protection of the corridor and the facilitation of land use and circulation planning by local agencies. FHWA based its decision on the Final Tier I Environmental Impact Statement/Program Environmental Impact Report (EIS/EIR) and Final Tier 1 Section 4(f) Evaluation (November 2009) and its supporting studies. With the adoption of this Record of Decision (ROD) by FHWA, Caltrans and Local Transportation Agencies will use the Tier 1 EIS/EIR and its supporting studies to proceed with the identification and environmental analysis of project level design and operational alternatives, with the knowledge that the overall project location has been approved.

Actions by the Federal agencies and the laws under which such actions were taken are described in the Final Tier 1 EIS/EIR for the project. The ROD was

approved on May 7, 2010. The Final Tier 1 EIS/EIR and other documents in the FHWA administrative record file are available by contacting the FHWA, Caltrans, or the PCTPA at the addresses provided above. This notice applies to all Federal agency decisions as of the issuance date of this notice and all laws under which such actions were taken, including but not limited to:
