SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-62175; File No. SR-MSRB-2010-03]

Self-Regulatory Organizations; Municipal Securities Rulemaking Board; Notice of Filing of Proposed Rule Change Relating to Amendments to the Continuing Disclosure Service of the MSRB's Electronic Municipal Market Access System (EMMA®)

May 26, 2010.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Exchange Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on May 20, 2010, the Municipal Securities Rulemaking Board (the "MSRB") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the MSRB. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The MSRB has filed with the Commission a proposed rule change to amend the continuing disclosure service of the MSRB's Electronic Municipal Market Access system ("EMMA") to provide for the posting of credit rating information on the EMMA public Web site. The MSRB has requested an effective date for the proposed rule change of a date to be announced by the MSRB in a notice published on the MSRB Web site, which date shall be no later than nine months after Commission approval of the proposed rule change and shall be announced no later than five (5) business days prior to the effective date.

The text of the proposed rule change is available on the MSRB's Web site at <http://www.msrb.org/msrb1/sec.asp>, at the MSRB's principal office, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the MSRB included statements concerning the purpose of and basis for the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The MSRB has prepared summaries, set forth in Sections A, B and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The proposed rule change would amend the EMMA continuing disclosure service to provide for the posting of credit rating information on the EMMA public Web site. If and to the extent that one or more Nationally Recognized Statistical Rating Organization ("NRSRO") has agreed to provide credit rating and related information regarding municipal securities to the MSRB, at no charge, through an automated data feed for dissemination on the EMMA Web site, the EMMA Web site would display such credit rating and related information along with any documents and identifying information relating to the applicable municipal security otherwise displayed on the EMMA Web site. Currently, such other documents or information may include official statements, advance refunding documents, continuing disclosure documents, transaction price data, interest rate reset information, and identifying information relating to a specific municipal security.

Credit rating and related information normally will be posted within 15 minutes of successful transmission to the MSRB during the hours of 8:30 a.m. to 6 p.m. Eastern time on an MSRB business day, and any such information successfully transmitted outside of the MSRB's normal business hours will be posted as soon as practicable. The MSRB shall have no obligation to supplement, modify or confirm credit rating and related information received by it through an NRSRO's automated data feed based on information available from any other source, including but not limited to any such information made publicly available by an NRSRO by any means other than its automated data feed.

The MSRB requests an effective date for the proposed rule change of a date to be announced by the MSRB in a

notice published on the MSRB Web site, which date shall be no later than nine months after Commission approval of the proposed rule change and shall be announced no later than five (5) business days prior to the effective date.

2. Statutory Basis

The MSRB has adopted the proposed rule change pursuant to Section 15B(b)(2)(C) of the Exchange Act, which provides that MSRB's rules shall:

be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in municipal securities, to remove impediments to and perfect the mechanism of a free and open market in municipal securities, and, in general, to protect investors and the public interest.

The inclusion of credit rating and related information provided by NRSROs agreeing to provide such information for display on the EMMA Web site would serve to promote the statutory mandate of the MSRB to protect investors and the public interest. Although credit rating information is just one of many factors to consider in making an investment decision and in evaluating the credit worthiness and value of existing municipal securities holdings, the proposed rule change would make such information more easily accessible on an equal basis to all participants in the municipal securities market, including in particular retail investors in municipal securities who do not normally have access to information services customarily used by professional market participants.

B. Self-Regulatory Organization's Statement on Burden on Competition

The MSRB does not believe the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Exchange Act. Credit ratings and related information provided on the EMMA Web page would be available to all persons simultaneously. Any credit rating and related information of an NRSRO would be displayed on the EMMA Web site only with the agreement of such NRSRO to such use of its information. The MSRB believes that the benefits realized by the investing public from the broader and easier availability of credit rating and related information provided by NRSROs, including in particular retail investors in municipal securities who do not normally have access to information services customarily used

by professional market participants, would justify any potentially negative impact on such existing information services from the display of credit rating and related information on the EMMA Web site.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

Written comments were neither solicited nor received on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding, or (ii) as to which the self-regulatory organization consents, the Commission will:

(A) By order approve the proposed rule change, or

(B) Institute proceedings to determine whether the proposed rule change should be disapproved.

The MSRB has requested an effective date for the proposed rule change of a date to be announced by the MSRB in a notice published on the MSRB Web site, which date shall be no later than nine months after Commission approval of the proposed rule change and shall be announced no later than five (5) business days prior to the effective date.
