SUPPLEMENTARY INFORMATION: The Department of Homeland Security would like to revise the currently approved collection of information to provide an electronic means of collecting and submitting the CIS Ombudsman Case Problem Submission Worksheet, DHS Form 7001. The CIS Ombudsman is an independent office that reports directly to the Deputy Secretary of Homeland Security. The system will collect and maintain records of correspondence received from individuals, employers, and designated representatives. In accordance with the

Privacy Act of 1974, DHS is issuing a system of records notice for the CISOMB Virtual Ombudsman records. This record system will allow CISOMB to collect information to receive and process correspondence received from individuals, employers, and their designated representatives to: (1) Assist individuals and employers in resolving problems with U.S. Citizenship and Immigration Services (USCIS); (2) identify areas in which individuals and employers have problems in dealing with USCIS; and (3) to the extent possible, propose changes to mitigate problems as mandated by 6 U.S.C. 272. This new system will be included in the Department's inventory of record systems. CISOMB receives cases through: (1) CISOMB's paper form 7001, Case Problem Submission Worksheet and Supporting Statement Case Problem Submission Form, which is posted on the DHS CISOMB Internet Web site at <http://www.dhs.gov> as a fillable PDF form; or (2) CISOMB's online form 7001 (same title) that is transmitted electronically with any relevant documentation to CISOMB for further processing. CISOMB reviews all information for completeness and scans all documentation into the CISOMB account within the Internet Quorum/Enterprise Correspondence Tracking (IQ/ECT) system as a case record and forwards electronically, as appropriate, along with any attachments, to USCIS for further action. Currently, CISOMB converts every case problem submission to Adobe.pdf format for resolution.
