

modified by PLO No. 6839 (56 FR 13413, (1991)). A complete description, along with all other records pertaining to the extension application, can be examined in the BLM Alaska State Office at the address listed in the **ADDRESSES** section of this notice.

The use of a right-of-way or interagency or cooperative agreement would not adequately protect the Federal investment in the Barrow Base Line Observatory and the Barrow Magnetic Observatory.

There are no suitable alternative sites available since the Barrow Base Line Observatory and the Barrow Magnetic Observatory are already constructed on the above-referenced public land.

No water rights would be needed to fulfill the purpose of the requested withdrawal extension.

For a period of 90 days from the date of publication of this notice, all persons who wish to submit comments, suggestions, or objections in connection with the proposed withdrawal extension may present their views in writing to the BLM Alaska State Director at the address in the **ADDRESSES** section of this notice. Before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so. All submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, will be made available for public inspection in their entirety.

Notice is hereby given that an opportunity for a public meeting is afforded in connection with the proposed withdrawal extension. All interested parties who desire a public meeting for the purpose of being heard on the proposed withdrawal extension must submit a written request to the BLM Alaska State Director by October 13, 2010. Upon determination by the authorized officer that a public meeting will be held, a notice of the time and place will be published in the **Federal Register** and at least one local newspaper at least 30 days before the scheduled date of the meeting.

The withdrawal extension proposal will be processed in accordance with the regulations set forth in 43 CFR 2310.4 and subject to Section 204 of the Federal Land Policy and Management Act of 1976, 43 U.S.C. 1714 and subject

to Section 810 of the Alaska National Interest Lands Conservation Act, 16 U.S.C. 3120.
