

19(b)(3)(A) of the Act¹⁶ and Rule 19b-4(f)(6) thereunder.¹⁷

The Exchange has requested that the Commission waive the 30-day operative delay to permit the Exchange to compete with other exchanges whose rules permit the listing of similar short term options series.¹⁸ The Commission believes that waiver of the operative delay is consistent with the protection of investors and the public interest because the proposal is substantially similar to a rule of another exchange that has been approved by the Commission.¹⁹ Therefore, the Commission designates the proposal operative upon filing.²⁰

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
