June 16, 2010.

The Department of Agriculture has submitted the following information collection requirement(s) to OMB for review and clearance under the Paperwork Reduction Act of 1995, Public Law 104-13. Comments regarding (a) whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of burden including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology should be addressed to: Desk Officer for Agriculture, Office of Information and Regulatory Affairs, Office of Management and Budget (OMB), OIRA_Submission@OMB.EOP.GOV or fax (202) 395-5806 and to Departmental Clearance Office, USDA, OCIO, Mail Stop 7602, Washington, DC 20250-7602. Comments regarding these information collections are best assured of having their full effect if received within 30 days of this notification. Copies of the submission(s) may be obtained by calling (202) 720-8681.

An agency may not conduct or sponsor a collection of information unless the collection of information displays a currently valid OMB control number and the agency informs potential persons who are to respond to the collection of information that such persons are not required to respond to

the collection of information unless it displays a currently valid OMB control number.

Rural Utilities Service

Title: Technical Assistance Program, 7 CFR Part 1775.

OMB Control Number: 0572-0112.

Summary of Collection: Section 306 of the Consolidated Farm and Rural Development Act (CONACT), 7 U.S.C. 1926, authorizes Rural Utilities Service (RUS) to make loans and grants to public agencies, American Indian tribes, and nonprofit corporations. The loans and grants fund the development of drinking water, wastewater, and solid waste disposal facilities in rural areas with populations of up to 10,000 residents. Nonprofit organizations receive Technical Assistance and Training (TAT) and Solid Waste Management (SWM) grants to help small rural communities or areas identify and solve problems relating to community drinking water, wastewater, or solid waste disposal systems. The technical assistance is intended to improve the management and operation of the systems and reduce or eliminate pollution of water resources. TAT and SWM are competitive grant programs administered by RUS.

Need and Use of the Information: Nonprofit organizations applying for TAT and SWM grants must submit a pre-application, which includes an application form, narrative proposal, various other forms, certifications and supplemental information. RUS will collect information to determine applicant eligibility, project feasibility, and the applicant's ability to meet the grant and regulatory requirements. RUS will review the information, evaluate it, and, if the applicant and project are eligible for further competition, invite the applicant to submit a formal application. Failure to collect proper information could result in improper determinations of eligibility, improper use of funds, or hindrances in making grants authorized by the TAT and SWM program.

Description of Respondents: Not-for-profit institutions; State, Local or Tribal Governments.

Number of Respondents: 142.

Frequency of Responses: Reporting; On occasion; Quarterly.

Total Burden Hours: 7,060.

Rural Utilities Service

Title: Environmental Policies and Procedures (7 CFR part 1794).

OMB Control Number: 0572-0117.

Summary of Collection: In December 1998, the Rural Utilities Service (RUS) published its revised Environmental Policies and Procedures and in 2003 revisions were made to clarify policy on certain environmental review processes. The rule promulgated environmental regulations that cover all RUS Federal actions taken by RUS' electric, telecommunications, water and environmental programs. The regulation was necessary to ensure continued RUS compliance with the Council on Environmental Quality (CEQ) Regulations for Implementing the Procedural Provisions of the National Environmental Policy Act (NEPA) (40 CFR Parts 1500-1508), and certain related Federal environmental laws, statutes, regulations, and Executive Orders. RUS electric, telecommunications, water and environmental program borrowers provide environmental documentation to assure that policy contained in NEPA is followed.

Need and Use of the Information: RUS will collect information to evaluate the cost and feasibility of the proposed project and the environmental impact. If the information is not collected, the agency would not be in compliance with NEPA and CEQ regulations.

Description of Respondents: Non-for-profit institutions; Business or other for-profit.

Number of Respondents: 1,339.

Frequency of Responses: Reporting; On occasion.

Total Burden Hours: 486,440.
