The following determinations terminating investigations were issued in cases where these petitions were not filed in accordance with the requirements of 29 CFR 90.11. Every petition filed by workers must be signed by at least three individuals of the petitioning worker group. Petitioners separated more than one year prior to the date of the petition cannot be covered under a certification of a petition under Section 223(b), and therefore, may not be part of a petitioning worker group. For one or more of these reasons, these petitions were deemed invalid.

[TA-W-70,201]

Tivoly, Inc., Derby Line, VT; Notice of Negative Determination on Reconsideration

On November 16, 2009, the Department issued an Affirmative Determination Regarding Application for Reconsideration for the workers and former workers of the subject firm. The notice was published in the **Federal Register** on December 8, 2009 (74 FR 64,711).

The initial investigation resulted in a negative determination based on the finding that imports of cutting tools did not contribute importantly to worker separations at the subject firm and no shift of production to a foreign source occurred.

In the request for reconsideration, the International Association of Machinists and Aerospace Workers, Local Lodge 1829, requested that additional customer surveys be done beyond the two that had been completed during the earlier investigation.

In response to that request, the Department of Labor conducted a survey of five more major declining customers of the subject firm regarding their purchases of cutting tools, taps, and reamers during 2007, 2008, and during the months of January through May 2008 and January through May 2009.

Those five surveys, added to the two surveys completed during the investigation, included customers who accounted for 89 percent of the subject firm's total sales during 2007 and 2008, and customers who accounted for 65 percent of the total subject firm's total sales during the period January through May 2009.

The customers surveyed also accounted for 89 percent of the decline in total subject firm sales from 2007 to 2008, and 88 percent of the decline in

total subject firm sales during the period January through May 2009 as compared with the same five months in 2008.

Those surveys showed customer imports of cutting tools, taps, and reamers to be insignificant as a percent of total subject firm sales during 2007 and 2008, and showed that there were no customer imports of cutting tools during the period January through May 2009.

Conclusion

After reconsideration, I affirm the original notice of negative determination of eligibility to apply for worker adjustment assistance for workers and former workers of Tivoly, Inc., Derby Line, Vermont.

Signed at Washington, DC this 27th day of May 2010.

DEPARTMENT OF LABOR**Employee Benefits Security Administration****Prohibited Transaction Exemptions: Morgan Stanley & Co., Inc. and Its Current and Future Affiliates and Subsidiaries and Union Bank, N.A., and Its Affiliates; The Bank of New York Mellon Corp.; Boston Carpenters Apprenticeship and Training Fund; Correction**

AGENCY: Employee Benefits Security Administration, Department of Labor (the Department).

ACTION: Notice of technical correction.

In the June 11, 2010 issue of the **Federal Register**, the Department published separate administrative exemptions from the prohibited transaction provisions of the Employee Retirement Income Security Act of 1974 (the Act) and the Internal Revenue Code of 1986 for: (1) Morgan Stanley & Co., Inc., and Its Current and Future Affiliates and Subsidiaries and Union

Bank, N.A., and Its Affiliates (hereinafter "the Morgan Stanley Grant"); and (2) The Bank of New York Mellon Corporation (hereinafter "the BNY Mellon Grant"). The Department also published, in the same issue of the **Federal Register**, an administrative exemption from the prohibited transaction provisions of the Act for the Boston Carpenters Apprenticeship and Training Fund (hereinafter "the Boston Carpenters Grant").

The Department notes that the operative language of the Morgan Stanley Grant (which begins at the middle of the third column of page 33333 of the June 11, 2010 issue of the **Federal Register** after the italicized heading "Exemption") was not preceded by the customary caption indicating the prohibited transaction grant number and the corresponding exemption application file number. Accordingly, to correct this publication error, the following caption should be inserted immediately before the italicized heading "Exemption" on page 33333, third column:

[Prohibited Transaction Exemption 2010-16; Exemption Application Number D-11521]

In addition, the Department notes that the operative language of the BNY Mellon Grant (which begins at the middle of the first column of page 33338 of the June 11, 2010 issue of the **Federal Register** after the italicized heading "Exemption") was not preceded by the customary caption indicating the name of the entity seeking the exemption, the prohibited transaction exemption grant number, and the exemption application file number. Accordingly, to correct this publication error, the following caption should be inserted immediately before the italicized heading "Exemption" on page 33338, first column:

The Bank of New York Mellon Corporation (BNY Mellon), Located in Pittsburgh, Pennsylvania
