SUPPLEMENTARY INFORMATION:

Regulatory Information

On July 21, 2009 the Coast Guard published a notice of proposed rulemaking with request for comments

titled, "Special Local Regulation, Swim Across the Sound, Long Island Sound, Port Jefferson, NY to Captain's Cove Seaport, Bridgeport, CT" (Docket number USCG-2009-0395) in the **Federal Register** (74 FR 35834).

On April 2, 2010, the Coast Guard published a supplemental notice of proposed rulemaking (SNPRM) entitled: Special Local Regulation, Swim Across the Sound, Long Island Sound, Port Jefferson, NY to Captain's Cove Seaport, Bridgeport, CT in the **Federal Register** (75 FR 16700). The Coast Guard received no comments or requests for meetings on the proposed rule.

Basis and Purpose

Swim Across the Sound is a 25 km swim that has historically involved over 200 swimmers and accompanying safety craft. The swim course is located directly northwest of Port Jefferson, NY and extends to Captain's Cove Seaport, Bridgeport, CT. Prior to this rule there was not a permanent regulation in place to protect the swimmers or safety craft from the hazards imposed by marine traffic. To provide for the safety of life, the Coast Guard is establishing a permanent special local regulation on the navigable waters of Long Island Sound that excludes all unauthorized persons and vessels from approaching within 100 yards of any swimmer or safety craft on the race course. This section will be enforced from 8:30 a.m. to 7:30 p.m. on August 7, 2010 and thereafter annually on a single, specified Saturday in either July or August. Notification of the exact dates will be announced in the **Federal Register**, via a Notice of Enforcement, and separate Marine Broadcasts and a local notice to mariners.

Background

On July 21, 2009, the notice of proposed rulemaking's regulated area encompassed 100 yards around the race course for the duration of the race. This provided safety of life for swimmers and safety craft, but any vessel transiting through Long Island Sound would have to pass through the regulated area, putting a burden on vessel traffic. Due to the length of the race course, participants will only be occupying a small portion of the course at any given time. This regulated area, was considered but was not chosen due to its burden on vessel traffic.

On April 2, 2010, the Coast Guard published a supplemental notice of proposed rulemaking (SNPRM) entitled: Special Local Regulation, Swim Across the Sound, Long Island Sound, Port Jefferson, NY to Captain's Cove Seaport, Bridgeport, CT in the **Federal Register**
