Notice of Computer Matching Program

A. Participating Agencies

The participating agencies are the Office of Child Support Enforcement (OCSE), which is the "recipient agency," and State agencies administering UC programs, which are the "source agencies."

B. Purpose of the Matching Program

The purpose of the matching program is to provide new hire and quarterly wage (QW) information from OCSE's National Directory of New Hires (NDNH) to State agencies administering UC programs for the purpose of establishing or verifying the eligibility of, or continuing compliance with statutory and regulatory requirements by, applicants for, or recipients of, UC benefits. State agencies administering the UC programs may also use the NDNH information for the administration of its tax compliance function.

C. Authority for Conducting the Match

The authority for conducting the matching program is contained in section 453(j)(8) of the Social Security Act (42 U.S.C. 653(j)(8)).

D. Categories of Individuals Involved and Identification of Records Used in the Matching Program

The categories of individuals involved in the matching program are applicants and recipients of benefits under UC programs administered by State agencies. The system of records maintained by OCSE from which records will be disclosed for the purpose of this matching program is the "Location and Collection System" (LCS), No. 09-90-0074, last published in the **Federal Register** at 72 FR 51446 on September 7, 2007. The LCS includes the NDNH, which contains new hire, QW, and unemployment insurance information. Disclosures of NDNH information to the State agencies administering UC programs is a "routine use" under this system of records. Records resulting from the matching program and which are disclosed to the State agencies administering UC programs include names, Social Security numbers, and employment information.

E. Inclusive Dates of the Matching Program

The computer matching agreement will be effective and matching activity

may commence the later of the following:

(1) July 13, 2010; (2) 30 days after this Notice is published in the **Federal Register**; or (3) 40 days after OCSE sends a report of the matching program to the Congressional committees of jurisdiction under 5 U.S.C. 552a(o)(2)(A) and to OMB, unless OMB disapproves the agreement within the 40-day review period or grants a waiver of 10 days of the 40-day review period. The matching agreement will remain in effect for 18 months from its effective date, unless one of the parties to the agreement advises the other by written request to terminate or modify the agreement. The agreement is subject to renewal by the HHS Data Integrity Board for 12 additional months if the matching program will be conducted without any change and each party to the agreement certifies to the Board in writing that the program has been conducted in compliance with the agreement.
