Section 8 Random Digit Dialing Fair Market Rent Surveys**AGENCY:** Office of the Chief Information Officer, HUD.**ACTION:** Notice.**SUMMARY:** The proposed information collection requirement described below has been submitted to the Office of Management and Budget (OMB) for

review, as required by the Paperwork Reduction Act. The Department is soliciting public comments on the subject proposal.

This survey provides HUD with a fast, inexpensive way to estimate Section 8 Fair Market Rents (FMRs) in areas not covered by the American Community Survey annual reports and in areas where FMRs are believed to be incorrect. The Department has used this random digit dialing (RDD) survey methodology for 15 years, as recently improved to offset low response rates. The affected public would be those renters surveyed and Section 8 voucher holders. The change in this reinstatement is to reduce the burden, because of fewer respondents.

DATES: *Comments Due Date:* July 15, 2010.

ADDRESSES: Interested persons are invited to submit comments regarding this proposal. Comments should refer to the proposal by name and/or OMB approval Number (2528-0142) and should be sent to: HUD Desk Officer, Office of Management and Budget, New Executive Office Building, Washington, DC 20503; fax: 202-395-5806.

Los Esteros Critical Energy Facility Low-Effect Habitat Conservation Plan for the Bay Checkerspot Butterfly and Serpentine Endemic Plant Species, Santa Clara County, CA

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice of availability: proposed low-effect habitat conservation plan; request for comment.

SUMMARY: We, the U.S. Fish and Wildlife Service, have received an application from the Calpine Corporation (applicant) for a 50-year incidental take permit for five species under the Endangered Species Act of 1973, as amended (Act). The application addresses the potential for "take" of one federally listed animal and four federally listed plants. The applicant would implement a conservation program to minimize and mitigate the project activities, as described in the applicant's low-effect habitat conservation plan (plan). We request comments on the applicant's application and plan, and the preliminary determination that the plan qualifies as a "low-effect" habitat conservation plan, eligible for a Categorical Exclusion under the National Environmental Policy Act of 1969, as amended (NEPA). We discuss our basis for this determination in our environmental action statement (EAS), also available for public review.

DATES: We must receive written comments on or before July 15, 2010.

ADDRESSES: Please address written comments to Mike Thomas, Chief, Conservation Planning Branch, Fish and Wildlife Service, Sacramento Fish and Wildlife Office, 2800 Cottage Way, W-2605, Sacramento, CA 95825. Alternatively, you may send comments by facsimile to (916) 414-6713.

FOR FURTHER INFORMATION CONTACT: Mike Thomas, or Eric Tattersall, Deputy Assistant Field Supervisor/Division Chief, Conservation Planning and Recovery, at the address shown above or at (916) 414-6600 (telephone).
