

gussets, with or without printing, of polyethylene film having a thickness no greater than 0.035 inch (0.889 mm) and no less than 0.00035 inch (0.00889 mm), and with no length or width shorter than 6 inches (15.24 cm) or longer than 40 inches (101.6 cm). The depth of the bag may be shorter than 6 inches but not longer than 40 inches (101.6 cm).

PRCBs are typically provided without any consumer packaging and free of charge by retail establishments, *e.g.*, grocery, drug, convenience, department, specialty retail, discount stores, and restaurants, to their customers to package and carry their purchased products. The scopes of the orders exclude (1) polyethylene bags that are not printed with logos or store names and that are closeable with drawstrings made of polyethylene film and (2) polyethylene bags that are packed in consumer packaging with printing that refers to specific end-uses other than packaging and carrying merchandise from retail establishments, *e.g.*, garbage bags, lawn bags, trash-can liners.

As a result of changes to the Harmonized Tariff Schedule of the United States (HTSUS), imports of the subject merchandise are currently classifiable under statistical category 3923.21.0085 of the HTSUS. Furthermore, although the HTSUS subheading is provided for convenience and customs purposes, the written descriptions of the scopes of the orders are dispositive.

Continuation of the Orders

As a result of the determinations by the Department and the ITC that revocation of these antidumping duty orders would likely lead to continuation or recurrence of dumping and material injury to an industry in the United States, pursuant to section 751(d)(2) of the Act, the Department hereby orders the continuation of the antidumping duty orders on PRCBs from the PRC, Malaysia, and Thailand.

U.S. Customs and Border Protection will continue to collect antidumping duty cash deposits at the rates in effect at the time of entry for all imports of subject merchandise. The effective date of continuation of these orders will be the date of publication in the **Federal Register** of this notice of continuation. Pursuant to section 751(c)(2) of the Act, the Department intends to initiate the next five-year review of these orders not later than 30 days prior to the fifth anniversary of the effective date of continuation.

These five-year sunset reviews and this notice are in accordance with section 751(c) of the Act and published pursuant to section 777(i)(1) of the Act.

Dated: June 30, 2010.

John M. Andersen,

Acting Deputy Assistant Secretary for Import Administration.

Honey From the People's Republic of China: Extension of Time Limit for the Preliminary Results for New Shipper Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* July 7, 2010.

FOR FURTHER INFORMATION CONTACT: Josh Startup, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-5260.

Background

On February 4, 2010, the Department of Commerce ("Department") initiated this new shipper review of the antidumping duty order on honey from the People's Republic of China ("PRC"), covering the period December 1, 2008, through November 30, 2009. *See Honey from the People's Republic of China: Initiation of New Shipper Antidumping Duty Reviews*, 75 FR 5764 (February 4, 2010) ("*Initiation*"). The preliminary results of this new shipper review were due no later than July 28, 2010.

On February 12, 2010, the Department exercised its discretion to toll the deadlines for all Import Administration cases by seven calendar days due to the February 5, through February 12, 2010, Federal Government closure. *See* "Memorandum to the Record from Ronald Lorentzen, DAS for Import Administration, regarding 'Tolling of Administrative Deadlines as a Result of the Government Closure During the Recent Snowstorm,'" dated February 12, 2010. As a result, the preliminary results of this new shipper review are currently due on August 4, 2010.

Extension of Time Limit for the Preliminary Results

Section 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended ("the Act"), and

19 CFR 351.214(i)(1) require the Department to issue the preliminary results of a new shipper review within 180 days after the date on which the new shipper review was initiated and final results of a review within 90 days after the date on which the preliminary results were issued. The Department may, however, extend the time period for completion of the preliminary results of a new shipper review to 300 days if it determines that the case is extraordinarily complicated. *See* section 751(a)(2)(B)(iv) of the Act and 19 CFR 351.214(i)(2).

The Department has determined that the review is extraordinarily complicated as the Department must gather additional publicly available information, issue additional supplemental questionnaires, and allow time for parties to comment on those responses. Based on the timing of the case and the additional information that must be gathered, the preliminary results of this new shipper review cannot be completed within the 180 day time limit. Accordingly, the Department is extending the time limit for the completion of the preliminary results of this new shipper review by 90 days. The preliminary results will now be due no later than November 2, 2010 in accordance with section 751(a)(2)(B)(iv) of the Act and 19 CFR 351.214(i)(2). The final results will, in turn, be due 90 days after the date of issuance of the preliminary results, unless extended.

This notice is published pursuant to sections 751(a)(2)(B)(iv) and 777(i)(1) of the Act.

Dated: June 30, 2010.

John M. Andersen,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Certain Cased Pencils From the People's Republic of China: Final Results of the Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: On December 22, 2009, the Department of Commerce (the "Department") published the preliminary results of the administrative review of the antidumping duty order

on certain cased pencils from the People's Republic of China ("PRC"), covering the period December 1, 2007, through November 30, 2008. *See Certain Cased Pencils From the People's Republic of China: Preliminary Results of Antidumping Duty Administrative Review*, 74 FR 68047 (December 22, 2009) ("*Preliminary Results*"). We gave the interested parties an opportunity to comment on the *Preliminary Results*. After reviewing the interested parties' comments, we made changes to our calculations for the final results of the review. The final dumping margin for this review is listed in the "Final Results of the Review" section below.

DATES: *Effective Date:* July 7, 2010.

FOR FURTHER INFORMATION CONTACT: Alexander Montoro or Joseph Shuler, AD/CVD Operations, Office 1, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone (202) 482-0238 or (202) 482-1293, respectively.

SUPPLEMENTARY INFORMATION:

Background

Following the *Preliminary Results*, the Department issued additional supplemental questionnaires to mandatory respondent China First Pencil Co., Ltd. ("China First") on December 28, 2009 and January 19, 2010. China First responded on January 11, 2010, and January 20, 2010, respectively. The Department also issued an additional supplemental questionnaire to Shanghai Three Star Stationery Industry Co., Ltd. ("Three Star"), the other mandatory respondent, on December 22, 2009 and received a response on December 29, 2009.

China First and Three Star submitted post-preliminary surrogate value comments on January 12, 2010.

On February 11, 2010, Beijing Dixon Stationery Company Ltd. ("Dixon") submitted a case brief and, on February 19, 2010, China First, Three Star, and Orient International Holding Shanghai Foreign Trade Co., Ltd. ("SFTC") submitted a joint case brief. None of the parties requested a hearing.

As explained in the memorandum from the Deputy Assistant Secretary for Import Administration, the Department exercised its discretion to toll deadlines for the duration of the closure of the Federal Government from February 5, through February 12, 2010. Thus, all deadlines in this segment of the proceeding were extended by seven days. The revised deadline for the final results of this administrative review was thus extended to April 28, 2010. *See*
