

and wet meadows, and increase the acreage in cropland and wet meadow. Wetlands would be managed to increase productivity and reduce water pumping costs. Invasive species and State- and county-listed noxious weeds would continue to be a primary management concern. Enhancing and restoring bottomland forest and oak woodland habitats would increase. We would complete habitat assessments to guide restoration of streams and tidally influenced wetlands. We would conduct feasibility studies for reintroducing native species such as Columbian white-tailed deer and western pond turtle, and inventory and monitoring efforts would increase. Current public use areas and closures would remain in effect under Alternative 2. The waterfowl hunt area/location would remain unchanged. Proposed changes in wetland management would improve the hunt program's quality over time. A new access point to the River 'S' Unit, including a 2-lane bridge and 1-mile entrance road, would be developed. The existing auto tour route would be open year round in its current location; however, the route would be shortened slightly to provide habitat for dusky Canada geese and cranes. A new 1.5-mile dike-top walking trail would be constructed. Environmental and cultural resources education and interpretation programs would increase.

Alternative 3

Under Alternative 3, actions to protect, maintain, and restore habitat for priority species are the same as under Alternative 2. Current public use areas and closures would remain in effect. The waterfowl hunt area/location would remain the same; however, core dusky habitat on the south end of the River 'S' Unit (207 acres) would be closed to goose hunting. The existing access point to the River 'S' Unit would be retained; a new 2-lane bridge would be constructed to eliminate the at-grade railroad crossing; and the entrance road would be widened. Implementation of this alternative would require either land acquisition or easement relocation/expansion. The existing auto tour route would remain unchanged. A new 1.5-mile dike-top walking trail would be constructed. Environmental and cultural resources education and interpretation programs would increase.

Alternative 4

Under Alternative 4, actions to protect, maintain, and restore habitat for priority species would be the same as under Alternatives 2 and 3, except slightly more crops would be grown. The total wildlife sanctuary area (closed

to public use) would be slightly less than the other alternatives; however, this alternative provides the largest contiguous sanctuary for dusky Canada geese and sandhill cranes on the south end of the refuge. A new access point to the River 'S' Unit, including a 2-lane bridge and 1-mile entrance road north of the current access point, would be developed. Closing the south end of the River 'S' Unit to public use during waterfowl and crane migration season, to benefit dusky Canada geese and sandhill cranes is proposed in this alternative. The south end of the River 'S' Unit (207 acres) would be closed to hunting, and the south end of the auto tour route would be closed during waterfowl season (October 1–March 15), which would reduce its length from 4.3 miles to 2.6 miles during that time. To offset the loss of hunting opportunities on the south end of the River 'S' Unit, 250 acres of Bachelor Island would be opened to waterfowl hunting. The northern portion of this area would be closed early to hunting (January 15) to prevent disturbance to a great blue heron nesting colony. A new 1.5-mile dike-top walking trail would be constructed. Environmental and cultural resources education and interpretation programs would increase.

Public Availability of Documents

In addition to the information in **ADDRESSES**, you can obtain a CD-ROM copy of the DCCP/EA from the refuge at phone number (360) 887-4106. Copies may be reviewed at the refuge and on the Internet at <http://www.fws.gov/ridgefieldrefuges/ridgefield>. Printed copies will be available for review at the following libraries: Ridgefield Community Library, 210 North Main Ave., Ridgefield, WA 98642; Vancouver Community Library, 1007 East Mill Plain Blvd., Vancouver, WA 98663; and Multnomah County Central Library, 801 SW. 10th Ave., Portland, OR 97205.

Next Steps

After this comment period ends, we will analyze the comments and address them in the final CCP and decision document.

Public Availability of Comments

Before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your identifying information from the public, we cannot guarantee that we will be able to do so.

Dated: April 20, 2010.

Carolyn A. Bohan,

Acting Regional Director, Region 1, Portland, Oregon.

BILLING CODE 7020-02-P

DEPARTMENT OF JUSTICE

Notice of Extension of Comment Period on Proposed Consent Decree

Notice is hereby given that the comment period on the proposed Consent Decree in *United States of America et al. v. The Boeing Company*, Civil Action No. 10-758 (W.D. Wa.), will be extended by sixty (60) days. Notice of the proposed Consent Decree was originally published on May 11, 2010. 75 FR 26,275. The original comment period therefore closed on June 10, 2010.

Following publication of the original Notice, the Department of Justice received requests from several

interested parties asking that the comment period be extended for sixty (60) days. The requests noted that the proposed Consent Decree is the first proposed settlement of claims for resource damages caused by hazardous substances released from facilities along the Duwamish Waterway. The letters noted the complexity of the subject matter and stated that the original thirty (30) day comment period was not sufficient to adequately evaluate the proposed Consent Decree.

The natural resource trustees who are parties to the Proposed Consent decree have decided to allow the full 60-day extension of the comment period that was requested. Therefore, the Department of Justice will receive written comments relating to the proposed Consent Decree for an additional sixty (60) days after the original comment period, until and including August 9, 2010. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and either e-mailed to pubcomment-ees.enrd@usdoj.gov or mailed to P.O. Box 7611, U.S. Department of Justice, Washington, DC 20044-7611, and should refer to *United States of America et al. v. The Boeing Company*, DJ Reference No. 90-11-3-07227/1.

The Consent Decree may be examined at the Office of the United States Attorney, Western District of Washington, Office of the United States Attorney for the Western District of Washington, 5200 United States Courthouse, 700 Stewart Street, Seattle, WA 98101-1271. During the public comment period, the Consent Decree may also be examined on the following Department of Justice Web site: http://www.usdoj.gov/enrd/Consent_Decrees.html. A copy of the Consent Decree may also be obtained by mail from the Consent Decree Library, P.O. Box 7611, U.S. Department of Justice, Washington, DC 20044-7611 or by faxing or e-mailing a request to Tonia Fleetwood (tonia.fleetwood@usdoj.gov), fax no. (202) 514-0097, phone confirmation number (202) 514-1547. In requesting a copy from the Consent Decree Library, please enclose a check in the amount of \$26.75 (25 cents per page reproduction cost) payable to the United States Treasury or, if requesting by e-mail or fax, forward a check in that

amount to the Consent Decree Library at the stated address.

Maureen Katz,

Assistant Section Chief, Environmental Enforcement Section, Environment and Natural Resources Division, United States Department of Justice.

BILLING CODE 4410-15-P

DEPARTMENT OF JUSTICE

Antitrust Division

***United States v. Amcor, Ltd., et al.;* Proposed Final Judgment and Competitive Impact Statement**

Notice is hereby given pursuant to the Antitrust Procedures and Penalties Act, 15 U.S.C. 16(b)-(h), that a proposed Final Judgment, Hold Separate Stipulation and Order and Competitive Impact Statement have been filed with the United States District Court for the District of Columbia in *United States of America v. Amcor Ltd., et al.*, Civil Action No. 1:10-cv-00973. On June 10, 2010, the United States filed a complaint alleging that the proposed acquisition by Amcor of the Alcan Packaging Medical Flexibles business of Rio Tinto would violate Section 7 of the Clayton Act, 15 U.S.C. 18. The proposed Final Judgment, filed at the same time as the Complaint, requires Amcor to divest Alcan Packaging's Marshall, North Carolina plant, which produces vented bags for medical use, as well as certain tangible and intangible assets associated with the plant.

Copies of the Complaint, proposed Final Judgment and Competitive Impact Statement are available for inspection at the Department of Justice, Antitrust Division, Antitrust Documents Group, 450 Fifth Street, NW., Suite 1010, Washington, DC 20530 (telephone: 202-514-2481), on the Department of Justice's Web site at <http://www.usdoj.gov/atr>, and at the Office of the Clerk of the United States District Court for District of Columbia. Copies of these materials may be obtained from the Antitrust Division upon request and payment of the copying fee set by Department of Justice regulations.

Public comment is invited within 60 days of the date of this notice. Such comments, and responses thereto, will be published in the **Federal Register** and filed with the Court. Comments should be directed to Maribeth Petrizzi, Chief, Litigation II Section, Antitrust Division, Department of Justice, 450 Fifth Street, NW., Suite 8700,

Washington, DC 20530, (telephone: 202-307-0924).

J. Robert Kramer II,
Director of Operations.

United States District Court for the District of Columbia

United States of America, Department of Justice, Antitrust Division, 450 Fifth Street, NW., Suite 8700, Washington, DC 20530, Plaintiff, v. Amcor LTD., 109 Burwood Road, Hawthorn VIC 3122, Australia, and Rio Tinto PLC, 2 Eastbourne Terrace, London, W2 6LG, United Kingdom, and Alcan Corporation, 8770 West Bryn Mawr Avenue, Chicago, IL 60631, Defendants.

Case No.: 1:10-cv-00973.

Description: Antitrust.

Judge: Kollar-Kotelly, Colleen.

Date Stamp: 6/10/2010.

Complaint

The United States of America ("United States"), acting under the direction of the Attorney General, brings this civil antitrust action against defendants Amcor Ltd. ("Amcor"), Rio Tinto plc ("Rio Tinto"), and Alcan Corporation to enjoin Amcor's proposed acquisition from Rio Tinto of the Alcan Packaging Medical Flexibles business ("Alcan Packaging") and to obtain other equitable relief. The United States complains and alleges as follows:

I. Nature of This Action

1. Defendants Amcor Ltd. and Rio Tinto plc entered into an asset purchase agreement dated December 21, 2009, pursuant to which Amcor agreed to acquire the Alcan Packaging Medical Flexibles business from Rio Tinto for \$65 million.

2. Amcor and Alcan Packaging are two of the three leading suppliers of vented bags for medical use in the United States.

3. The proposed acquisition would eliminate competition between Amcor and Alcan Packaging. For significant customers, Amcor and Alcan Packaging are the two best sources of vented bags for medical use. Elimination of the competition between Amcor and Alcan Packaging likely will result in Amcor's ability to raise prices to these customers. In addition, by eliminating Alcan Packaging, the transaction increases the likelihood of coordinated interaction between Amcor and the other leading supplier of vented bags for medical use. As a result, the proposed acquisition likely would substantially lessen competition in the development, production, and sale of vented bags for medical use in the United States, in violation of Section 7 of the Clayton Act, 15 U.S.C. 18.
