V. How do I submit comments?

Consistent with 43 CFR 46.235, we invite all interested persons, organizations, and agencies to provide comments, suggestions, and any other information relevant to the scope of the EIS, the scope of the proposed Federal action, potential alternatives for the proposed Federal action, and studies and impacts that the EIS should address. See **ADDRESSES** for the methods by which we will accept comments.

We also anticipate conducting several open houses in various locations in coal producing regions of the U.S. in July 2010. The following locations are under consideration: Morgantown, WV; Beckley, WV; Hazard, KY; Birmingham, AL; Evansville, IN; Carbondale, IL; Fairfield, TX; Farmington, NM; and Gillette, WY. The open houses will provide an opportunity for the public to review information and provide oral and written comments regarding the scope of the issues to be addressed and identification of the significant issues related to the proposed action and possible alternatives. Information regarding the specific dates and locations will be posted on OSM's Web site, <http://www.osmre.gov>, and in local news media.

Before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment, including your personal identifying information, may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so. Comments that we receive after the close of the comment period (see

DATES) or sent to an address other than those listed in **ADDRESSES** may not be considered.

If you previously submitted comments in response to the ANPR or the April 30, 2010 Notice of Intent, you do not need to resubmit them. We will consider all ANPR and April 30th comments as part of this EIS scoping process.

VI. How do I request to participate as a cooperating agency?

Consistent with 43 CFR 46.225, we, the lead agency, invite eligible Federal, state, tribal, and local governmental entities to indicate whether they have an interest in being a cooperating agency in the preparation of the EIS. Qualified entities are those with jurisdiction by law, as defined in 40 CFR 1508.15, or special expertise, as defined in 40 CFR 1508.26. Potential cooperating agencies should consider their authority and capacity to assume the responsibilities of a cooperating agency and make the necessary resources available in a timely manner, as discussed in the document entitled "Factors for Determining Cooperating Agency Status,"⁴ which is Attachment 1 to the Council on Environmental Quality's January 30, 2002, Memorandum for the Heads of Federal Agencies: Cooperating Agencies in Implementing the Procedural Requirements of the National Environmental Policy Act. We will not be able to provide financial assistance to cooperating agencies. If you previously indicated that you were interested in being a cooperating agency, no further action is required.

If you have an interest in participating as a cooperating agency, please contact the person listed in **FOR FURTHER INFORMATION CONTACT** and identify those aspects of the EIS process in which you are interested in participating. The regulations at 43 CFR 46.230 and Items 4 through 6 in the document discussed in the preceding paragraph list the activities in which cooperating agencies may wish to participate.
