III. Eligibility Information

1. Eligible Applicants: An IHE is eligible to receive funds if it qualifies as an Asian American and Native American Pacific Islander-serving Institution (AANAPISI).

Asian American. The term “Asian American” means a person having origins in any of the original peoples of the Far East, Southeast Asia, or the Indian subcontinent (including, for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand, and Vietnam), as defined in the Office of Management and Budget’s Standards for Maintaining, Collecting, and Presenting Federal Data on Race and Ethnicity as published on October 30, 1997 (62 FR 58789). The term “American Pacific Islander” means any descendant of the aboriginal people of any island in the Pacific Ocean that is a territory or possession of the United States. Applicants, at the time of submission, will be required to certify their total undergraduate headcount enrollment. Applicants will also be required to

certify that 10 percent of the IHE’s enrollment is Asian American or Native American Pacific Islander as defined for the AANAPISI program. An assurance form that is included in the application materials for this competition must be submitted and signed by an official for the applicant. AANAPISI applicants must also meet other requirements to be designated as eligible.

To qualify as an eligible institution under the AANAPISI program, an institution must, among other requirements—

(1) Be accredited or pre-accredited by a nationally recognized accrediting agency or association that the Secretary has determined to be a reliable authority as to the quality of education or training offered;

(2) Be legally authorized by the State in which it is located to be a junior college or to provide an educational program for which it awards a bachelor’s degree;

(3) Be designated as an “eligible institution” by demonstrating that it: (A) Has an enrollment of needy students as described in 34 CFR 607.3; and (B) has low average educational and general expenditures per full-time equivalent (FTE) undergraduate student as described in 34 CFR 607.4.

Note: The notice for applying for designation as an eligible institution was published on December 7, 2009, 74 FR

64059, and applications were due on January 6, 2010. Only institutions that submitted applications by the deadline date of January 6, 2010 and that the Department determined are eligible may apply for a grant.

Relationship between the Title III, Part A programs, and the Hispanic-Serving Institutions (HSI) program.

Note 1: A grantee under the Developing Hispanic-Serving Institutions (HSI) program, which is authorized by Title V of the HEA, may not receive a grant under any HEA, Title III, Part A programs, including the AANAPISI program. Further, a current HSI program grantee may not give up its HSI grant in order to receive a grant under any Title III, Part A program.

Note 2: An eligible HSI that does not fall within the limitation described in Note 1 (*i.e.*, is not a current grantee under the HSI program) may apply for a FY 2010 grant under all Title III, Part A programs for which it is eligible, as well as receive consideration for a grant under the HSI program. However, a successful applicant may receive only one grant.

Note 3: The Department will make five-year awards for individual development grants and five-year awards for cooperative arrangement grants in rank order from the funding slates according to the average score received from a panel of three readers.

2. Cost Sharing or Matching: There are no cost sharing or matching requirements for this program unless funds are used for an endowment.

2. Content and Form of Application Submission:

Requirements concerning the content of an application, together with the forms you must submit, are in the application package for this program.

Page Limits: We have established mandatory page limits for both the Individual Development Grant and the Cooperative Arrangement Development Grant applications. You must limit the section of the narrative that addresses the selection criteria to no more than 50 pages for the Individual Development Grant application and 70 pages for the Cooperative Arrangement Grant application, using the following standards:

- A "page" is 8.5" x 11", on one side only, with 1 inch margins at the top, bottom, and both sides. Page numbers and an identifier may be within the 1" margins.

- Double space (no more than three lines per vertical inch) all text in the application narrative, including titles, headings, footnotes, quotations, references, and captions. However, you may single space all text in charts, tables, figures, and graphs. Charts, tables, figures, and graphs presented in the application narrative count toward the page limit.

- Use a font that is either 12-point or larger or no smaller than 10 pitch (characters per inch). However, you may use a 10-point font in charts, tables, figures, graphs, footnotes, and endnotes.

- Use one of the following fonts: Times New Roman, Courier, Courier

New, or Arial. An application submitted in any other font (including Times Roman or Arial Narrow) will not be accepted.

The page limit does not apply to Part I, the Application for Federal Assistance (SF 424); the Supplemental Information for SF 424 Form required by the Department of Education; Part II, the Budget Information Summary Form (ED Form 524); and Part IV, the Assurances and Certifications. The page limit also does not apply to the Table of Contents, the Program one-page Abstract, the resumes, the bibliography, or the letters of support. If you include any attachments or appendices, these items will be counted as part of the Program Narrative (Part III of the application) for purposes of the page limit requirement. You must include your complete response to the selection criteria in the program narrative.

We will reject your application if you exceed the page limit.

3. Submission Dates and Times:

Applications Available: July 9, 2010.

Deadline for Transmittal of

Applications: August 9, 2010.

Applications for grants under this program must be submitted electronically using the Electronic Grant Application System (e-Application) accessible through the Department's site. For information (including dates and times) about how to submit your application electronically, or in paper format by mail or hand delivery if you qualify for an exception to the electronic submission requirement, please refer to section IV.7. **Other Submission Requirements** of this notice.

We do not consider an application that does not comply with the deadline requirements.

4. Intergovernmental Review: This program is subject to Executive Order 12372 and the regulations in 34 CFR part 79. Information about Intergovernmental Review of Federal Programs under Executive Order 12372 is in the application package for this program.

5. Funding Restrictions: We reference the regulations outlining funding

restrictions in the *Applicable Regulations* section of this notice.

Applicability of Executive Order

13202. Applicants that apply for construction funds must comply with Executive Order 13202 signed by President George W. Bush on February 17, 2001, and amended on April 6, 2001. This Executive Order provides that recipients of Federal construction funds may not "require or prohibit bidders, offerors, contractors, or subcontractors to enter into or adhere to agreements with one or more labor organizations, on the same or other construction project(s)" or "otherwise discriminate against bidders, offerors, contractors, or subcontractors for becoming or refusing to become or remain signatories or otherwise adhere to agreements with one or more labor organizations, on the same or other construction project(s)." However, the Executive Order does not prohibit contractors or subcontractors from voluntarily entering into these agreements. Projects funded under this program that include construction activity will be provided a copy of this Executive Order and will be asked to certify that they will adhere to it.

6. Data Universal Numbering System Number, Taxpayer Identification Number, and Central Contractor Registry: To do business with the Department of Education, (1) you must have a Data Universal Numbering System (DUNS) number and a Taxpayer Identification Number (TIN); (2) you must register both of those numbers with the Central Contractor Registry (CCR), the Government's primary registrant database; and (3) you must provide those same numbers on your application.

You can obtain a DUNS number from Dun and Bradstreet. A DUNS number can be created within one business day.

If you are a corporate entity, agency, institution, or organization, you can obtain a TIN from the Internal Revenue Service. If you are an individual, you can obtain a TIN from the Internal Revenue Service or the Social Security Administration. If you need a new TIN, please allow 2-5 weeks for your TIN to become active.

The CCR registration process may take five or more business days to complete. If you are currently registered with the CCR, you may not need to make any changes. However, please make certain that the TIN associated with your DUNS number is correct. Also note that you will need to update your CCR registration on an annual basis. This may take three or more business days to complete.

3. *Tie-breaker for Development Grants.* In tie-breaking situations for development grants, 34 CFR 607.23(b) requires that we award one additional point to an application from an IHE that has an endowment fund of which the current market value, per full-time equivalent (FTE) enrolled student, is less than the average current market value of the endowment funds, per FTE enrolled student at comparable institutions that offer similar instruction. We award one additional point to an application from an IHE that has expenditures for library materials per FTE enrolled student that are less than the average expenditures for library materials per FTE enrolled student at comparable institutions that offer similar instruction. We also add one additional point to an application from an IHE that proposes to carry out one or more of the following activities—

1. Faculty development;
2. Funds and administrative management;
3. Development and improvement of academic programs;
4. Acquisition of equipment for use in strengthening management and academic programs;
5. Joint use of facilities; and
6. Student services.

For the purpose of these funding considerations, we use 2007–2008 data. If a tie remains after applying the tie-breaker mechanism above, priority will be given in the case of applicants for: (a) Individual development grants to applicants that have the lowest endowment values per FTE enrolled student; and (b) cooperative arrangement grants to applicants in accordance with section 394(b) of the HEA, if the Secretary determines that the cooperative arrangement is geographically and economically sound or will benefit the applicant institution.

VI. Award Administration Information

1. *Award Notices:* If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN). We may notify you informally also.

If your application is not evaluated or not selected for funding, we notify you.

2. *Administrative and National Policy Requirements:* We identify administrative and national policy requirements in the application package and reference these and other requirements in the *Applicable Regulations* section in this notice.

We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. *Reporting:* At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial expenditure information as directed by the Secretary in 34 CFR 75.118 and 34 CFR 607.31. The Secretary may also require more frequent performance reports under 34 CFR 75.720(c). For specific requirements on reporting, please go to <http://www.ed.gov/fund/grant/apply/appforms/appforms.html>.

4. *Performance Measures:* The Secretary has established the following key performance measures for assessing the effectiveness of the AANAPISI program:

a. The percentage change, over a five-year period, of the number of full-time, degree-seeking undergraduates enrolling at AANAPISIs. Note that this is a long-term measure, which will be used to periodically gauge performance, beginning in FY 2009;

b. The percentage of first-time, full-time degree-seeking undergraduate students at four-year AANAPISIs who were in their first year of postsecondary enrollment in the previous year and are enrolled in the current year at the same AANAPISI;

c. The percentage of first-time, full-time degree-seeking undergraduate students at two-year AANAPISIs who were in their first year of postsecondary enrollment in the previous year and are enrolled in the current year at the same AANAPISI;

d. The percentage of first-time, full-time degree-seeking undergraduate students enrolled at four-year AANAPISIs who graduate within six years of enrollment; and

e. The percentage of first-time, full-time degree-seeking undergraduate students enrolled at two-year AANAPISIs who graduate within three years of enrollment.
