

that the proposed extension would not pose any additional risk to public health or safety. There have been only 2 crossing collisions involving property damage at the Russell Avenue crossing over the past 11 years. The City also notes that it has worked diligently since the final rule was released in 2005, to take the necessary steps to retain its pre-rule quiet zone. This includes the retaining of a consulting firm to assist with the project and to ensure compliance with all regulatory requirements. Throughout the process, the City and NS have worked diligently and cooperatively to implement this project. The City and NS are requesting that the June 24, 2010, deadline be extended to October 31, 2010, so that the Pre-Rule Quiet Zone can remain consistently active.
