SUPPLEMENTARY INFORMATION:

OMB Control Number: 3060-1135.
Title: Revisions to Rules Authorizing the Operation of Low Power Auxiliary Stations (Including Wireless Microphones).

Form Number: N/A.

Type of Review: Revision of a currently approved collection.

Respondents: Business or other for-profit, not-for-profit institutions and state, local or tribal government.

Number of Respondents and Responses: 5,100 responses; 127,500 responses.

Estimated Time per Response: .25 hours (15 minutes).

Frequency of Response: Third party disclosure requirements (disclosure and labeling requirements).

Obligation to Respond: Mandatory. Statutory authority for this information collection is contained in 47 U.S.C. sections 151, 152, 154(i), 154(j), 301, 302(a), 303, 304, 307, 308, 309, 316, 332, 336 and 337.

Total Annual Burden: 31,875 hours.

Total Annual Cost: \$1,625,000.

Privacy Act Impact Assessment: N/A.

Nature and Extent of Confidentiality:

There is no need for confidentiality since these are third party disclosure and labeling requirements.

Needs and Uses: The Commission will submit this expiring information collection during this comment period to obtain the full three year clearance from the Office of Management and Budget (OMB). The Commission is reporting a revision which is due to elimination of the early clearing requirement burden as it will be unnecessary after June 12, 2010 while keeping the disclosure and labeling requirements that would allow the Commission to clear the 700 MHz band of wireless microphones and provide

them a home in the core TV spectrum, where many wireless microphones are already operating. Therefore, the Commission is reporting a 1,049 hour program change reduction in burden.

The point-of-sale disclosure requirement is necessary for a successful transition of wireless microphones out of the 700 MHz band. The Commission anticipates that many wireless microphone users currently operating in the 700 MHz band will have to purchase or lease new equipment capable of operating in the core TV spectrum. The point-of-sale disclosure requirement will help these consumers make an educated decision as they obtain new microphones, and it will help them operate in the core TV spectrum without causing harmful interference to other services in the spectrum. Further, a label on 700 MHz band wireless microphones bound for export will help to ensure that these wireless microphones do not continue to be made available for use in the United States, in contravention of our efforts to remove them from the 700 MHz band.

File No. EB-10-IH-2079**

Dear Mr. Rowner:

Pursuant to section 54.8 of the rules of the Federal Communications Commission (the "Commission"), by this Notice of Debarment you are debarred from the schools and libraries universal service support mechanism (or "E-Rate program") for a period of three years.¹

On April 7, 2010, the Enforcement Bureau (the "Bureau") sent you a Notice of Suspension and Initiation of Debarment Proceedings (the "Notice of

¹ 47 CFR 54.8(g)(2008). See also 47 CFR 0.111(a)(14).

Suspension”).² That Notice of Suspension was published in the **Federal Register** on April 21, 2010.³ The Notice of Suspension suspended you from participating in activities associated with or relating to the schools and libraries universal service support mechanism and described the basis for initiation of debarment proceedings against you, the applicable debarment procedures, and the effect of debarment.⁴

Pursuant to the Commission’s rules, any opposition to your suspension or its scope or to your proposed debarment or its scope had to be filed with the Commission no later than thirty (30) calendar days from the earlier date of your receipt of the Notice of Suspension or publication of the Notice of Suspension in the **Federal Register**.⁵ The Commission did not receive any such opposition.

As discussed in the Notice of Suspension, you pleaded guilty to and were sentenced to serve twenty-seven months in federal prison, to be followed by twenty-four months of supervised release for federal crimes in connection with your participation in a scheme to defraud the E-Rate program.⁶ You held yourself out as an E-Rate salesperson and installer and admitted that you and others devised schemes to defraud school districts and the E-Rate program by having your co-conspirators steer E-rate related contracts to various companies that directly benefited you, your conspirators, and your company.⁷ You were also ordered to pay \$271,716 in restitution to USAC for your role in the schemes.⁸ Such conduct constitutes the basis for your debarment, and your conviction falls within the categories of causes for debarment under section 54.8(c) of the

Commission’s rules.⁹ For the foregoing reasons, you are hereby debarred for a period of three years from the debarment date, i.e., the earlier date of your receipt of this Notice of Debarment or its publication date in the **Federal Register**.¹⁰

Debarment excludes you, for the debarment period, from activities associated with or related to the schools and libraries support mechanism, including the receipt of funds or discounted services through the schools and libraries support mechanism, or consulting with, assisting, or advising applicants or service providers regarding the schools and libraries support mechanism.¹¹

of Debarment Proceedings
File No. EB-10-IH-2079**

Dear Mr. Rowner:

The Federal Communications Commission (“FCC” or “Commission”) has received notice of your guilty plea for conspiracy to defraud the United States in violation of 18 U.S.C. 371 in connection with your participation in the schools and libraries universal service support mechanism (“E-Rate program”).¹² Consequently, pursuant to

47 CFR 54.8, this letter constitutes official notice of your suspension from the E-Rate program. In addition, the Enforcement Bureau (“Bureau”) hereby notifies you that we are commencing debarment proceedings against you.¹³

I. Notice of Suspension

The Commission has established procedures to prevent persons who have “defrauded the government or engaged in similar acts through activities associated with or related to the schools and libraries support mechanism” from receiving the benefits associated with that program.¹⁴ On July 10, 2008, you, Benjamin Rowner, entered a plea agreement and pleaded guilty to knowingly and intentionally conspiring with others to defraud and obtain money from the E-Rate Program through submission of materially false representations, concealment of material facts, mail fraud, wire fraud, and intentional manipulation of the competitive bidding process.¹⁵ Specifically, from Fall 1999 to at least November 2003, you held yourself out as an E-Rate salesperson and installer for the purpose of defrauding the E-Rate Program.¹⁶ You admitted that you and others devised schemes to defraud school districts and the E-Rate program

by having your co-conspirators steer E-rate related contracts to various companies that directly benefited you, your conspirators, and your company, primarily DeltaNet, Inc.¹⁷ In furtherance of the schemes, you submitted misleading, fraudulent and false documents to the Universal Service Administrative Company ("USAC") claiming schools were paid or would pay their co-pay, submitted other materially false and fraudulent documents to USAC, and concealed from the school districts relationships with co-conspirators in order to induce schools to select your companies as service providers in violation of E-Rate Program rules.¹⁸ Ultimately, your conspiracy was comprised of two closely related schemes that affected at least thirteen different schools in eight different states across the United States.¹⁹

On February 4, 2010, you were sentenced to serve twenty-seven months in prison, to be followed by twenty-four months of supervised release for your role in the scheme to defraud the E-Rate program.²⁰ You were also ordered to pay \$271,716 in restitution to USAC for your role in the schemes.²¹

As with your suspension, you may contest debarment or the scope of the proposed debarment by filing arguments and any relevant documentation within 30 calendar days of the earlier of the receipt of this letter or of publication in the **Federal Register**.³² Absent extraordinary circumstances, the Bureau will debar you.³³ The Bureau will

Dear Mr. Soled:

Pursuant to section 54.8 of the rules of the Federal Communications Commission (the "Commission"), by this Notice of Debarment you are debarred from the schools and libraries universal service support mechanism (or "E-Rate program") for a period of three years.¹
