This information assists the state DDSs and administrative law judges (ALJ) in: (1) Preparing for the appeals and hearings; and (2) issuing a determination or decision on an individual's entitlement (initial or continuing) to disability benefits.

Respondents are individuals who appeal denial, reduction, or cessation of Social Security Disability Income and Supplemental Security Income payments, or who are requesting a hearing before an ALJ.

**Surface Transportation Board**

[Docket No. AB 33 (Sub-No. 285X)]

**Union Pacific Railroad Company—Abandonment Exemption—in Yakima County, Wash.**

Union Pacific Railroad Company (UP) filed a notice of exemption under 49 CFR 1152 Subpart F—*Exempt Abandonments* to abandon a 1.45-mile line of railroad, on the Yakima Industrial Lead, from milepost 57.30 to milepost 58.75 near Grandview, in Yakima County, Wash.<sup>1</sup> The line traverses United States Postal Service Zip Code 98930.

UP has certified that: (1) No local traffic has moved over the line for at least 2 years; (2) there is no overhead traffic on the line; (3) no formal complaint filed by a user of rail service on the line (or filed by a state or local

government entity acting on behalf of such user) regarding cessation of service over the line either is pending with the Board or with any U.S. District Court or has been decided in favor of complainant within the 2-year period; and (4) the requirements at 49 CFR 1105.7 (environmental report), 49 CFR 1105.8 (historic report), 49 CFR 1105.11 (transmittal letter), 49 CFR 1105.12 (newspaper publication), and 49 CFR 1152.50(d)(1) (notice to governmental agencies) have been met.

In its notice, UP states that it granted the Washington Central Railroad Company (WC) local trackage rights over the line. With UP's concurrence, WC sold the trackage rights it had over the line to BNSF Railway Company (BNSF). BNSF, in turn, assigned these rights to the Central Washington Railroad Company (CWRR). *See Central Wash. R.R.—Lease and Operation Exemption—BNSF Railway Co.*, Docket No. FD 34640 (STB served Jan. 21, 2005). UP states that it expects that BNSF and CWRR will make a separate filing with the Board to discontinue applicable trackage rights over the line. In light of the existing trackage rights, it would be premature for UP to consummate the abandonment while the trackage rights remain in effect.

As a condition to this exemption, any employee adversely affected by the abandonment shall be protected under *Oregon Short Line Railroad—Abandonment Portion Goshen Branch Between Firth & Ammon, in Bingham & Bonneville Counties, Idaho*, 360 I.C.C. 91 (1979). To address whether this condition adequately protects affected employees, a petition for partial revocation under 49 U.S.C. 10502(d) must be filed.

<sup>1</sup> The notice of exemption was filed on June 2, 2010 and supplemented on June 4, 2010 by the inclusion of "Attachment 1" to Exhibit 2.

Provided no formal expression of intent to file an offer of financial assistance (OFA) has been received, this exemption will be effective on or after July 22, 2010, unless stayed pending reconsideration. Petitions to stay that do not involve environmental issues,<sup>2</sup> formal expressions of intent to file an OFA under 49 CFR § 1152.27(c)(2),<sup>3</sup> and trail use/rail banking requests under 49 CFR 1152.29 must be filed by July 2, 2010. Petitions to reopen or requests for public use conditions under 49 CFR 1152.28 must be filed by July 12, 2010, with: Surface Transportation Board, 395 E Street, SW., Washington, DC 20423-0001.

A copy of any petition filed with the Board should be sent to UP's representative: Mack H. Shumate, Jr., Senior General Attorney, 101 North Wacker Drive, Suite 1920, Chicago, IL 60606.

If the verified notice contains false or misleading information, the exemption is void *ab initio*.

UP has filed a combined environmental and historic report which addresses the effects, if any, of the abandonment on the environment and historic resources. SEA will issue an environmental assessment (EA) by June 25, 2010. Interested persons may obtain a copy of the EA by writing to SEA (Room 1100, Surface Transportation Board, Washington, DC 20423-0001) or by calling SEA, at (202) 245-0305. Assistance for the hearing impaired is available through the Federal Information Relay Service (FIRS) at 1-800-877-8339. Comments on environmental and historic preservation matters must be filed within 15 days after the EA becomes available to the public.

Environmental, historic preservation, public use, or trail use/rail banking conditions will be imposed, where appropriate, in a subsequent decision.

Pursuant to the provisions of 49 CFR 1152.29(e)(2), UP shall file a notice of consummation with the Board to signify that it has exercised the authority granted and fully abandoned the line. If consummation has not been effected by UP's filing of a notice of consummation by June 22, 2011, and there are no legal

or regulatory barriers to consummation, the authority to abandon will automatically expire.

Board decisions and notices are available on our Web site at "<http://www.stb.gov>."

Decided: June 17, 2010.

By the Board, Rachel D. Campbell, Director, Office of Proceedings.
