

Additionally, efforts have been made to work with the various transit systems as well as the American Trucking Association. The INDOT has met with, and gained support from the Indiana Motor Trucking Association, and has the endorsement of the city of Indianapolis, specifically The Greater Indianapolis Chamber of Commerce and the local business districts adjacent to the closure. (Full list of endorsements can be viewed electronically at the docket established for this notice at <http://www.regulations.gov>).

The INDOT has carefully evaluated all possible alternatives and after doing so believes the temporary closure of I-70 is the best way to ensure the safety not only to the volunteer workers, but also to the motorists. The INDOT is actively working with KIB and Lilly to develop an aggressive communications plan utilizing local business associations along the I-70 corridor, Indianapolis Downtown, Inc., and media outlets. Special consideration will be given to local and national trucking publications. Event day media staging areas and command posts are also included in the plan.
