Considerations Regarding the Restriction Against Financing Gaming Facilities

Section 7871(f)(3)(B)(i) prohibits the use of Tribal Economic Development Bonds to finance any portion of a building in which class II or class III gaming (as defined in section 4 of the Indian Gaming Regulatory Act) is conducted or housed or any other property actually used in the conduct of such gaming.

8. Should the prohibition on the use of Tribal Economic Development Bonds to finance gaming facilities be modified to address special needs or unique circumstances of Indian tribal governments?

Additional General Comments on Special Needs or Unique Circumstances of Indian Tribal Governments

9. Are there additional factors that should be considered in refining the statutory scope of tax-exempt bond financing for Indian tribal governments to better address the special needs or unique circumstances of Indian tribal governments? Such factors might include, for example, special sources of revenue, priority government-like activities, geographic distribution and legal status of land associated with Indian tribal governments, or credit market access considerations.
