[Docket No. FR-5375-N-21]

Federal Property Suitable as Facilities To Assist the Homeless; Republication

Editorial Note: FR Doc. 2010-13257 which was originally published at page 30847 in the issue of Wednesday, June 2, 2010 is being republished in its entirety in the issue of Friday, June 4, 2010 because it incorrectly published on June 2, 2010.

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice.

SUMMARY: This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for possible use to assist the homeless.

FOR FURTHER INFORMATION CONTACT: Kathy Ezzell, Department of Housing and Urban Development, 451 Seventh Street, SW., Room 7266, Washington, DC 20410; telephone (202) 708-1234; TTY number for the hearing- and speech-impaired (202) 708-2565 (these

telephone numbers are not toll-free), or call the toll-free Title V information line at 800-927-7588.

SUPPLEMENTARY INFORMATION: In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding

its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Where property is described as "off-site use only" recipients of the property will be required to relocate the building to their own site at their own expense. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to Theresa Rita, Division of Property Management, Program Support Center, HHS, room 5B-17, 5600 Fishers Lane, Rockville, MD 20857; (301) 443-2265. (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-800-927-7588 for detailed instructions or write a letter to Mark Johnston at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the **Federal Register**, the landholding agency, and the property number.

DEPARTMENT OF THE INTERIOR

Bureau of Indian Affairs

Information Collection for IDEIA Part B and C Child Counts; Comment Request

AGENCY: Bureau of Indian Affairs, Interior.

ACTION: Notice of proposed information collection.

SUMMARY: As required by the Paperwork Reduction Act, the Bureau of Indian Education (BIE), U.S. Department of the Interior (Interior) is seeking comments on a proposed information collection related to the Individuals with Disabilities Education Improvement Act (IDEIA). The IDEIA provides that the Secretary of the Interior will allocate funding for the coordination of assistance for special education and related services for American Indian children aged 0 to 5 with disabilities on reservations served by elementary schools for Indian children that are operated or funded by the Department of the Interior ("Bureau-funded schools"). The BIE allocates this funding to tribes and tribal organizations. In support of this allocation, the BIE collects information on the number of American Indian children aged 0 to 5 with disabilities on reservations served by Bureau-funded schools. This notice requests comments on that information collection.

DATES: Submit comments on or before August 3, 2010.

ADDRESSES: Mail or handcarry comments to Brandi A. Sweet, Program Analyst, U.S. Department of the Interior, Bureau of Indian Education, 1849 C Street, NW., MS-3609, Washington, DC 20240, or via facsimile (202) 208-3312; or via e-mail to Brandi.Sweet@bie.edu.

FOR FURTHER INFORMATION CONTACT: Brandi Sweet, Program Analyst, U.S. Department of the Interior, Bureau of Indian Education. Telephone (202) 208-5504.

SUPPLEMENTARY INFORMATION:

I. Abstract

The IDEIA, 20 U.S.C. 1411(h)(4)(c) and 1443(b)(3) require tribes and tribal

organizations to submit certain information to the Secretary of the Interior. Under the IDEIA, the U.S. Department of Education provides funding to the Secretary of the Interior for the coordination of assistance for special education and related services for Indian children aged 0 to 5 with disabilities on reservations served by Bureau-funded schools. The Secretary of the Interior, through the BIE, then allocates this funding to tribes and tribal organizations based on the number of such children served. In order to allow the Secretary of the Interior to determine what amounts to allocate to whom, the IDEIA requires tribes and tribal organizations to submit information to Interior. The BIE collects this information on two forms, one for Indian children aged 3 to 5 covered by IDEIA Part B, and one for Indian children aged 0 to 2 covered by IDEIA Part C.

In IDEIA Part B—Assistance for Education of All Children with Disabilities, 20 U.S.C. 1411(h)(4)(D) requires tribes and tribal organizations to use the funds to assist in child find, screening, and other procedures for the early identification of Indian children aged 3 through 5, parent training, and the provision of direct services. In IDEIA Part C—Infants and Toddlers with Disabilities, 20 U.S.C. 1443(b)(4) likewise requires tribes and tribal organizations to use the funds to assist in child find, screening, and other procedures for early identification of Indian children under 3 years of age and for parent training, and early intervention services.

The Paperwork Reduction Act of 1995 provides an opportunity for interested parties to comment on proposed information collection requests. The BIE is proceeding with this public comment period as the first step in obtaining an information collection clearance from the Office of Management and Budget (OMB). Each clearance request contains (1) type of review, (2) title, (3) summary of the collection, (4) respondents, (5) frequency of collection, (6) reporting and record keeping requirements.

II. Request for Comments

The BIE requests your comments on this collection concerning: (a) The necessity of this information collection for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) The accuracy of the agency's estimate of the burden (hours and cost) of the collection of information, including the validity of the methodology and assumptions used; (c) Ways we could enhance the quality,

utility and clarity of the information to be collected; and (d) Ways we could minimize the burden of the collection of the information on the respondents, such as through the use of automated collection techniques or other forms of information technology.

Please note that an agency may not sponsor or request, and an individual need not respond to, a collection of information unless it has a valid OMB Control Number.

It is our policy to make all comments available to the public for review at the location listed in the **ADDRESSES** section. Before including your address, phone number, e-mail address or other personally identifiable information, be advised that your entire comment—including your personally identifiable information—may be made public at any time. While you may request that we withhold your personally identifiable information, we cannot guarantee that we will be able to do so.

III. Data

OMB Control Number: 1076-0NEW.

Type of Review: Existing collection in use without an OMB number.
