

situation and thereby support risk management decisions designed to protect public health.

II. How to Submit Comments to the Docket at <http://www.regulations.gov>

Submit your comments, identified by Docket ID No. EPA-HQ-ORD-2010-0396, by one of the following methods:

- <http://www.regulations.gov>: Follow the on-line instructions for submitting comments.

- *E-mail*: ORD.Docket@epa.gov.

- *Facsimile*: 202-566-1753.

- *Mail*: Office of Environmental Information (OEI) Docket (Mail Code: 2822T), U.S. Environmental Protection Agency, 1200 Pennsylvania Ave., NW., Washington, DC 20460. The telephone number is 202-566-1752. If you provide comments by mail, please submit one unbound original with pages numbered consecutively, and three copies of the comments. For attachments, provide an index, number pages consecutively with the comments, and submit an unbound original and three copies.

- *Hand Delivery*: The OEI Docket is located in the EPA Headquarters Docket Center, EPA West Building, Room 3334, 1301 Constitution Ave., NW., Washington, DC. The EPA Docket Center Public Reading Room is open from 8:30 a.m. to 4:30 p.m., Monday through Friday, excluding legal holidays. The telephone number for the Public Reading Room is 202-566-1744. Deliveries are only accepted during the Public Reading Room's normal hours of operation, and special arrangements should be made for deliveries of boxed information. If you provide comments by hand delivery, please submit one unbound original with pages numbered consecutively, and three copies of the comments. For attachments, provide an index, number pages consecutively with the comments, and submit an unbound original and three copies.

Instructions: Direct your comments to Docket ID No. EPA-HQ-ORD-2010-0396. Please ensure that your comments are submitted within the specified comment period. Comments received after the closing date will be marked "late," and may only be considered if time permits. It is EPA's policy to include all comments it receives in the public docket without change and to make the comments available online at <http://www.regulations.gov>, including any personal information provided, unless comments include information claimed to be Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Do not submit information that you consider to be CBI or otherwise protected through [http://](http://www.regulations.gov)

www.regulations.gov or e-mail. The <http://www.regulations.gov> website is an "anonymous access" system, which means that EPA will not know your identity or contact information unless you provide it in the body of your comments. If you send e-mail comments directly to EPA without going through <http://www.regulations.gov>, your e-mail address will be automatically captured and included as part of the comments that are placed in the public docket and made available on the Internet. If you submit electronic comments, EPA recommends that you include your name and other contact information in the body of your comments and with any disk or CD-ROM you submit. If EPA cannot read your comments due to technical difficulties and cannot contact you for clarification, EPA may not be able to consider your comments. Electronic files should avoid the use of special characters and any form of encryption and be free of any defects or viruses. For additional information about EPA's public docket, visit the EPA Docket Center homepage at <http://www.epa.gov/epahome/dockets.htm>.

Docket: All documents in the docket are listed in the <http://www.regulations.gov> index. Although listed in the index, some information is not publicly available, e.g., CBI or other information whose disclosure is restricted by statute. Certain other material, such as copyrighted material, will be publicly available only in hard copy. Publicly available docket materials are available either electronically at <http://www.regulations.gov> or in hard copy at the OEI Docket in the EPA Headquarters Docket Center.

Dated: May 25, 2010.

Rebecca Clark,

Acting Director, National Center for Environmental Assessment.

Science Advisory Board Staff Office; Notification of Two Public Teleconferences of the SAB Trichloroethylene (TCE) Review Panel

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: The EPA Science Advisory Board (SAB) Staff Office announces two public teleconferences of the SAB

Trichloroethylene (TCE) Review Panel to conduct a follow-up discussion of its review of EPA's *Toxicological Review of Trichloroethylene in Support of Summary Information on the Integrated Risk Information System (IRIS)*, External Review Draft.

DATES: There will be a public teleconference on June 24, 2010 from 12:30 to 4:30 p.m. (Eastern Daylight Time) and another public teleconference on August 5, 2010 from 9 to 11:30 a.m. (Eastern Daylight Time).

ADDRESSES: The teleconferences will be conducted by phone only.

FOR FURTHER INFORMATION CONTACT: Any member of the public wishing to obtain information concerning the public teleconferences may contact Dr. Holly Stallworth, Designated Federal Officer (DFO), EPA Science Advisory Board Staff Office (1400F), U.S. Environmental Protection Agency, 1200 Pennsylvania Avenue, NW., Washington, DC 20460; by telephone/voice mail at (202) 343-9867 or via e-mail at stallworth.holly@epa.gov. General information about the SAB, as well as any updates concerning the meeting announced in this notice, may be found on the SAB Web site at <http://www.epa.gov/sab>.

SUPPLEMENTARY INFORMATION: Pursuant to the Federal Advisory Committee Act (FACA), 5 U.S.C., App. 2, notice is hereby given that the SAB Trichloroethylene (TCE) Review Panel will hold two public teleconferences to discuss its peer review report to EPA. The SAB was established pursuant to 42 U.S.C. 4365 to provide independent scientific and technical advice to the Administrator on the technical basis for Agency positions and regulations. The SAB is a Federal Advisory Committee chartered under FACA. The SAB will comply with the provisions of FACA and all appropriate SAB Staff Office procedural policies.

The TCE Review Panel met on May 10-12, 2010, to review EPA's *Toxicological Review of Trichloroethylene in Support of Summary Information on the Integrated Risk Information System (IRIS)*, External Review Draft [Federal Register Notice dated March 31, 2010 (75 FR 16108-16109)]. Materials from the May meeting are posted on the SAB Web site at <http://yosemite.epa.gov/sab/sabproduct.nsf/MeetingCalBOARD/BEEA3E70E29DE3A8852576E3006B8F54?OpenDocument>. The purpose of the June 24, 2010 teleconference is to further discuss the Panel's review of EPA's draft document. The purpose of the August 5, 2010

teleconference is to discuss the Panel's draft report.

Availability of Meeting Materials: Agendas and materials in support of these meetings will be placed on the SAB Web site at <http://www.epa.gov/sab> in advance of each meeting. For technical questions and information concerning EPA's draft document, please contact Dr. Weihsueh Chiu at (703) 347-8607, or chiu.weihsueh@epa.gov.

Procedures for Providing Public Input: Public comment for consideration by EPA's Federal advisory committees and panels has a different purpose from public comment provided to EPA program offices. Therefore, the process for submitting comments to a Federal advisory committee is different from the process used to submit comments to an EPA program office. Federal advisory committees and panels, including scientific advisory committees, provide independent advice to EPA. Members of the public can submit comments for a Federal advisory committee to consider as it develops advice for EPA. They should send their comments directly to the Designated Federal Officer for the relevant advisory committee. **Oral Statements:** In general, individuals or groups requesting an oral presentation at a public teleconference will be limited to three minutes per speaker, with no more than a total of 30 minutes for all speakers. Each person making an oral statement should consider providing written comments as well as their oral statement so that the points presented orally can be expanded upon in writing. Interested parties should contact Dr. Holly Stallworth, DFO, in writing (preferably via e-mail) at the contact information noted above, by June 21, 2010 for the June 24, 2010 teleconference and by August 2, 2010 for the August 5, 2010 teleconference, to be placed on the list of public speakers. **Written Statements:** Written statements should be supplied to the DFO via e-mail at the contact information noted above. Materials received fewer than two days before each teleconference may not be delivered to panel members in time for them to consider the materials during the teleconference. Written statements should be supplied in one of the following electronic formats: Adobe Acrobat PDF, MS Word, MS PowerPoint, or Rich Text files in IBM-PC/Windows 98/2000/XP format. Submitters are requested to provide versions of signed documents, submitted with and without signatures, because the SAB Staff Office does not publish documents with signatures on its Web sites.

Accessibility: For information on access or services for individuals with disabilities, please contact Dr. Holly Stallworth at (202) 343-9867 or stallworth.holly@epa.gov. To request accommodation of a disability, please contact Dr. Stallworth preferably at least ten days prior to each teleconference to give EPA as much time as possible to process your request.

Dated: May 25, 2010.

Anthony F. Maciorowski,
Deputy Director, EPA Science Advisory Board
Staff Office.

ENVIRONMENTAL PROTECTION AGENCY

[FRL-9157-6]

Notice of a Project Waiver of Section 1605 (Buy American Requirement) of the American Recovery and Reinvestment Act of 2009 (ARRA) to the Canaan Valley Public Service District, West Virginia

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: The Regional Administrator of EPA Region 3 is hereby granting a project waiver of the Buy American requirements of ARRA Section 1605 under the authority of Section 1605(b)(2) [manufactured goods are not produced in the United States in sufficient and reasonably available quantities and of a satisfactory quality] to the Canaan Valley Public Service District (CVPSD) for the purchase of a membrane bioreactor system (MBR), supplied by Enviroquip Inc., that contains a primary component not manufactured in America, at two of its Wastewater Treatment Plants (WWTPs). CVPSD indicates that the MBR treatment process is necessary to achieve the wastewater treatment levels required by the National Pollutant Discharge Elimination System (NPDES) permits issued for these WWTPs. The membrane filtration equipment under consideration is manufactured by a company located in Japan and no United States manufacturer produces an alternative that meets the CVPSD's technical specifications. This is a project specific waiver and only applies to the use of the specified product for the ARRA funded project being proposed. Any other ARRA project that may wish to use the same product must apply for a separate waiver based on the specific project circumstances. The

Regional Administrator is making this determination based on the review and recommendations of the EPA Region III, Water Protection Division, Office of Infrastructure and Assistance. The CVPSD has provided sufficient documentation to support its request. The Assistant Administrator of the EPA's Office of Administration and Resources Management has concurred on this decision to make an exception to Section 1605 of ARRA. This action permits the purchase of membrane filtration cassettes for the proposed project being implemented by the CVPSD.

DATES: *Effective Date:* May 17, 2010.

FOR FURTHER INFORMATION CONTACT: Robert Chominski, Deputy Associate Director, (215) 814-2162, or David McAdams, Environmental Engineer, (215) 814-5764, Office of Infrastructure & Assistance (OIA), Water Protection Division, U.S. EPA Region III, 1650 Arch Street, Philadelphia, PA 19103-2029.

SUPPLEMENTARY INFORMATION: In accordance with ARRA Sections 1605(c) and 1605(b)(2), EPA hereby provides notice that it is granting a project waiver of the requirements of Section 1605(a) of Public Law 111-5, Buy American requirements to the Canaan Valley Public Service District (CVPSD) for the acquisition of an "Enviroquip MBR system." CVPSD has been unable to find an MBR system that contains American-made MBR cassettes to meet its specific wastewater requirements.

Section 1605 of the ARRA requires that none of the appropriated funds may be used for the construction, alteration, maintenance, or repair of a public building or public work unless all of the iron, steel, and manufactured goods used in the project are produced in the United States unless a waiver is provided to the recipient by EPA. A waiver may be provided if EPA determines that (1) applying these requirements would be inconsistent with public interest; (2) iron, steel, and the relevant manufactured goods are not produced in the United States in sufficient and reasonably available quantities and of a satisfactory quality; or (3) inclusion of iron, steel, and the relevant manufactured goods produced in the United States will increase the cost of the overall project by more than 25 percent.

CVPSD's waiver request is to allow the purchase of the Enviroquip MBR system with four membrane filtration cassettes, manufactured by Kubota Inc. of Japan, for use in improvements to two existing WWTPs in West Virginia. This project will upgrade two of its existing
