BILLING CODE 4140-01-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES**Administration for Children and Families****Office of Child Support Enforcement; Privacy Act of 1974; System of Records**

AGENCY: Office of Child Support Enforcement, ACF, HHS.

ACTION: Notice of establishment of a new system of records.

SUMMARY: In accordance with the requirements of the Privacy Act of 1974 (5 U.S.C. 552a), as amended, the Office of Child Support Enforcement (OCSE) is publishing notice of a new system of records, entitled "Federal Parent Locator Service (FPLS) Child Support Services Portal," System No. 09-80-0387.

DATES: The Department of Health and Human Services (HHS) invites interested parties to submit written comments on the proposed system until August 20, 2010. As required by the Privacy Act (5 U.S.C. 552a(r)), HHS on June 8, 2010 sent a report of a new system of records to the Committee on Homeland Security and Governmental Affairs of the Senate, the Committee on Oversight and Government Reform of the House of Representatives, and the Office of Information and Regulatory Affairs of the Office of Management and Budget (OMB). The proposed action described in this notice is effective on August 20, 2010, unless HHS receives comments, which result in a contrary determination.

ADDRESSES: Interested parties may submit written comment on this notice by writing to Linda Deimeke, Director, Division of Federal Systems, Office of Automation and Program Operations, Office of Child Support Enforcement, Administration for Children and Families, 370 L'Enfant Promenade, SW., 4th Floor East, Washington, DC 20447. Comments received will be available for public inspection at this address from 9 a.m. to 5 p.m., Monday through Friday.

FOR FURTHER INFORMATION CONTACT: Linda Deimeke, Director, Division of Federal Systems, Office of Child Support Enforcement, 370 L'Enfant Promenade, SW., 4th Floor East, Washington, DC 20447. The telephone number is (202) 401-5439.

SUPPLEMENTARY INFORMATION: The Federal Parent Locator Service (FPLS) Child Support Services Portal is a gateway that allows authorized users to retrieve and provide information to FPLS systems as permitted by their portal role classification. Roles are

assigned based on the function the user is authorized to perform. For example, an employee of a multistate financial institution could be assigned the role that allows her to provide bank account information that would be used to identify financial holdings of a noncustodial parent. Another authorized user might have access to the role that allows registration as an employer that accepts electronic income withholding orders.

The establishment of the proposed new system of records will ensure that access to the portal and its services is secure and restricted to those individuals and organizations, including third parties conducting business on behalf of another business or organization, that apply for, and are granted, access privileges. In turn, access to the portal by authorized individuals will enhance the ability of OCSE, employers, financial institutions and other partners to assist state child support agencies in collecting support on behalf of children and families.

Dated: July 8, 2010.

Vicki Turetsky,

Commissioner, Office of Child Support Enforcement.
