#### **Definitions for Regulations Affecting All Savings Associations; Money Market Deposit Accounts**

**AGENCY:** Office of Thrift Supervision, Treasury.

**ACTION:** Final rule.

**SUMMARY:** The Office of Thrift Supervision is amending its regulations to eliminate restrictions on certain kinds of transfers from money market deposit accounts for savings associations. The Board of Governors of the Federal Reserve System (the FRB) has already amended its regulations (“Regulation D”) to eliminate these restrictions for member banks. Because this change is ministerial, the OTS has determined for good cause that public notice and comment is unnecessary under the Administrative Procedure Act (APA) and is implementing this change by means of a final rule without notice and comment.

**DATES:** *Effective Date:* The rule is effective June 14, 2010.

#### **SUPPLEMENTARY INFORMATION**

##### **I. Background**

*A. Federal Reserve Board Amendments to Regulation D*

On May 29, 2009, the Board of Governors of the Federal Reserve System (FRB) issued final amendments

to 12 CFR part 204, “Reserve Requirements of Depository Institutions (Regulation D).”<sup>1</sup> Among other changes, the amendments eliminate restrictions on certain types of transfers that consumers can make from savings deposits. The changes became effective on July 2, 2009. In the definition for savings deposit, Regulation D lists several types of savings deposit accounts, including Money Market Deposit Accounts.

Prior to the FRB amendments, Regulation D limited the number of “convenient” transfers and withdrawals from savings deposits to not more than six per month. Within this overall limit of six, not more than three transfers or withdrawals could be made by check, debit card, or similar order by the depositor and payable to third parties (the three transfer sublimit). Under the FRB final amendments to Regulation D, the permissible monthly number of transfers or withdrawals from savings deposits by check, debit card, or similar order payable to third parties has been increased from three to six. In other words, while the FRB has decided to retain the overall six-transfer limit for savings deposits, it has eliminated the three transfer sublimit within the overall limit that applied to transfers or withdrawals from savings deposits by check, debit card, or similar order payable to third parties. The FRB decided to eliminate the three transfer sublimit because distinctions between such transfers and other types of pre-authorized or automatic transfers subject to the six-per-month limit were no longer logical in light of technological advances.

##### *B. OTS Regulations Addressing Savings Accounts*

Pursuant to its authority under the Home Owners’ Loan Act (HOLA),<sup>2</sup> OTS issued regulations addressing limits on certain types of savings accounts known as Money Market Deposit Accounts (MMDAs) at 12 CFR 561.28. A second provision—12 CFR 557.10—which addresses OTS’s authority under HOLA to raise funds through accounts, further specifies that “12 CFR parts 204 [Regulation D] and 230 apply to your deposit accounts.”

OTS has received inquiries from savings associations about whether the agency is planning to amend its definition of MMDA to make it consistent with the FRB and FDIC<sup>3</sup> regulations. The savings associations stated that without such an amendment
