

The Exchange believes that the Pilot Program will provide investors with additional means of managing their risk exposures and carrying out their investment objectives. The Exchange also represents that it has the necessary system capacity to support the option series listed under the Pilot Program and the proposed increase in number of series.

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with Section 6(b)⁸ of the Securities Exchange Act of 1934 (the "Act"), in general, and furthers the objectives of Section 6(b)(5)⁹ in particular in that it is designed to promote just and equitable principles of trade, to prevent fraudulent and manipulative acts, to remove impediments to and to perfect the mechanism for a free and open market and a national market system and, in general, to protect investors and the public interest. The Exchange believes that increasing the number of available strikes in Short Term Options Series will provide investors with additional means of managing their risk and carrying out their investment objectives.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act¹⁰ and Rule 19b-4(f)(6) thereunder.¹¹ Because the proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of

investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act¹² and Rule 19b-4(f)(6)(iii) thereunder.¹³

The Exchange has requested that the Commission waive the 30-day operative delay. The Commission believes that waiver of the operative delay is consistent with the protection of investors and the public interest because the proposal is substantially similar to that of another exchange that was approved by the Commission.¹⁴ Therefore, the Commission designates the proposal operative upon filing.¹⁵

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

SUMMARY: On June 1, 2010, DOT published a notice (75 FR 30461) announcing the availability of funding and requesting proposals for DOT's National Infrastructure Investments grant program under the FY 2010 Appropriations Act. The DOT is referring to the grants for National Infrastructure Investments as "TIGER II Discretionary Grants." Through this notice, DOT is extending the deadline to submit pre-applications for TIGER II Discretionary Grants from July 16, 2010, at 5 p.m. EDT to July 26, 2010, at 5 p.m. EDT. The deadline for submitting final applications is not being extended, and remains August 23, 2010, at 5 p.m. EDT.

DATES: Pre-applications must be submitted by July 26, 2010, at 5 p.m. EDT (the "Pre-Application Deadline"). Final applications must be submitted through Grants.gov by August 23, 2010, at 5 p.m. EDT (the "Application Deadline"). The DOT pre-application system opened on June 23, 2010 to allow prospective applicants to submit pre-applications. Subsequently, the Grants.gov "Apply" function will open on July 30, 2010, allowing applicants to submit applications. While applicants are encouraged to submit pre-applications in advance of the Pre-Application Deadline, pre-applications will not be reviewed until after the Pre-Application Deadline. Similarly, while applicants are encouraged to submit applications in advance of the Application Deadline, applications will not be evaluated, and awards will not be made, until after the Application Deadline. Pursuant to the FY 2010 Appropriations Act, the DOT will evaluate all applications and announce

the projects that have been selected to receive TIGER II Discretionary Grants no sooner than September 15, 2010.

ADDRESSES: Pre-applications must be submitted electronically to DOT, and applications must be submitted electronically through Grants.gov. Only pre-applications received by DOT and applications received through Grants.gov will be deemed properly filed. Instructions for submitting pre-applications to DOT and applications through Grants.gov are included in Section VIII (*Pre-Application and Application Cycle*) of the June 1 notice of funding availability (75 FR 30461).

In addition, DOT will regularly post answers to questions and requests for clarifications on DOT's Web site at <http://www.dot.gov/recovery/ost/TIGERII>.

SUPPLEMENTARY INFORMATION: On April 26, 2010, DOT published an interim notice (75 FR 21695) announcing the availability of funding and requesting proposals for the Department of Transportation's National Infrastructure Investments program under the Transportation, Housing and Urban Development, and Related Agencies Appropriations Act for 2010 (Div. A of the Consolidated Appropriations Act, 2010 (Pub. L. 111-117, Dec. 16, 2009)) (the "FY 2010 Appropriations Act"). The DOT is referring to the grants for National Infrastructure Investments under the FY 2010 Appropriations Act as "TIGER II Discretionary Grants." Because this is a new program, the interim notice also requested comments on the proposed selection criteria and guidance for awarding TIGER II Discretionary Grants. The DOT considered the comments that were submitted in accordance with the interim notice and published an additional notice revising some elements of the interim notice on June 1, 2010 (75 FR 30461). This notice makes one additional revision to the notice published on June 1, 2010. This notice extends the deadline for submitting pre-applications from July 16, 2010, at 5 p.m. EDT to July 26, 2010, at 5 p.m. EDT.
