

(3) Under unusual circumstances due to time constraints, such as the malfunction of a bridge or lock within the RNA, the person in charge of a vessel may orally request an immediate waiver from the COTP, but the vessel owner or operator must send written confirmation of the request, containing the information required by paragraph (d)(2) of this section, to the COTP within five days of the oral request.

(4) The COTP may condition approval of a waiver request on the vessel owner's or operator's taking measures additional to those proposed in the waiver request, and may terminate a waiver at any time, if the COTP deems it necessary to provide safety.

(e) *Penalties.* Failure to comply with this section may result in civil or criminal penalties pursuant to the Ports and Waterways Safety Act, 33 U.S.C. 1221 et seq.

(f) *Notice of enforcement.* The COTP will notify the maritime community of periods during which this regulated navigation area will be enforced by providing advance notice through a Marine Safety Information Bulletin and Safety Broadcast Notice to Mariners.

33 CFR Part 165

[Docket No. USCG-2010-0315]

RIN 1625-AA00

Safety Zones; Marine Events Within the Captain of the Port Sector Northern New England Area of Responsibility, July Through September

AGENCY: Coast Guard, DHS.

ACTION: Temporary interim rule with request for comments.

SUMMARY: The Coast Guard is establishing 51 safety zones for marine events within the Captain of the Port Sector Northern New England area of responsibility for regattas, swim events, power boat races, row and paddle boat races, parades, and firework displays. This action is necessary to provide for the safety of life on navigable waters during the events. Entry into, transit through, mooring or anchoring within these zones is prohibited unless

authorized by the Captain of the Port Sector Northern New England.

DATES: This rule is effective in the CFR on June 8, 2010 through 11:59 p.m. on September 29, 2010. This rule is effective with actual notice for purposes of enforcement beginning at 8 p.m. on July 3, 2010. Comments and related material must reach the Coast Guard on or before July 23, 2010. Requests for public meetings must be received by the Coast Guard on or before June 29, 2010.

ADDRESSES: You may submit comments identified by docket number USCG-2010-0315 using any one of the following methods:

(1) *Federal eRulemaking Portal:* <http://www.regulations.gov>.

(2) *Fax:* 202-493-2251.

(3) *Mail:* Docket Management Facility (M-30), U.S. Department of Transportation, West Building Ground Floor, Room W12-140, 1200 New Jersey Avenue, SE., Washington, DC 20590-0001.

(4) *Hand delivery:* Same as mail address above, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays. The telephone number is 202-366-9329.

To avoid duplication, please use only one of these four methods. See the "Public Participation and Request for Comments" portion of the **SUPPLEMENTARY INFORMATION** section below for instructions on submitting comments.

Documents indicated in this preamble as being available in the docket are part of docket USCG-2010-0315 and are available online by going to <http://www.regulations.gov>, inserting USCG-2010-0176 in the "Keyword" box, and then clicking "Search." They are also available for inspection or copying at the Docket Management Facility (M-30), U.S. Department of Transportation, West Building Ground Floor, Room W12-140, 1200 New Jersey Avenue, SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: If you have questions on this interim rule, call or e-mail Lieutenant Junior Grade Laura van der Pol, Waterways Management Division at Coast Guard Sector Northern New England, telephone 207-741-5421, e-mail Laura.K.vanderPol1@uscg.mil. If you have questions on viewing the docket, call Renee V. Wright, Program Manager, Docket Operations, telephone 202-366-9826.

SUPPLEMENTARY INFORMATION:

Public Participation and Request for Comments

We encourage you to participate in this rulemaking by submitting comments and related materials. All comments received will be posted, without change, to <http://www.regulations.gov> and will include any personal information you have provided.

As this temporary interim rule will be in effect before the end of the comment period, the Coast Guard will evaluate and revise this rule as necessary to address significant public comments.

Submitting Comments

If you submit a comment, please include the docket number for this rulemaking (USCG-2010-0315), indicate the specific section of this document to which each comment applies, and provide a reason for each suggestion or recommendation. You may submit your comments and material online (via <http://www.regulations.gov>) or by fax, mail or hand delivery, but please use only one of these means. If you submit a comment online via <http://www.regulations.gov>, it will be considered received by the Coast Guard when you successfully transmit the comment. If you fax, hand deliver, or mail your comment, it will be considered as having been received by the Coast Guard when it is received at the Docket Management Facility. We recommend that you include your name and a mailing address, an e-mail address, or a telephone number in the body of your document so that we can contact you if we have questions regarding your submission.

To submit your comment online, go to <http://www.regulations.gov>, click on the "submit a comment" box, which will then become highlighted in blue. In the "Document Type" drop down menu select "Proposed Rule" and insert "USCG-2010-0315" in the "Keyword" box. Click "Search" then click on the balloon shape in the "Actions" column. If you submit comments by mail or hand delivery, submit them in an unbound format, no larger than 8½ by 11 inches, suitable for copying and electronic filing. If you submit comments by mail and would like to know that they reached the Facility, please enclose a stamped, self-addressed postcard or envelope. We will consider all comments and material received during the comment period and may change this rule based on your comments.

Viewing Comments and Documents

To view comments, as well as documents mentioned in this preamble

as being available in the docket, go to <http://www.regulations.gov>, click on the "read comments" box, which will then become highlighted in blue. In the "Keyword" box insert "USCG-2010-0315" and click "Search." Click the "Open Docket Folder" in the "Actions" column. You may also visit the Docket Management Facility in Room W12-140 on the ground floor of the Department of Transportation West Building, 1200 New Jersey Avenue, SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays. We have an agreement with the Department of Transportation to use the Docket Management Facility.

Privacy Act

Anyone can search the electronic form of comments received into any of our dockets by the name of the individual submitting the comment (or signing the comment, if submitted on behalf of an association, business, labor union, etc.). You may review a Privacy Act notice regarding our public dockets in the January 17, 2008, issue of the **Federal Register** (73 FR 3316).

Public Meeting

We do not now plan to hold a public meeting. But you may submit a request for one on or before June 29, 2010 using one of the four methods specified under **ADDRESSES**. Please explain why you believe a public meeting would be beneficial. If we determine that one would aid this rulemaking, we will hold one at a time and place announced by a later notice in the **Federal Register**.

Regulatory Information

The Coast Guard is issuing this temporary interim rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule

without prior notice when the agency for good cause finds that those procedures are "impracticable, unnecessary, or contrary to the public interest." Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule. It is impractical to issue a NPRM and take public comment before July 3rd, 2010 when the first marine event necessitating a safety zone is scheduled to occur. Further, it is contrary to public interest to delay the effective date of this rule or to delay or cancel the scheduled events. Delaying the effective date by first publishing a NPRM would be contrary to the rule's objectives of ensuring safety of life on the navigable waters during these scheduled events as immediate action is needed to protect persons and vessels from the hazards associated with vessels participating in regattas, powerboat races, swim events and parades as well as the hazardous nature of fireworks including unexpected detonation and burning debris. We are requesting public comment on the safety zones, and if we receive public input that indicates a need to revise the safety zone regulations or the conditions they impose, or raises any other significant public concerns, we will address those concerns prior to issuing any final rule.

Basis and Purpose

Marine events are frequently held on the navigable waters within the area of responsibility for Captain of the Port Sector Northern New England. These events include sailing regattas, swim events, power boat races, row and paddle boat races, parades, and firework displays. Based on the nature of the events, large number of participants and spectators, and the event locations, the Coast Guard has determined that the events listed in this rule could pose a

risk to participants or waterway users if normal vessel traffic were to interfere with the event. Possible hazards include risks of participant injury or death resulting from near or actual contact with non-participant vessels traversing through the safety zones. In order to protect the safety of all waterway users including event participants and spectators, this temporary rule establishes safety zones for the time and location of each event.

This rule prevents vessels from entering, transiting, mooring or anchoring within areas specifically designated as safety zones during the periods of enforcement unless authorized by the Captain of the Port, or designated on-scene patrol personnel. "Designated on-scene patrol personnel" are any Coast Guard commissioned, warrant, or petty officer who has been designated by the Captain of the Port to act on his behalf. On-scene patrol personnel may be comprised of local, state or federal officials authorized to act in support of the Coast Guard.

The Coast Guard has ordered safety zones or special local regulations for all of these 51 areas for past events and has not received public comments or concerns regarding the impact to waterway traffic from these annual events.

Discussion of Rule

This temporary rule creates safety zones for all navigable waters within the described area of each event as follows: a 350 yard safety zone around all firework displays, a 200 foot safety zone around all swim event routes, and a 50 yard safety zone around all power boat races, row and paddle boat races, and regattas.

The tables below summarize the safety zone size that applies to each event along with the event name, date, time, and location:

As large numbers of spectator vessels are expected to congregate around the location of these events, the safety zones are needed to protect both spectators and participants from the safety hazards created by the event. During the enforcement period of the safety zones, persons and vessels are prohibited from entering, transiting through, remaining, anchoring or mooring within the zone unless specifically authorized by the Captain of the Port or his designated representatives. The Coast Guard may be assisted by other federal, state and local agencies in the enforcement of these safety zones.

The Coast Guard determined that these safety zones will not have a significant impact on vessel traffic due to their temporary nature and limited size and the fact that vessels are allowed to transit the navigable waters outside of the safety zones.

Advanced public notifications will also be made to the local maritime community by the Local Notice to Mariners as well as Broadcast Notice to Mariners.

Regulatory Analyses

We developed this interim rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses based on 13 of these statutes or executive orders.

Regulatory Planning and Review

This rule is not a significant regulatory action under section 3(f) of Executive Order 12866, Regulatory Planning and Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Order. The Office of Management and

Budget has not reviewed it under that Order.

The Coast Guard determined that this rule is not a significant regulatory action for the following reasons: The safety zones will be of limited duration, they cover only a small portion of the navigable waterways, and the events are designed to avoid, to the extent possible, deep draft, fishing, and recreational boating traffic routes. In addition, vessels requiring entry into the area of the safety zones may be authorized to do so by the Captain of the Port.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601–612), we have considered whether this rule would have a significant economic impact on a substantial number of small entities. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities. This rule will affect the following entities, some of which may be small entities: the owners or operators of vessels intending to transit or anchor in the designated safety zones during the enforcement periods stated for each event in the List of Subjects.

The safety zones will not have a significant economic impact on a substantial number of small entities for the following reasons: The safety zones will be of limited size and of short duration, and vessels that can safely do

so may navigate in all other portions of the waterways except for the areas designated as safety zones. Additionally, before the effective period, the Coast Guard will issue notice of the time and location of each safety zone through a Local Notice to Mariners and Broadcast Notice to Mariners.

Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we offer to assist small entities in understanding the rule so that they can better evaluate its effects on them and participate in the rulemaking process.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency’s responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

Collection of Information

This rule calls for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

Federalism

A rule has implications for federalism under Executive Order 13132,

Federalism, if it has a substantial direct effect on State or local governments and would either preempt State law or impose a substantial direct cost of compliance on them. We have analyzed this rule under that Order and have determined that it does not have implications for federalism.

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

Taking of Private Property

This rule will not cause a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not create an environmental risk to health or risk to safety that may disproportionately affect children.

Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and

responsibilities between the Federal Government and Indian tribes.

Energy Effects

We have analyzed this rule under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use. We have determined that it is not a “significant energy action” under that order because it is not a “significant regulatory action” under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of energy. The Administrator of the Office of Information and Regulatory Affairs has not designated it as a significant energy action. Therefore, it does not require a Statement of Energy Effects under Executive Order 13211.

Technical Standards

The National Technology Transfer and Advancement Act (NTTAA) (15 U.S.C. 272 note) directs agencies to use voluntary consensus standards in their regulatory activities unless the agency provides Congress, through the Office of Management and Budget, with an explanation of why using these standards would be inconsistent with applicable law or otherwise impractical. Voluntary consensus standards are technical standards (e.g., specifications of materials, performance, design, or operation; test methods; sampling procedures; and related management systems practices) that are developed or adopted by voluntary consensus standards bodies.

This rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

Environment

We have analyzed this temporary rule under Department of Homeland Security Management Directive 023–01 and Commandant Instruction M16475.ID, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and have concluded this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human

environment. This rule is categorically excluded, under figure 2–1, paragraph (34)(g), of the Instruction as this rule involves establishing safety zones. An environmental analysis checklist and a categorical exclusion determination are available in the docket where indicated under **ADDRESSES**. Any comments received concerning environmental impacts will be considered and changes made to the environmental analysis checklist, categorical exclusion determination, and this rulemaking as appropriate.

(b) *Notification.* Coast Guard Sector Northern New England will cause notice of the enforcement of these temporary safety zones to be made by all appropriate means to affect the widest

publicity among the effected segments of the public, including publication in the Local Notice to Mariners and Broadcast Notice to Mariners.

(c) *Effective Period.* This rule is effective from 8 p.m. on July 3, 2010

through 11:59 p.m. on September 29, 2010.

(d) *Enforcement Period.* This section will be enforced for the duration of each event indicated in the table above. If the event is cancelled due to inclement weather, this section is in effect for the day following the scheduled time listed in the table above or as indicated in the Local Notice to Mariners. Notification of events held on a rain date will be made by Broadcast Notice to Mariners.

(e) *Regulations.* (1) The general regulations contained in 33 CFR 165.23 apply. During the enforcement period, entry into, transiting through, remaining, mooring or anchoring within these safety zones is prohibited unless authorized by the Captain of the Port or his designated representatives.

(2) These temporary safety zones are closed to all vessel traffic, except as may be permitted by the Captain of the Port or his designated representatives. Vessel operators given permission to enter or operate in the safety zones must comply with all directions given to them by the Captain of the Port or his designated representatives. Vessels that are granted permission to enter or remain within a safety zone may be required to be at anchor or moored to a waterfront facility such that the vessel's location will not interfere with the progress of the event. At all times when a vessel has been granted permission to enter within a safety zone, it shall endeavor to maintain at least 50 yards distance from any event participant unless otherwise directed.

(3) The "designated representative" is any Coast Guard commissioned, warrant or petty officer who has been designated by the Captain of the Port to act on his behalf. The on-scene representative may be on a Coast Guard vessel, a state or local law enforcement vessel, or other designated craft, or may be on shore and will communicate with vessels via VHF-FM radio or loudhailer. In addition, members of the Coast Guard Auxiliary may be present to inform vessel operators of this regulation.

(4) Vessel operators desiring to enter or operate within the safety zones shall request permission to do so by contacting the Captain of the Port Sector Northern New England at 207-767-0303, or via VHF Channel 16.

(5) The Captain of the Port or his designated representative may direct the delay, cancellation, or relocation of the specific area to be regulated within the generally described locations listed in the EVENTS TABLE above to ensure safety and compliance with environmental laws. Such changes in implementation of the safety zones may be required as a result of factors that could affect their associated marine events such as weather, vessel traffic

density, spectator activities, participant behavior or potential environmental impacts.

Dated: May 19, 2010.

J. B. McPherson,

Captain, U.S. Coast Guard, Captain of the Port Sector Northern New England.

DEPARTMENT OF VETERANS AFFAIRS

38 CFR Part 21

Nonduplication; Pension, Compensation, and Dependency and Indemnity Compensation; Correction

AGENCY: Department of Veterans Affairs.

ACTION: Correcting amendment.

SUMMARY: This document corrects the Department of Veterans Affairs (VA) regulation that governs nonduplication of the payment of benefits to the child of a veteran. This correction is required in order to amend a cross reference in the regulation. No substantive change to the content of the regulations is being made by this correcting amendment.

DATES: *Effective Date:* June 8, 2010.

FOR FURTHER INFORMATION CONTACT: Tracy Wang, Office of Regulation Policy and Management (02REG), Department of Veterans Affairs, 810 Vermont Ave., NW., Washington, DC 20420, (202) 461-4936.

SUPPLEMENTARY INFORMATION: VA published a final rule in the **Federal Register** on September 30, 1997, at 62 FR 51274, amending 38 CFR 3.503, by redesignating paragraphs (a) through (j) as paragraphs (a)(1) through (a)(10), respectively. Therefore, § 3.503(h) became § 3.503(a)(8). However, VA neglected to amend the cross reference to § 3.503(h) in 38 CFR 21.3023 to reflect this change. This document corrects this error by removing "See § 3.503(h)" and adding the correct citation in its place, "See § 3.503(a)(8)".

List of Subjects in 38 CFR Part 21

Administrative practice and procedure, Armed forces, Civil rights, Claims, Colleges and universities, Conflict of interests, Education, Employment, Grant programs—education, Grant programs—veterans, Health care, Loan programs—education, Loan programs—veterans, Manpower training programs, Reporting and recordkeeping requirements, Schools, Travel and transportation expenses,

Veterans, Vocational education, Vocational rehabilitation.

William F. Russo,

Deputy Director, Regulation Policy and Management.

■ For the reasons set out in the preamble, VA is correcting 38 CFR Part 21 as follows:

PART 21—VOCATIONAL REHABILITATION AND EDUCATION

■ 1. The authority citation for part 21, subpart C continues to read as follows:

Authority: 38 U.S.C. 501(a), 512, 3500-3566, and as noted in specific sections.

§ 21.3023 [Corrected]

■ 2. In the cross reference to § 21.3023, remove "See § 3.503(h)" and add, in its place, "See § 3.503(a)(8)".

Revisions to the California State Implementation Plan, South Coast Air Quality Management District

AGENCY: Environmental Protection Agency (EPA).

ACTION: Direct final rule.

SUMMARY: EPA is taking direct final action to approve revisions to the South Coast Air Quality Management District (SCAQMD) portion of the California State Implementation Plan (SIP). These revisions concern standards for continuous emission monitoring systems. We are approving local rules that regulate the monitoring of emissions under the Clean Air Act as amended in 1990 (CAA or the Act).

DATES: This rule is effective on August 9, 2010 without further notice, unless EPA receives adverse comments by July 8, 2010. If we receive such comments, we will publish a timely withdrawal in the **Federal Register** to notify the public that this direct final rule will not take effect.

ADDRESSES: Submit comments, identified by docket number EPA-R09-OAR-2010-0276, by one of the following methods:
