

Registration. Gov. Mot. for Summ. Disp., Ex. A (letter from Keith Kamita, Administrator, Narcotics Enforcement Division, Hawaii Dept. of Public Safety to Shepard Ginandes, M.D.) Based on Administrator Kamita's letter, I further find that Respondent is "no longer authorized to administer, prescribe, dispense or possess any controlled substance" in Hawaii. *Id.*

Under the Controlled Substances Act (CSA), a practitioner must be currently authorized to handle controlled substances in "the jurisdiction in which he practices" in order to maintain a DEA registration. See 21 U.S.C. 802(21) ("[t]he term 'practitioner' means a physician * * * licensed, registered, or otherwise permitted, by * * * the jurisdiction in which he practices * * * to distribute, dispense, [or] administer * * * a controlled substance in the course of professional practice"). See also *id.* § 823(f) ("The Attorney General shall register practitioners * * * if the applicant is authorized to dispense * * * controlled substances under the laws of the State in which he practices."). As these provisions make plain, possessing authority under state law to handle controlled substances is an essential condition for holding a DEA registration.

Accordingly, DEA has held repeatedly that the CSA requires the revocation of a registration issued to a practitioner whose state license has been suspended or revoked. *David Wang*, 72 FR 54297, 54298 (2007); *Sheran Arden Yeates*, 71 FR 39130, 39131 (2006); *Dominick A. Ricci*, 58 FR 51104, 51105 (1993); *Bobby Watts*, 53 FR 11919, 11920 (1988). See also 21 U.S.C. 824(a)(3) (authorizing the revocation of a registration "upon a finding that the registrant * * * has had his State license or registration suspended [or] revoked * * * and is no longer authorized by State law to engage in the * * * distribution [or] dispensing of controlled substances").

The record here establishes that the Respondent's State of Hawaii Controlled Substances Registration has been suspended/revoked by the Administrator of the Narcotics Enforcement Division, Department of Public Safety, State of Hawaii. As the Administrator's letter makes clear, Respondent is "no longer authorized to administer, prescribe, dispense or possess any controlled substance" under Hawaii law and thus, he no longer meets the requirement for obtaining and maintaining a registration under Federal law. Because Respondent is not entitled to maintain his DEA registration, his registration will be revoked and his pending application to renew his registration will be denied.

Order

Pursuant to the authority vested in me by 21 U.S.C. 823(f) & 824(a), as well as 28 CFR 0.100(b) & 0.104, I hereby order that DEA Certificate of Registration, BG0241024, issued to Shepard Ginandes, M.D., be, and it hereby is, revoked. I further order that the pending application to renew this registration be, and it hereby is, denied. This order is effective immediately.

Dated: February 25, 2010.

Michele M. Leonhart,

Deputy Administrator.

Proposed Extension of the Approval of Information Collection Requirements

AGENCY: Wage and Hour Division, Labor.

ACTION: Notice.

SUMMARY: The Department of Labor, as part of its continuing effort to reduce paperwork and respondent burden, conducts a preclearance consultation program to provide the general public and Federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 (PRA95). 44 U.S.C. 3506(c)(2)(A). SUPPLEMENTARY INFORMATION:

I. *Background:* Fair Labor Standards Act (FLSA) section 11(d) authorizes the Secretary of Labor to regulate, restrict, or prohibit industrial homework as necessary to prevent circumvention or evasion of the minimum wage requirements of the Act. 29 U.S.C. 211(d). The Department of Labor (DOL) restricts homework in seven industries (*i.e.*, knitted outerwear, women's apparel, jewelry manufacturing, gloves and mittens, button and buckle manufacturing, handkerchief manufacturing, and embroideries) to those employers who obtain certificates. See 29 CFR 530.1-.2. The DOL may also issue individual certificates in any industry for an individual homemaker who is unable to leave home because of a disability or must remain at home to care for an invalid. See 29 CFR 530.3-.4. The DOL allows employers to obtain general (employer) certificates to employ homeworkers in all restricted industries, except women's apparel and hazardous jewelry manufacturing

operations. See 29 CFR 530.101. Consistent with FLSA sections 11(d) and 14(c), the Wage and Hour Division (WHD) of DOL regulates the employment of industrial homeworkers and workers with disabilities covered by special certificates and governs the application and approval process for obtaining the certificates.

The FLSA also requires that the Secretary of Labor, to the extent necessary to prevent curtailment of employment opportunities, provide certificates authorizing the employment of full-time students at not less than 85 percent of the applicable minimum wage or less than \$1.60, whichever is higher, in (1) retail or service establishments and agriculture (29 U.S.C. 214(b)(1); 29 CFR 519.1(a)); and (2) institutions of higher education (29 U.S.C. 214(b)(3); 29 CFR 519.11(a)). The FLSA and the regulations set forth the application requirements as well as the terms and conditions for the employment of full-time students at subminimum wages under certificates and temporary authorization to employ such students at subminimum wages. The subminimum wage programs are designed to increase employment opportunities for full-time students. Regulations issued by the U.S. Department of Labor (DOL), Bureau of Apprenticeship and Training (BAT) no longer permit the payment of subminimum wages to apprentices in an approved program. 29 CFR 29.5(b)(5). The DOL, thus, has issued no apprentice certificates since 1987; however, the WHD must maintain the information collection in order for the agency to fulfill its statutory obligation under FLSA to maintain this program. In order to improve the management of its information collections, the DOL is proposing to consolidate the information collections related to special employment under the FLSA into a single OMB control number, 1235-0001. A list of the current control numbers appears near the end of this Notice.

II. *Review Focus:* The DOL is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

- Enhance the quality, utility and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

III. *Current Actions:* The DOL seeks approval for the extension of this information collection in order to ensure effective administration of various special employment programs.
