Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g. new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. DEPARTMENT OF EDUCATION

Office of Postsecondary Education; Overview Information; Training Program for Federal TRIO Programs (Training Program)

Notice inviting applications for new awards for fiscal year (FY) 2010.

Catalog of Federal Domestic Assistance (CFDA) Number: 84.103A.

DATES: Applications Available: June 29, 2010. Deadline for Transmittal of Applications: July 29, 2010. Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: The Training Program provides grants to train the staff and leadership personnel employed in, participating in, or preparing for employment in, projects funded under the Federal TRIO Programs to improve the operation of these projects.

Priorities: In accordance with 34 CFR 75.105(b)(2)(iv) and 34 CFR 75.105(b)(2)(ii), these priorities are from

section 402G(b) of the Higher Education Act of 1965, as amended (HEA) and the regulations for this program (34 CFR 642.34).

Note: Each successful applicant must provide annually at least one training session, covering every topic listed within the applicable priority or priorities. The training must be tailored to the specific needs of TRIO staff and leadership personnel with less than two years of TRIO project experience. Each applicant must identify in its application how it will meet this requirement.

Absolute Priorities: For FY 2010, these priorities are absolute priorities. Under 34 CFR 75.105(c)(3) we consider only applications that meet these priorities.

These priorities are:

Priority 1. Training to improve: recordkeeping; reporting student and project performance; and the rigorous evaluation of project performance in order to design and operate a model TRIO project.

Number of expected awards: 1–2.

Maximum award amount: \$450,000.

Priority 2. Training on: budget management, and the legislative and regulatory requirements for operation of projects funded under the Federal TRIO Programs.

Number of expected awards: 1–2.

Maximum award amount: \$400,000.

Priority 3. Training on: assessment of student needs; proven retention and graduation strategies, including both secondary and postsecondary retention and graduation strategies; and the use of educational technology in order to design and operate a model TRIO project.

Number of expected awards: 1–2.

Maximum award amount: \$450,000.

Priority 4. Training on: student financial aid; college and university admissions policies and procedures; and proven strategies to improve the financial literacy and economic literacy of students, including topics such as basic personal income, household money management and financial planning skills, and basic economic decision making skills.

Number of expected awards: 1–2.

Maximum award amount: \$400,000.

Priority 5. Training on: proven strategies for recruiting and serving hard to reach populations—including students who are limited English proficient, students from groups that are traditionally underrepresented in postsecondary education, students who are individuals with disabilities, students who are homeless children and youths (as this term is defined in section 725 of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11434a)), students who are foster care youth, or other disconnected students.

Number of expected awards: 1–2.

Maximum award amount: \$400,000.

Maximum number of applications: Each application must clearly identify the specific priority number for which a grant is requested and must address each of the topics listed under that specific priority. An application for a grant under a specific priority should address only that priority. A grantee who wants to apply under more than one priority must submit separate applications for each priority.

For example, an application for a grant under Priority 1 must address only training to improve recordkeeping; reporting student and project performance; and the rigorous evaluation of project performance in order to design and operate a model TRIO project. If an applicant submits more than one application under a specific priority we will accept only the application with the latest “date/time received” validation, and we will reject all other applications.

Program Authority: 20 U.S.C. 1070a–11 and 1070a–17.

Applicable Regulations: (a) The Education Department General Administrative Regulations (EDGAR) in 34 CFR parts 74, 75, 77, 79, 80, 82, 84, 85, 86, 97, 98 and 99. (b) The regulations for this program in 34 CFR part 642.

Note: The regulations in 34 CFR part 79 apply to all applicants except federally recognized Indian tribes.

Note: The regulations in 34 CFR part 86 apply to institutions of higher education only.

Estimated Available Funds:

\$3,424,802.

Estimated Range of Awards:

\$350,000–\$450,000.

Estimated Average Size of Awards:

- Priority 1: \$450,000;
- Priority 2: \$400,000;
- Priority 3: \$450,000;
- Priority 4: \$400,000; and

We do not consider an application that does not comply with the deadline requirements.

Individuals with disabilities who need an accommodation or auxiliary aid in connection with the application process should contact the person listed under **FOR FURTHER INFORMATION CONTACT** in section VII of this notice. If the Department provides an accommodation or auxiliary aid to an individual with a disability in connection with the application process, the individual's application remains subject to all other requirements and limitations in this notice.

You can obtain a DUNS number from Dun and Bradstreet. A DUNS number can be created within one business day.

If you are a corporate entity, agency, institution, or organization, you can obtain a TIN from the Internal Revenue Service. If you are an individual, you can obtain a TIN from the Internal Revenue Service or the Social Security Administration. If you need a new TIN, please allow 2–5 weeks for your TIN to become active.

The CCR registration process may take five or more business days to complete. If you are currently registered with the CCR, you may not need to make any changes. However, please make certain that the TIN associated with your DUNS number is correct. Also note that you will need to update your CCR registration on an annual basis. This may take three or more business days to complete.

7. *Other Submission Requirements:*

Applications for grants under this program must be submitted electronically unless you qualify for an exception to this requirement in accordance with the instructions in this section.

a. *Electronic Submission of Applications.*

Applications for grants under the Training Program—CFDA Number 84.103A must be submitted electronically using e-Application, accessible through the Department's e-Grants Web site at: <http://e-grants.ed.gov>.

We will reject your application if you submit it in paper format unless, as described elsewhere in this section, you qualify for one of the exceptions to the electronic submission requirement and submit, no later than two weeks before the application deadline date, a written statement to the Department that you qualify for one of these exceptions. Further information regarding calculation of the date that is two weeks before the application deadline date is provided later in this section under *Exception to Electronic Submission Requirement*.

While completing your electronic application, you will be entering data online that will be saved into a database. You may not e-mail an

electronic copy of a grant application to us.

Please note the following:

- You must complete the electronic submission of your grant application by 4:30:00 p.m., Washington, DC time, on the application deadline date. E-Application will not accept an application for this program after 4:30:00 p.m., Washington, DC time, on the application deadline date. Therefore, we strongly recommend that you do not wait until the application deadline date to begin the application process.

- The hours of operation of the e-Grants Web site are 6:00 a.m. Monday until 7:00 p.m. Wednesday; and 6:00 a.m. Thursday until 8:00 p.m. Sunday, Washington, DC time. Please note that, because of maintenance, the system is unavailable between 8:00 p.m. on Sundays and 6:00 a.m. on Mondays, and between 7:00 p.m. on Wednesdays and 6:00 a.m. on Thursdays, Washington, DC time. Any modifications to these hours are posted on the e-Grants Web site.

- You will not receive additional point value because you submit your application in electronic format, nor will we penalize you if you qualify for an exception to the electronic submission requirement, as described elsewhere in this section, and submit your application in paper format.

- You must submit all documents electronically, including all information you typically provide on the following forms: the Application for Federal Assistance (SF 424), the Department of Education Supplemental Information for SF 424, Budget Information—Non-Construction Programs (ED 524), and all necessary assurances and certifications. You must attach any narrative sections of your application as files in a .DOC (document), .RTF (rich text), or .PDF (Portable Document) format. If you upload a file type other than the three file types specified in this paragraph or submit a password protected file, we will not review that material.

- Your electronic application must comply with any page limit requirements described in this notice.

- Prior to submitting your electronic application, you may wish to print a copy of it for your records.

- After you electronically submit your application, you will receive an automatic acknowledgement that will include a PR/Award number (an identifying number unique to your application).

- Within three working days after submitting your electronic application, fax a signed copy of the SF 424 to the

Application Control Center after following these steps:

- (1) Print SF 424 from e-Application.
- (2) The applicant's Authorizing Representative must sign this form.
- (3) Place the PR/Award number in the upper right hand corner of the hard-copy signature page of the SF 424.

- We may request that you provide us original signatures on other forms at a later date.

Application Deadline Date Extension in Case of e-Application Unavailability:

If you are prevented from electronically submitting your application on the application deadline date because e-Application is unavailable, we will grant you an extension of one business day to enable you to transmit your application electronically, by mail, or by hand delivery. We will grant this extension if—

- (1) You are a registered user of e-Application and you have initiated an electronic application for this competition; and

- (2)(a) E-Application is unavailable for 60 minutes or more between the hours of 8:30 a.m. and 3:30 p.m., Washington, DC time, on the application deadline date; or

- (b) E-Application is unavailable for any period of time between 3:30 p.m. and 4:30:00 p.m., Washington, DC time, on the application deadline date.

We must acknowledge and confirm these periods of unavailability before granting you an extension. To request this extension or to confirm our acknowledgment of any system unavailability, you may contact either (1) the person listed elsewhere in this notice under **FOR FURTHER INFORMATION CONTACT** (see VII. Agency Contact) or (2) the e-Grants help desk at 1-888-336-8930. If e-Application is unavailable due to technical problems with the system and, therefore, the application deadline is extended, an e-mail will be sent to all registered users who have initiated an e-Application. Extensions referred to in this section apply only to the unavailability of e-Application.

Exception to Electronic Submission Requirement: You qualify for an exception to the electronic submission requirement, and may submit your application in paper format, if you are unable to submit an application through e-Application because—

- You do not have access to the Internet; or
 - You do not have the capacity to upload large documents to e-Application;
- and

- No later than two weeks before the application deadline date (14 calendar days; or, if the fourteenth calendar day before the application deadline date falls on a Federal holiday, the next business day following the Federal holiday), you mail or fax a written statement to the Department, explaining which of the two grounds for an exception prevents you from using the Internet to submit your application. If you mail your written statement to the Department, it must be postmarked no later than two weeks before the application deadline date. If you fax your written statement to the Department, we must receive the faxed statement no later than two weeks before the application deadline date.

Address and mail or fax your statement to: Eileen S. Bland, U.S. Department of Education, 1990 K Street, NW., room 7000, Washington, DC 20006-8510. FAX: (202) 502-7857.

If you mail your application through the U.S. Postal Service, we do not accept either of the following as proof of mailing:

- (1) A private metered postmark.
- (2) A mail receipt that is not dated by the U.S. Postal Service.

If your application is postmarked after the application deadline date, we will not consider your application.

Note: The U.S. Postal Service does not uniformly provide a dated postmark. Before

relying on this method, you should check with your local post office.

c. Submission of Paper Applications by Hand Delivery.

If you qualify for an exception to the electronic submission requirement, you (or a courier service) may deliver your paper application to the Department by hand. You must deliver the original and two copies of your application, by hand, on or before the application deadline date, to the Department at the following address: U.S. Department of Education, Application Control Center, Attention: (CFDA Number 84.103A), 550 12th Street, SW., Room 7041, Potomac Center Plaza, Washington, DC 20202-4260.

If you do not receive this grant notification within 15 business days from the application deadline date, you should call the U.S. Department of Education Application Control Center at (202) 245-6288.

V. Application Review Information

1. *Selection Criteria:* The selection criteria for this program are in 34 CFR 642.31 and are listed in the application package.

Note: For the FY 2010 competition, the Secretary has identified the “Need” for training projects through the selection of five absolute priorities. Therefore, the Secretary will consider that an applicant has satisfied the “Need” criterion listed in 34 CFR 642.31(f) by applying for a grant under one of these priorities, and applicants are not otherwise required to address this criterion. The application package contains instructions on addressing the remaining selection criteria.

2. *Review and Selection Process:* A panel of non-Federal reviewers will review each application in accordance with the selection criteria, pursuant to 34 CFR 642.30(a). The individual scores of the reviewers will be added and the sum divided by the number of reviewers to determine the peer review score received in the review process. In accordance with 34 CFR 642.32, the

Secretary will award prior experience points to an applicant by evaluating the applicant's performance under its expiring Training program grant. Prior experience points, if any, will be added to the application's averaged peer review score to determine the total score for each application. Under section 402A(c)(3) of the HEA, the Secretary is not required to make awards under the Training Program for Federal TRIO Programs in the order of the scores received by the application in the peer review process and adjusted for prior experience.

In accordance with section 437(d)(1) of the General Education Provisions Act (GEPA), 20 U.S.C. 1232(d)(1), for FY 2010, the Secretary will select an application for funding within each specific absolute priority for which a grant is requested in the order of the peer review score received by the application in the peer review process.

Within each specific priority, if there are insufficient funds to fund all applications at the next peer review score, the Secretary adds the prior experience points awarded under 34 CFR 642.32 to the peer review score to determine an adjusted total score for those applications. The Secretary makes awards at the next peer review score to the applicants that have the highest total adjusted score.

In the event a tie score still exists, the Secretary will select for funding the applicant that has the greatest capacity to provide training to eligible participants in all regions of the Nation in order to assure accessibility to the greatest number of prospective training participants, consistent with 34 CFR 642.33.

Waiver of Proposed Rulemaking: Under the Administrative Procedure Act (5 U.S.C. 553) the Department generally offers interested parties the opportunity to comment on proposed requirements. Section 437(d)(1) of GEPA, however, allows the Secretary to exempt from rulemaking requirements, regulations governing the first grant competition under a new or substantially revised program authority. This is the first grant competition for this program under sections 402A and 402G of the HEA and therefore qualifies for this exemption. In order to ensure timely grant awards, the Secretary has decided to forego public comment on the requirements in the *Review and Selection Process* section of this notice, under section 437(d)(1) of GEPA. These requirements will apply to the FY 2010 grant competition only.

VI. Award Administration Information

1. **Award Notices:** If your application is successful, we notify your U.S.

Representative and U.S. Senators and send you a Grant Award Notification (GAN). We may notify you informally, also.

If your application is not evaluated or not selected for funding, we notify you.

2. **Administrative and National Policy Requirements:** We identify administrative and national policy requirements in the application package and reference these and other requirements in the *Applicable Regulations* section of this notice.

We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. **Reporting:** At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial expenditure information as directed by the Secretary under 34 CFR 75.118. The Secretary may also require more frequent performance reports under 34 CFR 75.720(c). For specific requirements on reporting, please go to <http://www.ed.gov/fund/grant/apply/appforms/appforms.html>.

4. **Performance Measures:** The success of the Training Program is measured by its cost-effectiveness based on the number of TRIO project personnel receiving training each year; the percentage of Training Program participants that, each year, evaluate the training as benefiting them in increasing their qualifications and skills in meeting the needs of disadvantaged students; and the percentage of Training Program participants that, each year, evaluate the trainings as benefiting them in increasing their knowledge and understanding of the Federal TRIO Programs. All grantees will be required to submit an annual performance report documenting their success in training personnel working on TRIO-funded projects, including the average cost per trainee and the trainees' evaluations of the effectiveness of the training provided. The success of the Training Program also is assessed on the quantitative and qualitative outcomes of the training projects based on project evaluation results.
